Federal Student Aid Programs

Dependent

Your application has been selected for review in a process called "Verification". In this process, the Office of Student Financial Services at MidAmerica Nazarene University must compare information from your Free Application for Federal Student Aid (FAFSA) with signed copies of your and your parents'/stepparent's 2007 Federal income tax forms, W-2 forms and/or other financial documents. The law gives us the authority to ask for this information before awarding Federal aid. If there are differences between your application information and your financial documents, the Office of Student Financial Services will make the appropriate changes to your application.

What you need to do:

1. Collect and photocopy your (and your parents'/stepparent's) signed 2007 Federal income tax forms, supporting schedules/forms.
2. Complete and sign this worksheet.
3. Take/send the completed worksheet and signed copies of tax forms and other documents to the MNU Office of Student Financial Services.

Submit your verification documents as soon as possible so that your financial aid will not be delayed. The Office of Student Financial Services will compare the submitted documents with your FAFSA information. If there are any discrepancies, our office may request further clarification. A financial aid counselor can help you if you have questions about completing this worksheet.
