NAZARENE UNIVERSITY

ENROLLMENT STEPS FOLLOWING ACCEPTANCE 2015-2016

1) Provide proof of financial support.

This is required before we can create an I-20 to send to you. Once you have your I-20, you will be able to set up an appointment to apply for an F-1 student visa. This would include financial documents such as bank statements or proof of income. For additional resources about financing your studies, see: <http://www.educationusa.state.gov/your-5-steps-us-study/finance-your-studies>.

2) Once you receive your I-20 in the mail, you will need to pay your I-901 fee.

You can pay this \$200 fee at www.fmjfee.com. Make sure to print the receipt as you will need this for your US Consulate/Embassy meeting.

3) Apply for your F-1 Student Visa. Once you receive your I-20 and have paid your I-901 fee, you will need to apply for your visa. This will require for you to visit your local US Consulate/Embassy. See:

- [U.S. Department of State - Consular Affairs \(Student Visas\)](#)
- [U.S. Department of State - U.S. Embassies and Consulates](#)
- [U.S. Department of Homeland Security - Study in the States](#)

**It is important to note that two separate U.S. government agencies are involved with international student arrival and status while studying in the United States. The State Department is responsible for the visa application process and issuing the visa. Once a visa holder arrives in the United States, the U.S. Department of Homeland Security then takes over as the responsible agency for entry into the country, as well as issuing and enforcing international student regulations. Please read information from all three sources above before applying for a U.S. student visa. The sites address employment, maintaining your status, and other vital topics. - See more at: <http://www.educationusa.state.gov/your-5-steps-us-study/apply-your-student-visa/undergraduate#sthash.3iVtJX22.dpuf>*
