A WORD OF EXPLANATION

While every effort has been made to make the MidAmerica Nazarene University Catalog as current as possible with regard to personnel, tuition and fees, course offerings, etc., it may be necessary from time to time to modify items listed. Courses listed by the University are subject to change through normal channels. New courses and modifications in existing courses are introduced by the academic departments and considered by the faculty. The Catalog, therefore, is for informational purposes only and does not constitute a contract.
MidAmerica Nazarene University’s mission is to educate and inspire servant leaders. We fulfill that mission by shaping a premier Christian university committed to the serious and life-long integration of faith, learning and service. This mission has been guiding the University for over four decades, beginning with a small group of Pioneer educators who had a vision of a quality Christian liberal arts college and the passion to turn that dream into a reality. Though the landscape of higher education has changed significantly since 1966, we are driven by the same vision and carried by the same passion. So MNU continues the legacy of being a distinctive university where scholarship is a complement to faith rather than its enemy, where students spend as much time and effort building their faith as they do their résumés, where they seek innovative solutions rather than easy excuses, and where they develop the character of servanthood as well as the competencies of leadership. This legacy is our promise.

Thousands of MNU alumni and students have described how their experience at MNU has shaped their thinking, focused their vision and transformed their hearts. This experience is larger than a collection of course credits or a professional credential. It is the full engagement in the academic, social, and spiritual dimensions of the University. The Catalog serves as your guide to each of these arenas. Its pages serve as a blueprint that gives the big picture and then fills in the details. Take care in reading them. Take advantage of the range of resources provided. Experienced students will tell you to pay close attention to the requirements in your chosen areas of study.

I urge you to make the most of your experience at MNU. Develop your gifts and skills. Deepen your knowledge. Expand your world. Explore your own innovative spirit. Nurture your passion to serve. Discover God’s purpose for your life. As you do, you’ll be a genuine Pioneer.

General Information

MidAmerica Nazarene University
An Introduction

OUR HISTORY
Founded in 1966, MidAmerica Nazarene University opened its doors to students in 1968 with an enrollment of 263. Since that initial semester of operation, enrollment has increased dramatically and now totals nearly 1,800. The University offers undergraduate academic majors in 42 areas, a degree-completion program in Management and Human Relations, a baccalaureate degree affiliation with European Nazarene College in Germany, and graduate-level programs in education, business administration, counseling and nursing.

MidAmerica is located 19 miles southwest of downtown Kansas City, Missouri, on a 105-acre campus in Olathe, Kansas. Because of its strategic location in the Greater Kansas City area, students and faculty have access to the metropolitan cultural, recreational and employment advantages. The permanent control of the University is vested in a board of trustees selected from the various districts of the North Central Region of the Church of the Nazarene.

A WORD ON ACCREDITATION
MidAmerica Nazarene University, a comprehensive liberal arts university of the Church of the Nazarene, is accredited by the Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools (30 North LaSalle Street, Suite 2400, Chicago, IL 60602-2504; 312-263-0456; http://www.ncacihe.org/). The traditional Business programs are accredited by the International Assembly for Collegiate Business Education (P.O. Box 3960, Olathe, KS 66063; 913-631-3009).

The University is a member of the Council for Christian Colleges and Universities (CCCU), the National Association of Independent Colleges and Universities (NAICU), the Council of
Independent Colleges (CIC), the Kansas Independent College Association (KICA), the National Association of Intercollegiate Athletics (NAIA), the Heart of America Athletic Conference (HAAC), the Midwestern Association of Graduate Schools (MAGS), the American Association of Colleges for Teacher Education (AACTE), the American Association of Colleges of Nursing (AACN).

THE POSITION STATEMENT

MidAmerica Nazarene University is a comprehensive liberal arts university offering undergraduate and selected professional and graduate degrees. Sponsored by the North Central Region of the International Church of the Nazarene, the University is committed to serving the church and its global mission. As a Christian community in the Wesleyan-Holiness tradition, MidAmerica Nazarene University seeks to transform the individual through intellectual, spiritual, and personal development for a life of service to God, the church, the nation and the world.

THE MISSION STATEMENT

... to educate and inspire servant leaders

THE VISION STATEMENT

... to be a premier Christian university with global impact

OUR MOTTO: TO LEARN ... TO SERVE ... TO BE

The Mission of MidAmerica Nazarene University as a holiness, liberal arts university is summed up succinctly in the motto TO LEARN, TO SERVE, TO BE.

TO LEARN denotes the pursuit of excellence. Liberal arts in the context of Christian holiness calls for commitment to a life of learning.

TO SERVE means involvement in a life of compassion. The pursuit of excellence is to be blended with Christlike compassion.

TO BE points to a journey toward wholeness. Wholeness means loving God with heart, soul, mind and strength. The journey toward wholeness makes every desk an altar, and every classroom a cathedral where faith and learning are blended together.

INSTITUTIONAL GOALS

The University has four primary goals which are defined as the development of the student, service to God and humanity, career preparation, and an understanding of America’s heritage.

THE DEVELOPMENT OF THE STUDENT. In seeking to meet the needs of whole persons, the University provides a wide variety of intellectual, social, and religious activities that serve a developmental function in students. These include the general education program, the major fields of preparation, chapel and convocation emphases, campus social events, annual fall and spring revival services, and intercollegiate/intramural athletics.
SERVICE TO GOD AND HUMANITY. The University promotes its ideal of service through emphases on social concerns, the Office of Compassionate Ministries and organizations of the Associated Student Government (ASG), chapel programming, and special events such as the annual Festival of Youth in Missions.

CAREER PREPARATION. Preparation for a rewarding professional life is a goal that is reached in the successful educating of students in a major field of their choice, and is assessed by means of a required senior comprehensive examination or project. All academic departments of the University emphasize formal objectives and a balance between the liberal arts and courses in specialized areas. The ultimate goal is to develop broadly educated individuals with specific skills and career knowledge related to a potential field of service and work.

UNDERSTANDING AMERICA’S HERITAGE. The goal of understanding America’s heritage and an awareness of its distinctive opportunities and responsibilities in the world community is accomplished in several ways. These include participation in campus governance through the ASG, the sponsoring of political clubs on campus, a Multicultural emphasis each year and an Americana section in Mabee Library and Learning Resource Center. General education courses seek to address the uniqueness of America’s position in the world and to challenge students to develop an appreciation of both Western and non-western cultural aspects of the human family.

EDUCATION AT MIDAMERICA NAZARENE UNIVERSITY

The educational experience at MidAmerica Nazarene University is based on certain desired outcomes and consists of several components, including a Freshman Seminar, a program of general education, a comprehensive field of in-depth study, and an optional minor. By these means the University seeks to achieve its educational mission of developing maturing individuals who are liberal arts- and career-educated persons who possess a commitment to service in a Christian, holiness lifestyle.

FRESHMAN SEMINAR. This one semester one-hour course provides students with an introduction to the traditions of MidAmerica Nazarene University as well as adjustment to the challenges of the higher educational experience and is required of all first-time freshmen or students with less than 24 hours. Freshman Seminar concentrates on essential study skills, time management, the value of liberal arts learning, setting goals, and other activities designed to enhance the student’s transition to and success in college.

GENERAL EDUCATION. The general education program at MidAmerica Nazarene University exposes students to certain facts, ideas, and values in an attempt to awaken them to their potential and to assist them to develop ways of recognizing and expressing truth through the academic disciplines. It is the aim of general education to broaden students’ understanding of revelation, creation, and culture; to develop their abilities to think clearly and creatively; and to articulate a Christian philosophy of life and vocation.

THE COMPREHENSIVE FIELD OF STUDY. A major provides a program of study that enables students to investigate a subject area in considerable depth. The structure of the major is a reflection of the logic of the discipline it represents. Some majors call for study in special topic areas, while others require an internship experience. Although students need not declare a major when entering college, this decision should be made prior to entering the junior year.

Requirements for the various approved majors are listed in the Catalog, and students must satisfy the requirements of at least one major for graduation. Students desiring a double major must consult with both areas involved to determine specific requirements.
The residency requirement for the academic major is no less than fifteen hours in the discipline of the major, except where other institutional agreements exist.

**OPTIONAL MINOR.** The University encourages students to select related minors or secondary interest areas as a part of their comprehensive study plan. While minors are optional, students may have a minor recorded on the transcript of record by completing a prescribed number of hours in a particular field.

**STATEMENT OF BELIEF**

We believe in the Lord God Almighty, the Creator, and that in Him is perfect love, forgiveness and justice. Jesus Christ is His Son and in coming to earth provided for salvation and demonstrated the qualities of moral perfection for all humanity. The Holy Spirit reveals the truth of Christ’s redemptive work, leads and directs in all our patterns of living, purifies our hearts, and empowers us for service.

Individuals are of infinite worth because they are creations of God. They are integrated and complex spiritual, physiological, psychological, and social beings. Their highest sense of achievement and satisfaction arises from a personal relationship to God and a comprehensive stewardship of life.

The Bible is God’s inspired Word and provides the final authority for instruction and guidance in Christian living. Christ taught us to love God and love our neighbor as ourselves. Our concept of service to God and humanity is based on this belief. We further believe in the doctrine of entire sanctification and the dynamic life of perfect love as reflected in Wesleyan theology.

We believe Christian education provides a foundation for leadership based on a sound philosophy of life, a personal relationship with God and responsible citizenship. We accept the importance of personal inspiration in the educative process and believe that models based on Christ as the master teacher are important in Christian education.

The goals and objectives of education at MidAmerica Nazarene University are designed to harmonize with this statement of belief.

**FACILITIES**

Osborne Hall houses the Department of Science and Mathematics while Lunn Hall houses administrative offices. Residence halls include Stockton-Rice and Spindle Hall for women and Snowbarger-Lanpher and Uphaus Hall for men. Off-campus apartments adjacent to the campus for upperclassmen are in Colony West. Apartments for upperclassmen on campus are located in Draper Hall and Ramsey Hall.

The new Bell Cultural Events Center houses a performing arts hall, black box theatre, vocal and instrumental music facilities, the Department of Fine and Performing Arts and the Theatre program. Dobson Hall contains an art studio, graphic design computer lab, classrooms and the Office of Marketing and Communications.

Cook Center houses a basketball/volleyball arena, two practice gyms, the Department of Nursing, the Department of Health and Exercise Science, and several classrooms. It is the largest facility on campus. A sports complex includes a field house and football stadium, softball field, baseball field, tennis courts, and track.

Smith Hall houses the Departments of Humanities, and Theology and Mission, as well as classrooms and the campus radio and television studios. Metz Hall houses the Departments of Behavioral Sciences, Business Administration, Teacher Education, Graduate Studies in
Counselor Education, Graduate Studies in Education, and the area of Computer Science. A computer lab is an integral part of the facility.

The Mur-Len Building is adjacent to the southeast corner of the campus and houses the Play Therapy program. Innovative Adult Education, Graduate Studies in Management, Graduate Studies in Nursing, and the RN-BSN program are housed in the Eby Building located across the street from the northeast corner of the campus.

Mabee Library is located on the south end of the Campus Green and holds a range of learning resources for undergraduate, graduate, and professional development programs. Weatherby Chapel offers a quiet setting for prayer and meditation.

Campus Center houses the cafeteria and kitchen facilities. The east end of the building contains the MNU Bookstore, post office and student mail boxes, campus safety, and the offices of Community Formation, Financial Aid, Admissions, and Enrollment Development.

EDUCATIONAL RESOURCES

The University provides its constituency with various educational resources to enhance the learning experience.

THE MIDAMERICA LEARNING COMMONS

The MidAmerica Learning Commons seeks to provide creative and innovative services to enhance learning and scholarship of faculty and students. The Learning Commons houses the following services:

- **Mabee Library**: Mabee Library provides access to a variety of resources and services that support the cultural, curricular, and recreational information needs of the MidAmerica Nazarene University community. The online catalog system, Polaris, provides access to items held by Mabee Library. A number of research databases supporting a variety of disciplines, including athletics, business, education, literature, music, nursing, psychology, and religion may be accessed through the library. Mabee Library participates in the interlibrary loan program with other Kansas libraries as well as libraries from across the United States. The librarians are available for reference and research assistance.

- **Kresge Academic Support Center**: The Kresge Center is an in-center and out-reach academic support unit offering a range of services commensurate with student and faculty needs. Staff provide training in study and developmental skills, as well as tutoring and instruction in reading, writing, and mathematics.

- **Mabee Computer Lab**: The Mabee Computer Lab is open to university students, faculty, staff, and the community as a technological resource for learning, research, and teaching. Staff is available to assist patrons at any level of computer literacy.

- **Center for Professional Excellence**: The Center for Professional Excellence exists to provide staff, student and professional development in the area of strengths and leadership; it also offers career counseling and preparedness as well as curriculum specific to helping the freshmen adjust to life at MNU.

- **Teacher Education Resource Center**: The Teacher Education Resource Center serves to support the students in the Teacher Education program through the provision of curriculum samples and a collection of children’s literature.
**Marge Smith and Vennard College Archives.**
The Marge Smith Archives is the official archival repository for MidAmerica Nazarene University. The archives were founded under the guidance and direction of Marge Smith, the wife of the first president of the University. The Marge Smith Archives houses all of the documents related to the organization and founding of the University following the 1964 General Assembly of the Church of the Nazarene, and continues to document administration, faculty and student life.

The Vennard College Archives is housed in the Marge Smith Archives. The Vennard College Archives is the repository for documents, and materials related to the founding of Vennard College and its predecessor institutions (Central Holiness University, Epworth Institute, Chicago Evangelistic Institute, Fletcher College, Kletzing College) from the early 1900s until its closing in November 2008.

**SULLIVAN CENTER FOR INNOVATIVE MINISTRY**
The Sullivan Center for Innovative Ministry is an umbrella organization, bringing together the varied resources of MidAmerica Nazarene University and the local church community to serve the lifelong learning needs of ministers and congregations. SCIM offers campus and online learning experiences for continuing education credit, as well as access to technological services and resources to pastors and districts. SCIM also provides church-based learning experiences for congregations through partnership with MNU faculty and staff. Updates of learning resources available are found at the website, http://www.mnu.edu/church-relations.html.

**SPECIAL NEEDS ACCOMMODATION**
An enrolled student who wishes to make MidAmerica aware of any accommodation concerns should notify the Disability Support Service Provider in the Kresge Academic Support Center at (913) 971-3387. Any information provided is strictly voluntary and will be kept confidential. The information would be used for the student’s immediate benefit. Section 504:104.42, C1, C2, B4. The ADA Compliance Officer on campus is Dr. Mark Ford (913-971-3573).

**EDUCATIONAL RIGHTS AND PRIVACY**
The Family Educational Rights and Privacy Act (FERPA) of 1974 (also known as the Buckley Amendment) guarantees each student the right to know what information the University maintains about individual students and the right to ensure the accuracy of that information. Students also have the right to know who has access to files of information and for what purposes as well as to control to a significant extent the distribution of that information outside the institution. MidAmerica Nazarene University complies fully with this law.

Directory information is data about a student which can be released without prior consent. MNU designates the following items as Directory Information: Name; address; email address; telephone number; hometown, parents or guardians, date and place of birth; major field of study; participation in officially recognized activities and sports; points earned in competition in activities and sports; weight and height of members of athletic teams; dates of attendance; degrees and awards received; most recent previous educational institution attended by student; photograph; classification; and, enrollment status (undergraduate or graduate; full-time or part-time)."
Unless the University has been notified by the student that directory information about himself is not to be released, MNU is free to release such information at its discretion and without further permission. Students who do not wish to permit the distribution of such information shall complete and sign a form to that effect during the registration period each semester. Students may request that all or part of the information not be released. If a student makes such a request, MNU will not release any of the directory information.

The University Registrar serves as the institutional FERPA Compliance Officer.

**ADDITIONAL INFORMATION**

**CLERY DISCLOSURE.** MidAmerica Nazarene University complies with the federal statute known as The Jeanne Clery Disclosure of Campus Security Policy and Campus Crimes Statistics Act. Students, prospective students, employees, and prospective employees may request a copy of the most recent Campus Security Report from the office of the MidAmerica Nazarene University Campus Safety Department located in the Campus Center or by calling (913) 971-3299. The Campus Security Report is also available at www.mnu.edu/campus_police/info.

**NOTICE OF NON-DISCRIMINATION.** MidAmerica Nazarene University policy prohibits discrimination on the basis of race, gender, age, color, creed, national or ethnic origin, marital status, or disability in the recruitment and admission of students and in the operation of all university programs, activities, and services. Any concerns regarding discrimination on the basis of gender or disability should be addressed to Dr. Mark Ford, university coordinator of Section 504 of the Rehabilitation Act of 1973 and Title IX of the Education Amendments of 1972, in the Academic Offices in Metz Hall, (913) 971-3573.

**FINANCIAL INFORMATION.** Audits and 990 Financial Reports are available upon request at the Business Office in Lunn Hall.

Admissions

MISSION STATEMENT
The Undergraduate Admissions Office is committed to providing accurate and current information to the diverse population of prospective students and their parents regarding the University’s Christian mission, majors, programs, costs and admissions process. The Admissions Office is committed to quality customer service and providing information to prospective students in an efficient, caring, timely and confidential manner.

ADMISSION PROCEDURES
MidAmerica Nazarene University values moral character and personal integrity in addition to intellectual ability and academic achievement, and seeks students who also value these characteristics and who are in harmony with the University’s mission as a distinctively Christian liberal arts institution of the Church of the Nazarene.

MidAmerica is selective in its admission, with enrollment being contingent on the student’s ability to meet the academic standards and moral principles of the University. Prospective students who do not meet these standards and principles will be denied admission. In order to be considered for admission, the prospective student must submit an Application for Admission and supporting documentation by August 1 for the Fall semester and December 15 for the Spring semester. Applicants for admission should be aware of the desirability of applying early since priority is given to early applicants in such matters as campus housing, scholarships, certain loans and grants.

Applicants are reminded that admission to the University does not in itself assure the student of housing, financial aid, or other necessary arrangements incidental to attending the University.

REQUIREMENTS FOR ADMISSION
It is expected that prospective students would possess the minimum preparation which would include graduation from an accredited high school having completed at least 15 units of study. While the University does not require specific subjects for entrance, it does recommend the following optimum preparation:

<table>
<thead>
<tr>
<th>Subject</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>Math</td>
<td>3 units</td>
</tr>
<tr>
<td>English</td>
<td>4 units</td>
</tr>
<tr>
<td>Science</td>
<td>3 units</td>
</tr>
<tr>
<td>Social Studies</td>
<td>3 units</td>
</tr>
<tr>
<td>Foreign Language</td>
<td>1 unit</td>
</tr>
</tbody>
</table>

In addition, students are advised to participate in a college preparatory curriculum.

Students entering MidAmerica Nazarene University must take the ACT or SAT examination. The examination should, whenever possible, be taken during the student’s junior or senior year of high school. High school students expecting to enroll at MidAmerica should ask their principal or counselor about taking the ACT or SAT examination. High school graduates who
do not have scores on file in the Admissions Office, but meet all of the other conditions for admission, must take the ACT test immediately after arriving on campus. A student will not be able to enroll for classes until the ACT or SAT examination has been taken and the University has received a report of the scores. A fee is charged when the test is administered by the University. (Only the ACT test is given on campus.) MNU’s ACT code number is 1445. MNU’s SAT code number is 6437.

FRESHMAN

High school seniors with ACT sub scores of 19, SAT verbal score of 470, SAT math score of 460, and who have submitted a minimum of a 6th semester transcript and their official application may be admitted in good standing.

Students with an ACT score of 11 or below in English (SAT Verbal of 300 or below), Reading or Mathematics (SAT Math of 260 or below) or an ACT composite of 11 or below (SAT Combined of 550 or below) will be required to meet the minimum ACT entrance requirements as stated below prior to being provisionally admitted into MidAmerica’s Developmental Program. A suggested course of action would be to successfully complete a Remedial Program at another college prior to retaking the ACT.

Provisional Acceptance: High school seniors who fall short of the criteria to be accepted in good standing but have scores above the remedial level (as outlined above) may be admitted to our Developmental Programs. High school seniors with ACT sub scores below 19 must complete the required developmental courses (with a C- or better) plus specified General Core courses by the end of their first academic semester, and have obtained a GPA consistent with Good Academic Standing. If they fail to accomplish this standard they will be placed on Academic Probation until these requirements are met. Additionally, Provisionally Accepted Students with ACT composite scores below 15 or SAT combined Verbal and Mathematics scores below 680, are ineligible to participate in co-curricular activities, unless approved by the Undergraduate Associate Academic Dean. These developmental courses are designed to help the student develop strengths in one or more of these specific academic areas. Students accepted provisionally are provided specialized counseling from the Kresge Center staff and are limited to a 13 semester hour course load until they pass the required course(s). Refer to the Developmental Education Program information and the Freshman Studies course sections of this catalog for complete descriptions of the required developmental courses.

Provisional status may be removed in the following manner:

1. Retake the ACT or SAT test and score at levels which meet requirements for good standing; or
2. Take the Compass Exams which are given on campus in the Kresge Center and score high enough to have qualifications removed.

If the developmental courses have been or are being taken at another college, these courses must be evaluated by the Kresge Center personnel to see if requirements have been met.

In summary, each freshman is admitted in one of two categories:

1. Good standing (ACT sub scores of 19, SAT verbal score of 470, and SAT math score of 460).
2. Provisional standing (ACT sub score of 12-18, SAT verbal score of 310-460, or SAT math score of 270-450 and above the remedial level).
NON-HIGH SCHOOL GRADUATE

Prospective students who have not finished high school and are over eighteen (18) years of age can be admitted provisionally by taking the General Education Development (GED) examination which gives the equivalent of high school completion. In addition, the ACT or SAT is required. Based on the results of the ACT or SAT, the University may require students to take developmental classes in order to strengthen deficient areas. A non-high school graduate remains on a provisional status until he/she meets the requirements listed above and has a successful semester earning at least a 2.0 grade point average.

TRANSFER STUDENT

Students from regionally accredited colleges and universities are welcome to apply as transfer students. Transfer students are defined as students who have earned 12 or more semester hours of credit. A student graduating from high school and coming to MidAmerica Nazarene University the following semester will be considered as an entering freshman regardless of the number of hours of college credit he/she accumulated during high school.

A student is accepted in good standing if he/she has from 1-23 hours and a GPA of 1.50 or better, provided ACT/SAT scores are acceptable. Transfer students are accepted in good standing if they have 24-55 semester credit hours and a cumulative GPA of 1.75 or better and meet ACT/SAT area score requirements. Transfer students who have 24 or more hours and a GPA of 2.00 or better are accepted in good standing.

In order to receive a degree from MNU, transfer students must take at least one year’s work in residence (30 semester credit hours). Transfer credit may be applied to general education requirements and those of specific majors and minors, subject to the approval of the responsible department. Courses in vocational-technical areas are not considered for transfer credit. Students on either academic or disciplinary probation are accepted provisionally. MNU may accept previous work, place a credit value on it, and enter it on the transcript. However, this previous work, because of its nature and not its inherent quality, may be determined to have no applicability to a specific degree to be pursued by the student.

SPECIAL STUDENT

A student may be accepted as a special student under the following conditions:

1. The student makes application and pays application fees;
2. The student declares in writing that he/she does not wish to work toward a degree at MNU, does not wish to be considered as either a student in good standing or a student accepted provisionally;
3. Only wishes to take one or more courses for personal enrichment apart from any degree program; and
4. The student may register for courses on a space-available basis after Registration Day.

EARLY ADMISSION

Early admission of senior and second semester junior students attending high school concurrently is possible, provided all of the following conditions are met:
1. They are second semester juniors or in their senior year;
2. They have a 3.4 or better GPA;
3. They have permission of their high school counselor and MNU’s Vice President for Enrollment Development;
4. They make regular Application for Admission to MNU;
5. They take no more than six (6) hours per semester; and
6. The student may register for courses on a space-available basis after Registration Day.

ADMISSION PROCESS

A $200.00 admission deposit is required of all students prior to pre-registration. The admission deposit is refundable if the student notifies the Office of Admissions in writing of his/her non-attendance before May 1 for the Fall semester (unless contingent upon a First Choice Scholarship) and January 1 for the Spring semester. Failure to notify the Office of Admissions in writing will cause the prospective student to lose his/her deposits.

A medical questionnaire, as well as appropriate immunizations, is required by the Student Health Office prior to enrollment in any classes.

Freshman -- Prior to enrollment, a student must complete the admissions process by submitting all of the following:
1. A formal Application for Admission, a $25.00 application fee (non-refundable), and admission deposit.
2. Results of the American College Testing (ACT) examination or Scholastic Aptitude Test (SAT).
3. A final, official high school transcript showing the date of graduation, rank in class or its equivalent, and grade point average.
4. Submission of the Housing Questionnaire, and Health History form as provided by the Office of Admissions.
5. Submit a completed Student Aid Profile form (prior to January 1) - optional.

Transfer -- Prior to enrollment, a student must complete the admission process by submitting all of the following:
1. A formal Application for Admission, a $25.00 application fee (non-refundable), and admission deposit.
2. Results of the American College Testing (ACT) examination or Scholastic Aptitude Test (SAT), unless he/she has 24 or more semester credit hours of college work accepted by MNU. All education majors are required to have ACT or SAT mathematics results on file.
3. An official college transcript of all college or university work from each college attended.
4. Submission of the Housing Questionnaire, and Health History form as provided by the Office of Admissions.
5. Submit a completed Student Aid Profile form (prior to January 1) - optional.

Graduate -- See the Graduate Catalog for graduate studies.
READMISSION PROCESS

Readmission applies to any student who has completed at least one (1) hour of credit at MNU and has missed one (1) semester or more. There is no fee for readmission.

Procedure:

2. If the student was on academic probation, consult the Associate Academic Dean.
3. Apply for financial aid with Student Financial Services.
4. If the student has attended another institution since leaving MNU, request an official transcript for each institution to be sent to the Office of Admissions (if seeking degree from MNU).
5. Contact the Registrar’s Office concerning registration for classes. If a student applied to MNU and was accepted but never attended, he/she must reactivate his/her application through the Office of Admissions.

INTERNATIONAL STUDENTS

MidAmerica Nazarene University welcomes International Students. Upon request, students seeking admission into MNU programs will be sent an International Student Admissions Packet. Application for Admission to the traditional undergraduate programs must be submitted at least 90 days prior to the beginning of the semester (by May 15 for Fall Semester and by September 15 for Spring Semester). International Transfer Students from other colleges or universities in the United States must submit an application 30 days prior to the beginning of each semester. Students seeking admission to other academic programs offered at MidAmerica Nazarene University must follow the time procedures set up by those programs. When all admission requirements have been met, the MNU International Student Advisor will issue the prospective International Student an I-20 document required by INS for F-1 visa status.

For students seeking admission to the traditional undergraduate programs, the following must be submitted and received:

1. A completed Application for Admission – sent 90 days before the beginning of the semester
2. Required Fees:
   • A nonrefundable $25 Application Fee
   • A refundable Registration Deposit of $19,000
   • Single International Students who are younger than 22 years of age and not able to live with near relatives or other families who provide all or a significant part of room and board are required to live on-campus.
3. A minimum official TOEFL paper-based score of 550, or minimum computer-based score of 214, or internet based TOEFL score minimum of 81 (MidAmerica's TOEFL code number is 6437.)
4. For the International Student from a world area whose first official language is English, an official ACT or SAT score which meets the same requirements for admission as domestic students. If the ACT/SAT scores qualify for only provisional acceptance, TOEFL is also required.
5. An original, notarized Affidavit of Support and required supporting documentation of evidence of ability to pay school bills in accordance with policy

6. An appropriately completed and signed International Student Financial Summary (Estimated Cost Total per year: $27,000)

7. The completed Student Health History Form with required immunizations verified by a family physician or by a certified health official

8. Original transcripts and records (sent directly from the institution), documenting all completed secondary and university academic work

9. An appropriately completed recommendation from an institutional official, pastor, or comparable person

International Students may apply to the other academic programs at MNU: Bachelor of Arts in Management and Human Relations, Master of Arts in Counseling, Master of Business Administration, Master of Education, and Master of Nursing. The application process varies with each program. All International Students who wish to study at MNU must work with the MNU International Student Advisor who is also the Designated School Official (DSO) for Immigration and Naturalization Services (INS) at MNU, in order to receive the required I-20 document and to insure that proper INS guidelines are followed for academic study in the United States.

INTERNATIONAL TRANSCRIPT EVALUATION

For prospective International Transfer Students from colleges and universities in world areas other than the United States, an official evaluation of transcripts by an approved international transcript evaluation service must be requested and sent to the MNU International Student office, before academic courses may be considered for transfer credit. This is the International Transfer Student’s responsibility.

The following is a list of approved Evaluation Services. In order to grant credit, the student should have a course-by-course evaluation done.

STUDENT RESPONSIBILITY
The administration and faculty of MidAmerica Nazarene University attempt to outline clearly and advise consistently concerning requirements for graduation and the student’s progress in meeting these requirements. Part of the student’s personal development, however, is the recognition and acceptance of responsibility in meeting all graduation requirements. The student is expected to take the initiative and to follow through in the completion of all requirements and details of his/her academic program.

CLASSIFICATION OF STUDENTS
Each student’s academic classification is determined at the beginning of the fall and spring semesters. Although a normal course load is 15-16 semester hours, one is considered a full-time student when enrolled for twelve or more hours. Twelve semester hours is considered a full-time load in order to qualify for federal financial aid and veterans’ benefits. The following classifications are used for full-time and part-time students:

- Freshmen: Students meeting admission requirements with less than 24 semester hours
- Sophomores: Students earning at least 24 semester hours
- Juniors: Students earning at least 56 semester hours
- Seniors: Students earning at least 88 semester hours
- Part-Time: Students taking less than 12 semester hours are considered part-time students

ACADEMIC LOAD
Credits earned at MidAmerica Nazarene University are granted by the semester hour. Fifteen to sixteen semester hours constitute an average load. The maximum load is 18 hours. However, students above the freshman level with a cumulative grade point average of 3.0 or above may enroll for more than 18 semester hours with the consent of their advisor and approval of the Registrar.

A maximum twelve-hour load is recommended for students working more than twenty-five hours per week.

THE MAJOR
A major provides a program of study that enables the student to investigate a subject area to considerable depth. The structure of a major is a reflection of the logic of the discipline it represents. Although a student need not declare a major when entering college, this decision should be made prior to entering the junior year.

Although no minor is required, a student may have a minor recorded on the transcript by completing a prescribed number of hours in a particular field. The minimum requirements for...
each major and minor in each discipline are listed in this Catalog and the student must satisfy the requirements of at least one major for graduation. An application for the minor must be submitted before a minor will be posted to the student's transcript.

Students desiring a double major must consult with both academic areas involved to determine specific requirements. All requirements for each major including senior comprehensive exams must be met while earning a degree and prior to the conferral date of that degree. The residency requirement for the academic major is no less than fifteen hours in the discipline of the major, except where other institutional agreements exist.

If, after graduation with a given degree, a student wishes to earn a second baccalaureate degree from MidAmerica Nazarene University, he/she must satisfactorily complete all requirements for an additional major and complete a minimum of thirty semester hours in residence. Further, to complete any major in a degree program, the student must fulfill all requirements for that major and that degree program.

GRADING SYSTEM

The academic work of the student is graded in accordance with the system listed below.

A grade of “F” indicates failure and necessitates a satisfactory repetition of the course before credit can be allowed. “P” or “NC” is used when a student is permitted to take a course on a pass/no-credit basis. “NC” necessitates repetition of the course. “P” and “NC” are used for Freshman Seminar, for Student Teaching Courses and some internships. A grade of “W” is recorded when a student has withdrawn within ten (10) weeks of the first day of classes during fall and spring semesters.

A grade of “INC” indicates incomplete work. It is not given except to indicate that some part of the work, for good reason, has not been done, while the rest has been completed satisfactorily. The grade of “INC” must be submitted with a justification of the “INC,” an explanation of the work to be completed, a deadline to complete the work not to exceed six
months, the alternate grade to be recorded if the work is not completed within the time allotted, and the signatures of the student, instructor and the department chairman. The grade of “INC” must be removed within the time specified by the instructor which cannot exceed six months from the last day of the final examination period. If no other grade has been assigned by the professor, the “INC” will be changed automatically to the alternate grade at the time specified by the instructor.

The grade point average of a student is determined by dividing the total number of grade points earned in any semester by the total number of semester hours attempted in the academic load, excluding neutral credits.

**SPECIAL ACADEMIC FEATURES**

**ALPHA CHI HONOR SOCIETY**

Alpha Chi is a national scholarship recognition society with some three hundred (300) chapters nationally. Being selected for membership in Alpha Chi is the greatest academic honor that MidAmerica Nazarene University can give to a student. Besides the honor of being a member and the privileges of indicating membership on a resume and other documents, being in Alpha Chi makes one who is employed by the federal government eligible for an automatic step increase in position and salary. To be eligible for membership in Alpha Chi, a student must rank in the top 10 percent of the junior or senior class. In case of transfer students, at least 24 hours must have been completed at MidAmerica Nazarene University.

**PRESIDENT’S LIST, DEAN’S LIST, AND HONOR ROLL**

All students in traditional programs carrying 12 semester hours or more with a term GPA from 3.2 to 4.0 may qualify for one of these academic honors. Neutral credit hours are excluded from the calculation and reduce the course load used to figure the honor. The President’s List is a 4.0 grade point average for the semester; Dean’s List ranges from 3.5 to 3.99; and the honor roll is 3.2 to 3.49. The lists are posted in Lunn Hall after the Fall semester and Spring semester.

**GRADUATION HONORS**

Summa Cum Laude is granted to graduating seniors with a cumulative grade-point average of at least 3.90, Magna Cum Laude to those with a 3.70 to 3.89, and Cum Laude to students who have earned a cumulative grade-point average of 3.50 to 3.69 through the penultimate semester of their college career. To be eligible for this honor, the student must apply for graduation by the published deadline.

MidAmerica Nazarene University’s Iota chapter is a member of the Nazarene National Honor Society, Phi Delta Lambda, in which students graduating with honors are eligible for membership by election of the faculty.

The American Heritage Award is the highest non-academic award given to a graduating senior. The award, made by faculty election, is based upon campus citizenship, spiritual vitality, and all-around contribution to the University. To be considered for this honor, students must complete a minimum of 85 semester hours at MidAmerica Nazarene University by the final semester of their year of graduation.

**ADVANCED STANDING**

The University grants a maximum of 34 hours in all Advanced Standing programs. Credit granted by other institutions for any advanced placement will not be considered for transfer. Scores or documentation of credit should be submitted for evaluation and applicable fees. Advanced Standing credit is only granted to degree seeking students.
THE COLLEGE LEVEL EXAMINATION PROGRAM (CLEP) may be used to establish credit and advanced standing. The University advises first-time freshmen ranking 24 and above in ACT sub-score areas to consider taking the CLEP tests. Credit will be granted based on ACE recommended standards. Credit validated by use of the CLEP does not apply toward a major or minor unless so specified by that department. In all cases, full academic credit for such work will not be granted until the student has successfully completed (2.0 GPA) at least one semester of work at MidAmerica Nazarene University. Waiver of some required courses will allow more electives for the student who has done superior work in high school. The CLEP tests can be used to substitute for some equivalent courses at MidAmerica. There is a fee of $50 per semester hour for placing CLEP credits on the college transcript. CLEP credit must be validated by official scores and transcripted by MidAmerica. CLEP credit is not transferable from other colleges. Scores should be submitted for evaluation and applicable fees. The following are the CLEP tests that can be accepted for general core.

Language tests receive up to 16 hours credit according to score attained. A full listing of CLEP tests is maintained in the Kresge Academic Support Center.

CLEP tests and the ACT-Proficiency Examination Program (PEP) may be taken for credit toward a degree at MidAmerica. Credits earned through CLEP, ACT-PEP, Advanced Placement (AP), the American Council on Education (ACE) or credits granted for military experience do not satisfy residency requirements.

ADVA CED PLACEME T. High School students who have participated in the Advanced Placement Program, sponsored by the College Entrance Examination Board will receive college credit if they earn a score of 3, 4 or 5. MidAmerica’s CEEB Code Number is 6437. High school students wishing to take courses at the University while completing their high school work must meet the early admission requirements on page 13 of this Catalog.

Regardless of how many semester hours of college credit a high school student earns, Freshman Seminar will still be required upon being accepted as a student at MNU.

International Baccalaureate Degree (IB) Higher level courses will be honored by MNU for Advanced Placement Credit for scores of 5, 6, or 7. Each Department in cooperation with the areas in each Department will decide how much credit is to be given and which MNU courses are equivalent.

No credit may be given for non-diploma Standard level courses unless acted upon by the Department and the area within the Department that is responsible.

Advanced Placement Credit may be earned for up to and including 34 semester hours of course work. IB credit will be counted within these 34 semester hours, not in addition to them.

Prior-Learning Assessment. MidAmerica Nazarene University recognizes that college-level learning occurs in environments in and beyond the classroom. The University follows the guidelines established by the American Council on Education (ACE) and may award a maximum of 34 hours for validated prior learning. Credit is validated through review by faculty in the subject area, applying national standards established by ACE. Prior-learning credit may include credit for military training, credit by examination (including CLEP and similar examinations programs approved by ACE), credit for business, professional, labor, government, and voluntary organizations’ courses if recommended by ACE, and evaluation of portfolio credentials. For further information about prior-learning assessment, contact the Office of the Registrar.

Military Credit Policy. Credit for military training and experience is based on the American Council on Education (ACE) recommendations. In order to award credit for basic training, the DD-214 should be presented to the appropriate office. If the DD-214 is unavailable, other documentation of completion of basic training can be presented and the Registrar, in consultation with the Admissions Office of each program, will determine if the documentation is sufficient to award credit. All other military credit will be granted based on an AARTS, SMART, College of the Air Force, or Coast Guard Institute transcript. No advanced placement fee will be charged for credit awarded from basic training as listed following this paragraph. The student must request an official transcript to be sent directly to MidAmerica Nazarene University. Credit awarded for basic training meets the physical education requirement in MNU’s general education program.
Information about ACE recommended credit for military training can also be found at http://www.acenet.edu/calec/military/

ROTC PROGRAMS. Students enrolled at MidAmerica Nazarene University may be enrolled in the Army, or Air Force Reserve Officer’s Training Corps (ROTC) at the University of Kansas, if they meet eligibility requirements for admission to the ROTC program. This agreement enables students to remain at MNU while obtaining college funding and attending ROTC-specific courses at KU. For additional information contact: Air Force ROTC, Detachment 280, Military Science Bldg, 1520 Summerfield Hall Drive, Room 109, Lawrence KS 66045-7605, (785)864-4676, www.ku.edu/~afrotc; Army ROTC, 203 Military Science Building, Lawrence, KS 66045, (785)864-3311.

TRANSFER CREDIT

MU Students: Students, once they have matriculated at MNU, can request that a degree requirement be scheduled for completion at another institution (within residency requirements). A student who desires to have academic work transferred from another institution will be considered a transient student and must have the work approved in advance by the area coordinator and department chair, the student’s advisor, and the Registrar at MNU. It is the responsibility of the student to ensure that an official transcript from the other institution is forwarded to the Registrar at MNU within six weeks after completion of the course.

If a matriculated student sits out at least one regular (fall or spring) semester, that student must be readmitted to the University under the Readmission Process. If academic work was completed at another institution, the student will be considered a transfer student and the policy for transfer students will apply to their academic work.

Transient Student Guidelines

1. Complete the Transient Student Request Form (Registrar’s or mnu.edu/registrar) and obtain appropriate approvals prior to registering in the course.
2. A copy of the course description from the college catalog must accompany the Transient Student Request form. A syllabus is also suggested for inclusion with the request. If a syllabus is not available before approval is received, the syllabus from the course must be submitted to the Registrar’s Office as soon as available to the student. MNU retains the right to reverse the transfer decision based on contents of the syllabus, if the syllabus is not submitted when the approval is given.

3. The course will be awarded transfer credit if the course is passed and prior permission has been given.

Transfer Students: MNU welcomes transfer students from regionally accredited two- and four-year institutions. Students should be aware that degree requirements vary from institution to institution. If considering a transfer to MNU, the student should examine the academic program requirements early in the college experience to begin making transfer plans in advance. Students with transcripts from outside the United States must have their transcript(s) evaluated by an approved evaluation service (see page 16 for details).

Prior to the beginning of the semester in which the student enrolls, official transcripts for ALL institutions previously attended must be submitted to the MNU Office of Admissions for evaluation. Violation of this requirement will place the student in jeopardy of dismissal.

Evaluations are not made until all official transcripts have been received. At the latest, the official evaluation occurs by the end of the first semester of attendance. All contents of the student’s admission file become the legal property of the University and are not returnable or transferable.

If a matriculated student sits out at least one regular (fall or spring) semester, that student must be readmitted to the University under the Readmission Process. If academic work was completed at another institution, the student will be considered a transfer student and the policy for transfer students will apply to their academic work.

Evaluation Guidelines: The following guidelines are used in evaluating academic work from other institutions for transfer credit:

1. Transfer courses are accepted from two- and four-year institutions accredited by a regional association.

2. To be accepted for credit, each course must be judged comparable in terms of content and quality to a course in the curriculum at MNU or it must be judged to be consistent with the liberal arts and science curriculum and of a quality comparable to that expected of courses at MNU.

3. All course work taken at other institutions for which MNU receives a transcript will be evaluated for transfer credit, and if acceptable, will be posted to the student’s record.

4. MNU does not award credit for courses deemed to have a significantly vocational slant; personal orientation or learning skills; or courses which it deems to be developmental or remedial.

5. Grades are transferred along with courses and count in the cumulative GPA.

6. Courses taken at institutions operating under a system other than semester or quarter credits will be accepted according to the conversion formulae provided by those institutions. Quarter credits are converted by dividing by 1.5. Semester credits taken elsewhere transfer to MNU as semester credits, equivalent to MNU semester hours.

7. If the student does not agree with an evaluation decision, the student is responsible to submit a request for review of the decision. An explanation of the requested change, a rationale for the request, a course description from the transfer college and a copy of the syllabus MUST accompany the request for review. A student who desires a review must have the work evaluated by the appropriate area coordinator and department chair, the student’s advisor, and the Registrar at MNU.

8. If the student wants a transfer course to apply towards a specific course requirement in general education or the major, the student must submit a request to the MNU Registrar. The request should include a copy of the course description from the transfer college catalog and a syllabus. The request will be reviewed by the appropriate area coordinator and department chair, the student’s advisor, and the Registrar at MNU.
DIRECTED STUDY

A directed study course is one designed by the Instructor for the needs of a particular student or for use when, because of extreme hardship, a student is unable to take a particular class when offered. A directed study course carries a $50 fee.

Requirements for enrollment in a directed study course:
1. Minimum cumulative GPA of 2.5.
2. Limitation: a maximum of nine (9) semester hours in directed studies may be taken during a four-year Baccalaureate program. This limit does not include internship and travel credit.
3. A directed study course is open only to students who have successfully completed at least thirty (30) semester hours.
4. The student must be enrolled in a degree program at MidAmerica Nazarene University.
5. Registration: Enrollment in a directed study course requires a completed and approved application, a syllabus, and must be submitted during the regular pre-registration or registration period to the Office of the Registrar.

DEVELOPMENTAL EDUCATION

The University offers developmental courses in reading (FRST 1003), writing (FRST 1103), and basic mathematical skills (FRST 0903). Developmental courses in reading, writing, and math are required if ACT sub scores are below 19 (SAT verbal below 470 and Math below 460). Students may test out of the developmental courses if the reading, writing, and math Compass tests are passed. The goal of the Developmental Education Program is to assist and equip students for further academic endeavors. High school graduates with ACT sub scores below 19 (SAT verbal below 470 and Math below 460) must complete the required developmental courses (with a C- or better) plus specified General Core courses by the end of their first academic semester, and have obtained a GPA consistent with Good Academic Standing. If they fail to accomplish this standard they will be placed on Academic Probation until these requirements are met. Additionally, Provisionally Accepted Students with ACT composite scores below 15 or SAT combined Verbal and Mathematical scores below 680, are ineligible to participate in co-curricular activities, unless approved by the Undergraduate Associate Academic Vice President. Developmental education specialists are on staff in the Kresge Academic Support Center located in the Mabee Library and Learning Resource Center.

ENGLISH AS A SECOND LANGUAGE (ESL) FOR INTERNATIONAL STUDENTS

International students who have met admission standards, but whose TOEFL score is less than 550 (paper-based) or 213 (computer-based), are required to take the Placement Exams given in Kresge Academic Support Center at the beginning of each new semester. Students who fail to achieve an adequate passing score on the Placement Exams will be required to enroll in appropriate Developmental Courses (FRST 0903 Fundamentals of Mathematics, FRST 1003 Reading/Study Strategies, and/or FRST 1103 Writing Skills) for the first semester of study. International Students desiring ESL instruction in across-discipline learning may enroll in FRST 1043 English As A Second Language. ENGLISH AS A SECOND LANGUAGE is an elective, non-graduation-course credit option for one semester. Additional learning assistance is available through peer instruction in the Kresge Academic Support Center.
PASS-NO CREDIT OPTION

During their junior and senior years students have the option of taking up to six hours per year on a pass or no-credit basis in courses outside general education and their major area. In this arrangement the student has the option of selecting courses for the purpose of personal enrichment or enjoyment without regard to a formal grade. The option to take a course on this basis must be exercised during the registration period in the Office of the Registrar.

REPEAT OPTION

If a student makes a grade of “C-" or less, he may repeat the course for credit. If a student wishes to repeat a course in which a grade of “C” or better was earned, he may petition the Associate Academic Vice President, Registrar, and the department chair of the course. Only the repeated course and repeated grade will be figured in the cumulative hour totals and grade point average.

A limited number of courses can be taken more than once for credit and are clearly designated throughout the Catalog. An Intent to Repeat form or Repeat Petition should be filed with the Office of the Registrar at the time of course enrollment. Grades of “W” and “INC” are not considered as replacement grades.

OFF-CAMPUS STUDY PROGRAMS

COUNCIL FOR CHRISTIAN COLLEGES AND UNIVERSITIES

Because MidAmerica is a member of the Council for Christian Colleges and Universities (CCCU), a national association of over 100 Christian colleges and universities of the liberal arts and sciences, a number of off-campus learning opportunities are available to you. Additional information on all CCCU programs is available through the Office of the Associate Academic Vice President for Undergraduate Studies in Lunn Hall. Information is also available through the website www.bestsemester.com, where you can apply directly online, and through the Global Studies office in the Campus Center.

The American Studies Program. Students benefit directly from MidAmerica’s involvement in the CCCU through participation in the American Studies Program in Washington. Based on the principle of integrating faith, learning, and living, students are invited to spend time in Washington, D.C., serving as interns, and/or participating in an academic seminar program. Students also live in community with Christians from different geographical regions and denominational backgrounds.

The American Studies Program is designed for juniors and seniors with a wide range of academic majors and vocational interests. Students are involved in the American Studies Program for periods of three or four months. The internship/seminar opportunity is available September through May. Summer internships are also available.

Because of its unique location in the nation’s capital, this Washington “campus” for the CCCU colleges is viewed as one way of challenging students to consider the meaning of proclaiming the Lordship of Jesus Christ in all areas of life, including career choices, public policy issues and personal relationships.

Additional information is available through the History Department in Smith Hall, the Office of the Associate Academic Vice President for Undergraduate Studies in Lunn Hall, and the Global Studies office in the Campus Center.
China Studies Program. The China Studies Program, an interdisciplinary semester program, enables students to view China from the inside, to experience its culture and its diversities. Participants are able to observe the evolution of Chinese socialism in mainland China, its struggles with modernization, economic change and human rights policies, as well as its relationship to religion, and the dynamics of its people. In addition, students confront the misunderstandings that have existed between China and the West from each side of that divide. This happens through formal classes, travel, and meeting and interacting with people who represent various views.

Contemporary Music Center (CMC) on Martha’s Vineyard. This is an opportunity to spend a semester studying, living and working with faculty, music industry experts and other students who share your interest in making and marketing contemporary music. It is a chance to devote some serious time to discovering how God would have one integrate one’s faith and love of music in the marketplace. In addition to core courses investigating the music industry and the intersection of faith and culture, a choice can be made to take the Artist Track or the music Executive Track. Hands-on experience, lectures, seminars, directed study and an intensive field experience are included in this program.

Latin American Studies Program. An opportunity to live and learn in Latin America is available to students from CCCU member colleges through the Latin American Studies Program. Located in San Jose, Costa Rica, the program gives students the opportunity to study the language, culture, politics, history, economics, ecology and religion of the region while living with a Costa Rican family. Students also participate in a service opportunity and travel for two weeks to surrounding countries. Two specialized academic tracks, International Business and Management, and Tropical Sciences and Sustainability, are available to qualified students.

Los Angeles Film Studies Center. In January 1991, the CCCU inaugurated the Los Angeles Film Studies Center. Its purpose is to enable college students to serve in various aspects of the film industry with professional skill and Christian integrity. Located in Burbank near major production studios, the semester-long program combines seminar courses with internships in various segments of the film industry, providing the opportunity to explore the industry within a Christian context and from a liberal arts perspective.

Middle East Studies Program. The Middle East Studies Program (MESP) in Cairo, Egypt, provides students with the opportunity to study Middle Eastern cultures, religions and conflicts from within this diverse and strategic region. Juniors and seniors from Christian colleges participate in interdisciplinary seminar classes, receive Arabic language instruction and serve as interns with various organizations in Cairo. The MESP encourages and equips students to relate to the Muslim world in an informed and constructive manner.

Summer Institute of Journalism. In February 1996, the SIJ was approved by CCCU’s board of directors as an ongoing program, filling a need for intensive, on-site training for journalism students from CCCU campuses. Some elements of this journalism class are unusual. However, its goal is quite simple – to blend classroom experiences with hands-on work in a writing lab. What is unusual is that the classroom and news office are temporary, set up for a small number of selected students, and are located at American journalism’s Ground Zero, Washington, D.C. Students are engaged in seminars and field trips with media personnel and directed by communications professors and professionals in workshop projects for their local papers.

CCCU-Affiliated Program/Oxford Summer School Program. Students at CCCU member colleges and universities are invited to apply for admission to the Oxford University Summer School Program, a multi-disciplinary study of the history and development of the Renaissance and Reformation through examination of the philosophy, art, literature, science, music,
politics and religion of this era. Students have the opportunity to study with faculty of the Centre for Medieval and Renaissance Studies, affiliated with Oxford’s Keble College.

THE INTERNATIONAL BUSINESS INSTITUTE (IBI)
MidAmerica Nazarene University has entered into an agreement with IBI of Messiah College in Grantham, Pennsylvania. IBI is a CCCU-endorsed organization, which provides International Business majors opportunity to participate in a summer program of study in international business and economics. The eleven-week summer program is normally taken following completion of the junior year, and includes periods of residence in key locations as well as coordinated visits to major political, business, and economic centers of Western Europe and the former Soviet Union.

Successful applicants are normally required to have completed at least one full year of economics (macro and micro), and at least one semester each of accounting, marketing and management. Minimum GPA: 2.75/4.0. MNU awards credit for the following four courses (3 hours each for a total of 12 hours credit).

THE BRESEE INSTITUTE PROGRAM
MidAmerica Nazarene University has entered into an agreement with the Bresee Institute, Kansas City, Missouri, making it possible for interested students from a variety of academic majors to participate as interns in urban studies. This internship provides students with a broad understanding of urban life and the challenges of urban ministry.

The Program features a multi-disciplinary approach for considering community development, cross-cultural relations, the urban poor, education, politics and power, social service delivery, gangs, immigration, religion, and Christian lifestyle. Students are only eligible for institutional scholarships when they are attending to complete requirements for the Urban Ministries Concentration in the Ministry or Missions majors.

Several colleges and universities cooperate with the Institute and grant academic credit up to 15 semester hours to qualified juniors. Students are involved in inner-city assignments and appropriate on-site seminars during the fall semester.

Additional information is available through the Department of Religion and Philosophy, the Office of the Associate Academic Vice President for Undergraduate Studies and the Global Studies office in the Campus Center.

NAZARENE INTERNATIONAL LANGUAGE INSTITUTE (NILI)
Study abroad in Ecuador with total immersion in a Spanish language program. Live with Latin American students in the Nazarene Theological Seminary in Quito, Ecuador. Participate in service events, travel to the Galapagos Islands, an active volcano, and the Amazon jungle. For more information: contact globalstudies@mnu.edu, stanleyrhall@gmail.com. On the web: studyinecuador.blogspot.com. Apply through the Global Studies office in the Campus Center.
EUROPEAN NAZARENE COLLEGE SEMESTER ABROAD AND EXCHANGE PROGRAM
Join students from all over Europe in a semester of study at EuNC, MNU’s sister college, in the small German village of Büsingen, situated on the beautiful Rhine river, right in the heart of Europe. Experience a committed learning community and opportunity for travel and exploration. While EuNC offers a B.A. in Religion, semester abroad students are welcomed from all disciplines of study. In addition to religion courses, general education courses are offered in German, history, art and culture — all taught in context, all from a distinctly European perspective. For more information, visit the EuNC Semester Abroad Web site: http://www.eunc.edu/pages/semester-abroad.php. Apply through the Center for Global Studies in the Campus Center. Contact global.studies@mnu.edu.

ROMANIAN STUDIES PROGRAM
Study in Romania for a semester, or for part of the summer in Sighisoara, Transylvania, an historic town from the 13th century. The focus of the RSP is Cross-cultural Service Learning. Students learn to appreciate, adjust to and learn from the new cultural context by living in a Romanian family studying the language and aspects of the history and culture, and working alongside Romanian Christians who are committed to serving needy people and bringing about positive change in their community. Most of the juniors and seniors who participate in the program carry out their service activities within the context of a practicum or internship related to their major, along with Romanian language classes and one or two other general education courses. Website: www.veritas.ro (Click on Romanian Studies). Apply through the Center for Global Studies in the Campus Center. Contact globalstudies@mnu.edu.

NAZARENE THEOLOGICAL COLLEGE, MANCHESTER, ENGLAND
Apply to study at Nazarene Theological College for a semester in religion and humanities courses where academic excellence and professional ministry-skills-training are integrated within a context of broadly Wesleyan-Holiness spirituality. More information at http://www.nazarene.ac.uk. Apply through the Center for Global Studies in the Campus Center. Contact globalstudies@mnu.edu.

FOCUS ON THE FAMILY INSTITUTE
Focus on the Family Institute exists to provide a unique Christian educational community that nurtures passionate and persuasive leaders who are committed to Jesus Christ, equipping them to promote healthy families, vibrant churches and a civil society. The majority of institute students are college juniors, seniors and recent graduates from all disciplines. The program is a semester long with a fall, spring and summer semester. While the Focus on the Family Institute provides a total of 15 semester hours of academic credit in the fall and spring semesters (eight semester hours in the summer semester), it is not an independently accredited program. Students are allowed to receive academic credit here for course work completed at the Institute. The Focus on the Family Institute is located in Colorado Springs, Colorado. For information their website is www.focusinstitute.org. Students are not eligible for institutional scholarships when attending through off-campus study programs.
ACADEMIC REGULATIONS

APPLICABLE CATALOG. Students may elect to graduate under the degree program requirements of the Catalog in effect at the time they attain junior classification or any subsequent Catalog provided they graduate within five years of attaining junior classification. After the five years, the student must graduate under the current Catalog. Program additions or deletions required by outside agencies apply as soon as they are appropriated. Degree requirements from more than one Catalog may not be combined. Academic or non-academic regulations other than academic program requirements apply to all students as soon as they are adopted by the University or published in the Catalog.

RESIDENCY. A minimum residency of 30 semester hours taken at MidAmerica is required of all degree candidates. Students must earn at least eighteen of the final thirty hours at MidAmerica. The residency requirement for the academic major is no less than fifteen hours in the discipline of the major, except where other institutional agreements exist.

AUDITING CLASSES.
Undergraduate Audit Policy. Upon payment of the fee, students may enroll at registration to audit a class on a space available basis. Laboratory, clinical, private lessons, and activity courses may not be audited. The person who audits a course is not permitted to take examinations, or to obtain credit for the course except by taking the course later by proper enrollment and meeting all the requirements for credit. Students auditing classes must attend 2/3 of the class sessions before the course is entered on the transcript as an audit.

Graduate and Adult Audit Policy. Upon payment of the fee, students may enroll at registration to audit a course with the approval of the department chairperson and instructor, and on a space available basis.

CLASS ATTENDANCE. Students are expected to attend all class sessions except for serious illness or because of other unavoidable circumstances. They are responsible directly to the instructor to see that course requirements are met. Instructors are responsible to present to students in writing at the beginning of the semester their particular policies regarding attendance. Specific guidelines concerning absences due to involvement in university sponsored activities are available in the office of the Associate Academic Vice President for Undergraduate Studies in Lunn Hall.

Excessive absence may result in reduction of grade, reduction of credit, or both. Excessive absence is defined as six or more absences for a class that meets daily, five absences for a class meeting four times a week, four absences for MWF classes, three absences for a class meeting twice weekly, and two absences for a class meeting once a week. This rule applies to all absences, including those caused by unavoidable circumstances.

CHANGES IN REGISTRATION. Care should be exercised in the choice of courses so that changes will not be necessary after registration has been completed. Any changes made after registration has been completed must be processed officially in the Office of the Registrar. For any change made after the stated deadline, except in cases made necessary by faculty action, a fee is charged.

LATE REGISTRATION. All students are expected to be present and to complete registration within the time allotted for this purpose. A fee is charged students who enroll after the regular registration period. No registrations for regular class work are accepted after the stated deadline.
TRANSCRIPTS. Students are entitled to one official transcript free of charge. A fee is charged for transcripts issued subsequently. Official transcripts are released only if all holds and financial obligations are satisfied and the student has requested the transcript in writing.

WITHDRAWAL FROM COLLEGE
OFFICIAL: Students who find it necessary to withdraw from college before the close of the semester should secure withdrawal forms from the Director of Retention. These forms should be properly and satisfactorily completed, signed, and filed in that office.

UNOFFICIAL: If a student leaves the institution without notification, the institution may administratively withdraw the student from school. An unofficial withdrawal occurs when a student has failed to attend any classes for a consecutive two-week period and, if living on-campus, has moved out of the dorm. Professors and Resident Educators will notify the Registrar if a student is in these circumstances. The Registrar will determine if the student has withdrawn from school and will determine a date of withdrawal related to those circumstances.

No withdrawals, for any reason, will be granted during the final two weeks of classes (not to include finals week) for a semester. A student who leaves the institution during the final two weeks of classes will risk receiving failing grades in all classes for the term.

WITHDRAWAL FROM A COURSE. Students may withdraw from a course with a "W" provided they withdraw within ten (10) weeks from the first day of classes. For seven (7) week courses, the withdrawal must be made within five (5) weeks of the first day of classes. Withdrawal policies during the Summer Session are established by the Office of the Registrar. Students who find it necessary to withdraw from a course must secure withdrawal forms from the Office of the Registrar. These forms must be properly and satisfactorily completed, signed by the academic advisor, and filed in the Office of the Registrar.

ACADEMIC PROBATION AND INELIGIBILITY. For continued enrollment at MidAmerica Nazarene University, the student is required to maintain satisfactory progress toward an educational objective. The University recognizes two measures of progress:

1. The grade point average for the last semester in which the student has been enrolled;
2. The cumulative grade point average for all of the college work that has been attempted by the student.

Any student whose cumulative grade point average at the end of any semester falls below the following minimum standards (including transfer credits) will be placed on probation. Any student whose semester grade point average falls below 1.50 will be placed on probation. This probation level is removed only by earning above a 1.50 in a 12 hour term and maintaining a satisfactory cumulative GPA. The student on probation is ineligible to participate in non-academic university activities and normally is restricted to 12 semester hours during the probationary period.

<table>
<thead>
<tr>

</tr>
<tr>
<td>24-55</td>
<td>1.75</td>
</tr>
<tr>

</tr>
</tbody>
</table>

A student who fails to improve the cumulative average in the first semester of probation, or to bring the cumulative average up to minimum standards after two semesters of probation will be declared scholastically ineligible to continue enrollment at the University. Scholastic ineligibility is recorded on the student’s permanent record. The Associate Academic Dean for Undergraduate Studies reviews semi-annually petitions for reinstatement.
GRADE CHANGES AND GRIEVANCES. Grade changes made for extra credit after the course is completed are inappropriate for the college level. However, there are circumstances within which it may be appropriate to change the grade awarded for a course. Those circumstances are very limited and specific. Instructors may change course grades when consultation with the student convinces the instructor that the submitted grade was not an accurate reflection of the student's mastery of the subject; when, after consultation with the student, the appropriate department chair or program director recommends reconsideration; when, after consultation with the student, the Associate Academic Vice President recommends reconsideration; and when, after consideration of an appeal, an appeals committee recommends reconsideration.

The issues which may be considered by instructors, and others if the student appeals, are also limited and specific. Issues which may be included in reconsideration of a course grade awarded are computational error, procedural issues, application of course rules, fairness in the context of the course, consistency, and communication of standards.

Faculty members should not refuse a student request for recomputation of a course grade or for the rationale behind the grading in a course or on a given piece of work.

Students may appeal a course grade only after attempting to resolve the disputed grade, first by consultation with the faculty member involved and, if necessary, by consultation with the appropriate department chair and School Dean.

If these consultations fail to resolve the problem, the student may file a formal petition with the appropriate Associate Academic Vice President, who will call a meeting of the corresponding academic oversight committee. This committee will appoint a sub-committee to serve as an Appeals Committee for each individual case. The Committee, which consists of two (2) faculty members who are members of the corresponding academic oversight committee and one (1) student, is empowered to summon evidence pertinent to the appeal and to question persons involved. The Appeals Committee guarantees the right of both the student and the faculty member to hear all evidence and receive copies of all written statements submitted as part of the appeal. In appeals of grades involving other than computational or procedural issues, the burden of proof lies with the student filing the appeal to demonstrate that the grade is clearly unfair in the context of the course.

If efforts at mediation of the matter fail after examination of the evidence, the Appeals Committee will vote whether to sustain the grade or recommend to the instructor that a change of grade be made. In arriving at its decision, the Committee should not make judgments regarding the severity of an instructor's rules. The Committee should, however, have the right to make judgments regarding the manner in which an instructor applies his/her rules, taking into consideration such issues as fairness, consistency, and the communication of standards.

All records of the Appeals Committee are kept in the Office of the Associate Academic Vice President. All decisions are final.

ACADEMIC FRESH START GPA (AFSG)
The Academic Fresh Start GPA enables a student returning to MNU for a baccalaureate degree to neutralize, in part, the grade impact of prior academic performance. Academic Fresh Start provides for the computation of an alternative GPA and for use of that GPA in most academic situations. A student may apply only once, and the process cannot be reversed.

A student may choose to begin Academic Fresh Start after the first or second semester of their freshman year at MNU. The opportunity for an Academic Fresh Start GPA applies only to the regular fall or spring semesters of the freshman year at MNU. Course credits earned during the
semesters of the freshman year included in the AFSG computation are forfeited. All courses required for graduation (general core, pre-requisites, and programs or majors) must be repeated. The choice of starting point is designated by the student at the time of applying for AFSG and the student may apply for AFSG anytime after a break in enrollment of at least one regular fall or spring semester from MNU.

AFSG deletes nothing from the student’s academic record. Grades earned before the Academic Fresh Start will remain on the transcript and be prefixed with an “X”. In addition, the transcript will clearly indicate the starting point of the Academic Fresh Start.

Eligibility for AFSG and application instructions:

1. The student has had a break in enrollment of at least one regular fall or spring semester prior to readmission to MNU.
2. At the time of application, the student has earned a cumulative GPA of 2.5 or higher at the end of the academic session in which the twelfth credit was earned for course work completed following re-admission.
3. The student has not previously been granted AFSG.
4. The student submits a written request to the Registrar (form available in the Registrar’s office). In the written request, the student designates the starting point for AFSG and provides an explanation for the request for AFSG.
5. Following verification that the student has met the eligibility requirements, the academic record will be adjusted to reflect AFSG.

GRADUATION CLEARANCE. Each candidate for a degree is responsible for meeting all requirements for graduation and applying for graduation during the penultimate semester of the year of graduation. The faculty advisor approves the courses designed to meet departmental and major programs. The Office of the Registrar reviews all other requirements, including semester-hour totals, upper-division hours, residency, minimum GPA, and general education.

Students desiring a double major must consult with both academic areas involved to determine specific requirements. All requirements for each major including senior comprehensive exams must be met while earning a degree and prior to the conferral date of that degree. The residency requirement for the academic major is no less than fifteen hours in the discipline of the major, except where other institutional agreements exist.

1. All degree requirements for specific programs as listed in the Catalog must be met;
2. All financial obligations must be satisfied in the Business Office;
3. Clearance must be obtained by each prospective graduate by the administrative offices, including the library, the Vice President for Community Formation, and the Office of the Registrar.
4. Honors will be based upon calculations of all grades through the penultimate semester of the year of graduation.
5. Any “incompletes” in courses to be counted toward graduation requirements must be cleared one month prior to graduation.
6. Students who have completed all requirements for graduation and wish to select a December graduation date may do so.
7. Participation in commencement is open to candidates who are completing or have completed all requirements prior to the spring commencement ceremony or who meet the following definition of Summer Graduate. In order to be considered a summer graduate, the student must have met all degree requirements except those
courses to be completed during the summer following Commencement. A maximum of 15 semester hours may be taken in Summer School with the exception of approved programs. Summer graduates who fail to complete their graduation requirements as previously arranged have the option of graduating in December or the following spring.

8. The general education exam and all requirements for each major including the senior comprehensive exams must be met while earning a degree and prior to the conferral date of that degree. The residency requirement for the academic major is no less than fifteen hours in the discipline of the major, except where other institutional agreements exist.

9. If, after graduation with a given degree, a student wishes to earn a second baccalaureate degree from MidAmerica Nazarene University, he/she must satisfactorily complete all requirements for an additional major and complete a minimum of thirty semester hours in residence. Further, to complete any major in a degree program, the student must fulfill all requirements for that major and that degree program.

Students who fail to complete graduation requirements during the expected time must contact the Office of the Registrar as to plans for completion. The conferral date for the degree will change depending on when requirements are completed. If the student waits beyond the applicable catalog policy to complete requirements, the student must meet the requirements for graduation in the current catalog.

SUMMER SESSION. Summer school, under the direction of the Vice President for Academic Affairs, includes one-week and four-week courses.

1. Financial charges are those of the current academic year;
2. Regulations and arrangements supervised by the Vice President for Community Formation apply during the summer;
3. The University reserves the right to cancel classes due to inadequate enrollment;
4. Students may enroll in a maximum of six hours during a four-week period except in specially approved programs.

THE GENERAL EDUCATION EXAM. All students pursuing their first traditional undergraduate baccalaureate degree who do not already possess a baccalaureate degree from a regionally accredited institution are required to take the General Education Exam in order to graduate. The test emphasizes concepts and principles derived from the general education curriculum and fills the gap between generalized aptitude tests used for college entrance and specialized department exams. The exam assesses basic and enduring knowledge in the general education core and provides performance rankings in higher order thinking skills (interpretive, strategic, and adaptive reasoning abilities.) The General Education Exam is offered each Fall on Student Institutional Testing day. Students should take this test after completing the general education curriculum and one year prior to their anticipated graduation date.
THE SENIOR COMPREHENSIVE OR PROJECT. The senior comprehensive or project is usually completed early in the spring semester of the student's year of graduation. This permits results of the comprehensive/project to be known early enough to undertake remedial action. A passing grade or satisfactory completion of remedial action is required for graduation. Students declaring more than one major must take and pass a senior comprehensive or project in each major.

Comprehensives are scheduled at specific times by each academic department.

***Fee will be charged

Senior comprehensives are administered by the respective academic departments as scheduled.

A $50 fee is assessed for taking the examination early or late. Permission and arrangements for taking senior comprehensive exams at a time other than scheduled is handled by the respective department.

Students participating in athletic competition or other extra-curricular activities will be expected to remain on campus for junior and/or senior comprehensive examinations in the event of a conflict between testing and these activities.
FINANCIAL ARRANGEMENTS

The overall cost of attending MidAmerica Nazarene University is less than most other private colleges and universities. The Vice President for Finance seeks the cooperation of students and parents in working out the necessary financial arrangements for paying off and keeping current their student accounts. Tuition, residential charges, and fees are the major sources of income for the University.

While many traditional students pay the full amount of college costs at the time of registration each fall and spring, two payment plans are available if a student is unable to pay all costs at registration.

Even Payment Plan: A twelve-month payment plan begins on June 1 prior to registration. Payments are determined by subtracting all financial aid from the estimated costs. This figure divided by 12 is the monthly payment. There is no monthly interest charge, but there is an annual fee of $35.00. A late fee of $20 is charged for any payments received after the 10th of each month. Applications for the Even Payment Plan are provided in the Cashier’s Office and are also available on the University website.

Installment Plan: On this semester plan the student pays at least 1/3 of all expenses after subtracting all financial aid for the term. A Promissory Note must be signed for the balance of the charges with two remaining payments due on the following dates:

- Fall Semester: September 15 and October 15
- Spring Semester: February 15 and March 15

A service charge of 1.25% per month is added to the outstanding account balance each month. Accounts must be paid in full by October 20 for the fall term and by February 20 for the spring term to avoid service charges.

Students will not be allowed to complete enrollment without 1/3 down and may have their enrollment cancelled if they have not paid 1/3 down of their “out-of-pocket” expenses by the fourth week of the semester (which means financial aid must be completed by that time).

If payments are not kept current according to the Promissory Note, any or all of the following steps may be taken until satisfactory arrangements are approved by the Vice President for Finance:

1. The student will not be permitted to continue in college;
2. The student will not be permitted to enroll for the following semester.

Other policies are also in effect:

1. Students owing the University at the end of a semester will not be permitted to enroll for another semester without making satisfactory financial arrangements with the Bursar.
2. Transcripts will not be released until all accounts have been paid in full and Perkins loan payments are current. When clearing a past due student account to receive a transcript, payment must be made by cashier’s check, credit card or personal money.
order if immediate clearance is needed. If payment is made by personal check, a
waiting period of 15 days is necessary for the check to clear the bank.

3. Graduating students must have their accounts paid in full before participating in
graduation exercises and receiving diplomas.

4. All financial aid must be applied to the account balance before the student receives
credit balances.

5. Institutional scholarships must be applied to tuition, fees and residential charges.
After these charges are paid, any excess amount will be returned to the scholarship
fund. Cash refunds can only be created by outside funded scholarships or loans.

6. Books and supplies cannot be charged on the student account.

REFUND SCHEDULE

Graduate and Adult Studies Programs need to check their individual program catalogs for
refund schedules.

Meals and Residential Halls: Pro-rated as of the date notification is given to the Director of
Retention and the room is vacated. The deposit will be refunded within 30 days after a student
withdraws or graduates provided there are no fines and no furniture or room damage. If the
student owes a balance, the deposit will be applied to the balance.

Tuition and Private Lessons:

  first week of classes ......................................................... 100%
  second week of classes ..................................................... 90%
  third week of classes ....................................................... 80%
  fourth week of classes ..................................................... 60%
  fifth week of classes ....................................................... 40%
  sixth week of classes ...................................................... 25%
  seventh week of classes ................................................... 10%

After the first week, there will be no refund of Student Fees or Course Fees.

The date for calculating the refund is the date that the withdrawal process is initiated with the
Office of Community Formation.

Students called to active military duty during a semester will receive a full tuition refund for
courses that are dropped. Appropriate documentation for active military duty must be
provided to the Vice President for Academic Affairs.

Summer School and Winter Term:

Dates and prorated percentages for these terms are printed in the Class Schedule.
REFUND POLICY

These refund policies conform with the requirements of the Higher Education Act Amendments of 1998. Based on the federal calculation, the unearned percentage of aid received for the semester must be returned if the student withdrawal is prior to the 60% completion time of the payment period.

STUDENT FINANCIAL SERVICES

Although students and their families are primarily responsible for paying as much as possible toward college costs, students no longer need to relinquish their ambitions to continue their education because of the lack of financial resources. Financial aid is usually available to those who need it and make proper application for it.

For families not eligible for scholarships and loans, alternative sources to help meet the cost of college are sought. In addition, manageable payment plans are offered by MNU. The Office of Student Financial Services seeks to help students determine their resources and provide sufficient financial aid to meet needs. Students should seek the assistance of the office before they experience financial difficulty.

Estimated costs for 2010-2011. The average first-time, full-time resident students can expect to pay the following costs for the 2010-2011 academic year:

- Before registration:
  - Application fee (non-refundable) $ 25
  - Admissions Deposit 200
  - Student account charges: $ 225

- Block Tuition (12-17 hours per semester) $19,250
- Residential charge (14 meals/week or 175 meals/sem.) 6,750
- General Fee 800
- Technology Fee 200
- Admissions Credit (200)

- Other expenses:
  - Books and supplies (estimated) $800
  - (MNU Bookstore only accepts cash, check or credit card)

TOTAL ESTIMATED EXPENSES FOR 2010-2011 $27,600

QUALIFYING FOR FINANCIAL AID

Most students attending MNU qualify for some form of financial aid. In fact, 95% of MNU’s traditional students are receiving one or more forms of financial aid. The majority of financial aid at MidAmerica is awarded based on a student’s financial need. Financial need is the student’s cost of education minus the family contribution. Family contribution is derived from the financial figures declared on the FAFSA. Based on the financial figures and a formula set by the Department of Education, a family contribution is assigned to each family. The student’s financial need determines whether he/she will be eligible for grants, scholarships, loans, work, or a combination of all four.
APPLYING FOR AID

The process for making application for financial aid is as follows:

First -- Submit the FAFSA. Apply online at www.fafsa.ed.gov. Our federal school code is 007032.

Second -- Apply for Admission to the program of choice. Students may complete their application at http://www.mnu.edu/apply-now.html. Please follow the links to the program of choice.

Third -- Submit a completed MNU Financial Aid Data Sheet. This form is available through the Office of Student Financial Services or MNU’s web site, www.mnu.edu/services/sfs/.

Fourth -- Students may be required to submit a signed copy of their most recent federal income tax filing. Dependent students may also be required to submit a signed copy of their parents’ most recent federal income tax filing.

Priority application date for completing the FAFSA process is March 1, 2010. Students should file the FAFSA as early as possible after January 1, 2010. Some aid programs are determined on first come/first serve basis.

All records are held in strict confidence. No file is available for public use unless authorization is received in writing from the student and/or parent.

SATISFACTORY ACADEMIC PROGRESS

In order to receive Title IV and state aid, a student must make clear progress towards a degree by completing their degree requirements within a certain number of credit hours. The maximum time frame cannot exceed 150% of the published length of the program measured in credit hours attempted. Students must complete 66.67% of their cumulative attempted hours to be eligible to receive financial aid. For work transferred in, the total number of credit hours accepted by MNU will be included in the number of attempted and completed credit hours in the calculations for Satisfactory Academic Progress.

“Attempted” credit hours are the number of credit hours recorded on the student’s academic transcript at the end of the semester for which the student received a grade. Course repetitions count as credit hours attempted. The credit hours in which a student receives a letter grade of NC, F, I, or W are included in the number of attempted credit hours. Remedial courses are also included in the calculation of attempted credit hours.

“Completed” credit hours are the number of credit hours recorded as earned on the student’s academic transcript at the end of each semester for which a student received a passing grade. Course repetitions will result in only the repeated grade posted and figured in to the cumulative earned credit hours. Grades of W or INC are not considered as replacement grades. An incomplete course is not counted as earned credit hours unless the student successfully completes the course requirements within the maximum time frame of six months. An incomplete grade may place a student’s financial aid on hold until a grade is received and SAP is met. Remedial courses are included in the calculation of completed credit hours.

At the end of each semester, we will monitor the cumulative GPA of our students. Prior to the completion of the students’ second academic year, they must maintain minimum GPA standards in accordance to the academic policy issued by Academic Affairs (see chart on page 30). Once students have completed their second academic year, they must have at least a 2.00 cumulative GPA. Masters students must maintain a minimum cumulative 3.00 GPA.
Students who have less than 56 cumulative attempted hours, have not completed two academic years, and who do not meet the SAP requirements at the time of evaluation, will be placed on a semester of financial aid probation by the Office of Student Financial Services. If students fail to meet the SAP requirements following the probationary semester, they will be placed on financial aid suspension and considered ineligible for federal and state aid. Students who have completed two academic years and/or students with over 56 cumulative attempted hours, who do not meet the SAP requirements for the evaluation period, will be placed on financial aid suspension and considered ineligible for federal and state aid.

Students are able to view the complete policy as well as the appeals procedure online at www.mnu.edu/services/sfs/.

**AID PROGRAMS AVAILABLE**

Students who already have obtained their first bachelor degree are eligible for student loans (Staffords, Unsubsidized Staffords, and Perkins), but not for scholarships and grants. Students in default on previous student loans are not eligible for financial aid.

**Federal Aid**

Federal PELL Grant -- Awarded to students who demonstrate a high financial need. Awards range from $5550 to $1176 per year. Student must be full-time to receive their full PELL grant award but may receive a prorated amount if part-time.

Federal Supplemental Education Opportunity Grant (SEOG) -- Awarded to PELL recipients showing strong financial need. Awards range from $1000 to $200 per year. Students must be at least 3/4 time to be eligible for SEOG.

Federal Perkins Loan Program -- Awarded to students who demonstrate high financial need. A student may borrow up to $4,000 per year. Interest is 5% and does not begin to accrue until repayment. Repayment on the Perkins loan begins nine months after a student graduates or ceases to be at least a half-time student. Minimum payment is $40 per month and students have ten years in which to pay off the loan. A student must be enrolled at least 3/4 time to be eligible for a Perkins loan.

Federal Stafford Loan -- Awarded to students who demonstrate financial need. Freshmen may borrow up to $3,500; Sophomores may borrow up to $4,500; Juniors and Seniors may borrow up to $5,500 per year; and graduate students may borrow up to $8,500 annually. Repayment on the Federal Stafford Loan does not begin until six months after a student graduates or ceases half-time enrollment. Minimum payment is $50 per month and students have ten years to pay off the loan. A student must be enrolled at least half-time to be eligible for a Federal Stafford Loan.

Unsubsidized Federal Stafford Loan -- Available to students regardless of income. All factors of this loan are identical to the Federal Stafford Loan except the student is responsible for interest that accrues while the student is in school. The interest can be paid as it accrues, or it can be added to the principle balance.

Federal Parent Loan for Undergraduate Student (PLUS) -- Available to parents regardless of income. A parent may borrow up to the difference of the cost of attendance minus the student’s financial aid per year. Repayment begins at the time of disbursement. Minimum payment is $50 per month.

Federal Work Study (FWS) -- Numerous jobs are available to many students who wish to work on-campus. Contact the Student Financial Services Office to see if you qualify for the FWS program and for on-campus job possibilities.
State Aid

For residents of Kansas who attend MidAmerica, the state offers financial aid programs to help defray the cost of education. More details can be found at www.kansasregents.org.

Kansas Comprehensive Grant (KCG) -- Awarded to residents of Kansas who attend a private college within the state. Grants are based on “high” financial need and early application. The amount ranges from $250 to $3000 per year. MNU encourages all Kansas residents to file for the Kansas Comprehensive Grant. The FAFSA should be filed by March 1, 2010 to ensure consideration for the KCG.

Kansas Scholarship Programs -- include the Kansas State Scholar, the Nursing Scholar, the Minority Scholar, and the Teacher Scholars. A separate application is required for these scholarships. These applications may be obtained from MNU Student Financial Services Office or your high school counselor and should be completed each year by May 1. Online application site is www.Kansasregents.org/financial_aid/awards.html.

All federal and state financial aid is placed on the student’s account in two disbursements (this includes the Federal Parent Loan). The estimated disbursement date for Fall 2010 is September 6 and the Spring 2011 disbursements are scheduled for January 27. First-time MNU students will not receive a student loan disbursement until they complete a loan counseling session.

INSTITUTIONAL SCHOLARSHIPS

Institutional scholarships are provided to assist students in paying tuition, fees, room and board. MNU scholarships are only for students enrolled in the traditional programs who are seeking their first degree. Most students are not eligible for any institutional scholarships when attending off-campus study programs. For more information regarding scholarships for off-campus programs see the Student Financial Services Office in the Campus Center. Students attending eligible off-campus programs will maintain institutional scholarship eligibility if they are attending in order to complete requirements for the Urban Ministries Concentration in the Ministry or Missions majors, the International Business major, and Music Business major.

Scholarships provided through University funds (Academic, Athletic, Tuition Remission, Endowment, Church Matching, etc.) cannot create a cash refund for the student. Any excess amount above the direct cost of education charged by the University (tuition, fees, room, board) will be labeled “Institutional Over Award” and will be returned to the scholarship fund. Cash refunds can only be created by outside funded scholarships, grants, or loan programs.
PIO/glyph1197EER SCHOLARSHIPS

MidAmerica Nazarene University grants and scholarships are awarded in the fall to students who have applied, submitted a high school transcript and completed the MNU Student Aid Profile.

Scholarship: Owens ($2,000 per year) Requirements: 3.0 GPA & 1000 SAT* or 22 ACT

*Based on Critical Reading and Math scores.

TALENT SCHOLARSHIPS

God-given talents are important to MidAmerica Nazarene University. MNU has created several talent scholarships. These scholarships are primarily awarded to a student based on talent, exceptional ability, or leadership qualities and include the following:

Athletic Scholarships -- Scholarships for both men and women are available in the intercollegiate sports MNU offers. Scholarship amounts vary based on perceived ability. Contact the athletic department for more information.

Music Scholarships -- Several music scholarships are available each year to students who show a proficiency in music. Scholarships are awarded based on an audition. Contact the Department of Fine Arts for more information.

Department Scholarships -- Many academic departments reward students within their department with scholarships for exceptional abilities and leadership qualities shown. These scholarships are limited to upperclassmen. Contact any department chair for more information.

CHURCH MATCHING SCHOLARSHIPS

All undergraduate students attending MidAmerica Nazarene University from one of the seven districts of the Church of the Nazarene which comprise MNU’s region may be eligible for this scholarship provided:
1) the Nazarene Church has paid its educational budget in full during the previous year, and
2) the student is full-time (at least 12 hours).

A scholarship of $250 per year from the church is given a three-to-one match for traditional students by MNU to a maximum of $750 (this is applied $375 per semester) and a one-to-one match for IAE students by MNU to a maximum of $250.

GRANT FOR CHILDREN OF NAZARENE MINISTERS

This grant is available to children of active full-time Nazarene pastors, salaried full-time ministerial staff members, full-time missionaries, full-time evangelist, full-time chaplain, and district superintendents. Each church should send a list of eligible recipients to MidAmerica. To qualify, students must be 23 years of age or less. Married students are eligible for only one year after marriage. Students must be enrolled full-time in MidAmerica’s traditional baccalaureate program working toward their first degree.

Students are eligible for the grant for four years (8 semesters). The Grant for Children of Nazarene ministers is $1250 ($625 each semester) for an academic year.

SIBLING SCHOLARSHIPS

Incoming freshmen who have a brother or sister attending MNU may be eligible for this scholarship. Both the applicant and the sibling must be attending MNU full time at the same time and each will receive a $1000 scholarship ($500 per semester). Both siblings must be dependent students according to the Federal Financial Aid definition.
MEMORIAL AND NAMED SCHOLARSHIPS

OTHER SOURCES OF FINANCIAL AID

Bureau of Indian Affairs -- (BIA) Grants are available to American Indian students who are of one-fourth or more Indian blood. These grants are processed through the Bureau of Indian Affairs and the U.S. Department of Interior. The student must demonstrate high scholastic ability and prove need for such assistance. More information may be obtained by contacting the director or agency office having a record of their tribal membership.

Vocational Rehabilitation Grants -- Many states offer assistance to residents who have a disability that is a handicap to employment. Further information may be obtained by contacting the Division of Vocational Rehabilitation at the State Department of Education in the student's home state capital.

Veteran Benefits -- Veterans' Educational Assistance is designed to help service personnel in obtaining their education. For more information, contact the Registrar’s Office or contact the Veterans’ Education Benefit Office at 1-888-442-4551. Further information may be obtained online at www.gibill.va.gov.

Air Force/Army ROTC Scholarships -- AF/Army ROTC scholarships are available to all qualified applicants. Each scholarship provides full tuition, laboratory and incidental fees, and full reimbursement for curriculum-required text. In addition, scholarship cadets receive a nontaxable subsistence allowance each month during the school year while on scholarship status. Contact Air Force ROTC, Military Science Building, 1520 Summerfield Hall Dr., Room 109, Lawrence, KS 66045, (785) 864-4676 or Army ROTC, Military Science Building, 1520 Summerfield Hall Dr. Room 208, Lawrence KS 66045, (785) 864-1113.

STUDENT EMPLOYMENT

Students are encouraged to seek employment when their financial circumstances require it and should consider restricting their course load to nine hours or less when working full-time. Students having financial need should seek on-campus employment in the Student Financial Services Office when transportation is unavailable.

MNU students have little difficulty finding part-time employment in Olathe and the nearby Kansas City industrial area. The University offers an employment service to assist students in finding off-campus jobs. Inquiries should be addressed to the Career Development Center.
Community Formation

While “student development” is the essential task of the whole educational process at MidAmerica Nazarene University, for the Office of Community Formation the term is more specific. Programs and services sponsored by the Office include those planned experiences which move students toward appropriate personal goals drawn from compelling Christian models. A scripture verse used by Christian educators relative to personal development is Luke 2:52, “And as Jesus grew up, He increased in wisdom and in favour with God and people” (TNIV). From this verse a usable structure emerges:

“Grew up” is seen as physical development,
“Wisdom” is seen as intellectual development,
“Favor with God” is seen as spiritual development,
“Favor with people” is seen as social development.

Although this model is helpful for programming and evaluation, it does not imply a division of the person. Rather, it is a description of a whole person and demonstrates the interdependency of each facet on the other.

The Office of Community Formation is under the general direction of the Vice President for Community Formation. Community Formation services complement the University’s general efforts to meet the spiritual, physical, intellectual and social needs of the campus community.

OFFICE OF COMMUNITY FORMATION

The Office of Community Formation is responsible for those aspects of campus life other than academic and athletic matters. These include chapel administration, intramurals, lifestyle guidelines, new student orientation, campus counseling, residence hall living, spiritual development, student activities, Land Fitness Center, student conduct and judicial matters, student government, student organizations and clubs, and student publications.

New students can access a Student Handbook on line when they enroll. They are expected to read the sections dealing with policies and are responsible for the information. Prospective and enrolled students who feel they need clarification of printed regulations have opportunity to discuss these matters with the Community Formation Staff.

SPIRITUAL LIFE

As a Christian community, MNU is committed to making worship of God the central focus of our lives. Chapel is a place to meet God surrounded by our peers. The purpose of the Spiritual Life Office is to cultivate a climate where God’s voice can be heard, His Will discovered, and His Mission embraced.

We come with different needs, considerate of those around us, expecting to be challenged, inspired, comforted and renewed. Close your books and set your assignments aside. Open
your heart and mind to the loving Father. Let the Holy Spirit speak to you during these times together. (go to mnuchapel.com for more information)

LISTEN. In order for God’s voice to be heard we are committed to:
• Experiencing what it means to be a part of a true community
• Experiencing true worship
• A variety of different worship styles for the purpose of moving students toward a more biblical ecclesiology
• Be exposed to a wide variety of spiritual disciplines
• An appreciation of the Word of God in the Wesleyan Tradition
• An engagement in the practice of prayer, i.e., contemplative, intercessory, etc.
• The development of an appreciation of reading as a spiritual discipline

DISCOVER. The Spiritual Life Office at MidAmerica Nazarene University affirms Wesleyan theology in recognizing that there is a dynamic orientation to our salvation. That is we are both saved and being saved - that we are both holy and being made holy (Acts 20:32; 1 Corinthians 1:18). This theological truth serves as a guiding principle that forms our conviction that spiritual formation is a critical and ongoing component of a student’s experience while at MNU. As God is seeking out all of humanity, and as all of us are at differing stages of awareness of God’s love, it is our hope that MNU can serve as a sacred space where students are able to encounter God and enter into and continue on their journey of Christian faith.

For these reasons, MNU provides a context where students can gather in small groups for the purpose of sharing their journey of Christian faith with fellow travelers. Small group ministries fulfill this purpose and are designed to create an intentional space where students can interact with each other over thought-provoking media, reading the Word, or times of accountability. In this way, we come to see that we are not the only ones who face challenges in our spiritual lives and affirm that we are called to journey in becoming more and more like Christ in community.

Additionally, the Spiritual Life Office hosts spiritual life retreats each semester where students are able to step out of their regular campus rhythm and take time to reflect on their Christian walk. While each retreat has a different flavor, students can expect to participate in times of worship in song and reading of the Word, a message from a retreat speaker, times of prayer, times of small group discussion, and intentional time spent for silence and reflection.

EMBRACE. At MNU we are committed to God’s universal mission of redemption and restoration. We recognize that we live in an increasingly complex and pluralistic world. We believe that the Christian life is not an out-of-this world experience but that we are the embodiment of the kingdom of God here and now. Students are highly encouraged to have an international, inter-cultural experience during their time here. Students can have an international experience through MNU classes with an international focus, foreign language study, approved study abroad programs and international co-curricular activities (campus and community cross-cultural activities, mission trips).

Graduate schools and employers are seeking students who have global awareness and international experience. MNU’s GO GLOBAL program recognizes these experiences and provides qualified students with an international certification on their official transcript. This program and certificate will encourage students to pursue studies and experience that will deepen their appreciation and understanding of the world. With enhanced worldviews our campus will develop in internationalization and prepare students to embrace the mission of God to bring reconciliation and redemption to the world.
FAQS
Q. Is Chapel attendance a requirement at MNU?
A. Yes, all full-time students (12 hrs. or more) are required to attend chapel.

Q. How many points do I need to fulfill my chapel requirements each semester?
A. Forty (40)

Q. How many chapel points are offered each semester?
A. Sixty-five (65)

Q. Do I have to scan in and out of chapels?
A. Yes. This system allows you to also check your total points online.

Q. How does the chapel schedule work?
A. Tuesdays (9:30-10:30) is “Community Chapel” in College Church. Wednesdays (10:00-10:45) is “Morning Prayers” in the Bell Cultural Events Center. This chapel will be very participatory in nature and will not feature a sermon. It is a contemplative, liturgical service, which will include the reading of the morning prayers, scriptures, hymns, and communion. Thursdays (9:30-10:30) is “Student-led Chapel” in the Bell Cultural Events Center. Planned and led by students for students.

Q. Do all chapels have the same point value?
A. No. All Chapels in College Church (CC): Tuesdays, Wednesday of Spiritual Deepening Week and Friday chapels are worth two (2) points each. All Chapels in Bell Cultural Events Center (CEC) and evening alternatives are worth one (1) point each.

Q. What happens if I goof up and don’t get my forty points?
A. Fines will be assessed as follows: 39 pts = $50. Ten dollars will be fined for each additional missed chapel. Further disciplinary action may be taken which may include suspension or dismissal for students who have extensive disciplinary history. Fines are to be paid in the Cashier and Student Accounts Services office. Payment of a fine does not erase or reset previous absences. All points must be earned within the 65 point system.

Q. Who do I contact if I have questions?
A. Contact Associate Dean for Residential Life, Kristi Keeton, 971-3544 or email kkeeton@mnu.edu.

LECTURE SERIES
THE GREAT COMMISSION. During the course of the year’s chapel programming, the University attempts to confront students with Christ’s challenge to evangelize the world through periodic visits of missionary speakers from around the globe.

THE SMITH HOLINESS LECTURE SERIES was established in honor of founding President and Mrs. R. Curtis Smith. This series brings noted evangelists, pastors, and educators to campus to present the truth and the challenge of Christian holiness.

STANDARDS OF CONDUCT
In keeping with the philosophy of the University and the Church of the Nazarene, the following standards are expected of all students:

Christian principles of morality should govern every personal relationship. The use of alcoholic beverages, tobacco, illegal drugs, profane language, obscene literature, gambling, and attendance at clubs are not permitted. Stealing or abuse of the University’s or other people’s property is not tolerated, and disorderly assembly or disruptive activity of students is prohibited. Visiting in campus rooms/apartments of persons of the opposite sex is allowed...
only during specified open house hours or special permission from the Residential Life Staff. Visiting off-campus homes or apartments of persons of the opposite sex without due regard for the reputation of both the University and persons involved will be cause for disciplinary action.

Off-campus students are expected to observe established rules of conduct for the campus.

No code of conduct, no matter how lengthy, could list all the matters in which choices and decisions must be made. What has been attempted here is to give students a generalized overview of what will be expected of them. A more comprehensive description of the Standards of Conduct can be found in the Student Handbook, accessible on the MNU webpage.

DRESS CODE
MidAmerica Nazarene University seeks Christian simplicity, modesty and propriety in dress and appearances in harmony with biblical principles. Specific guidelines with regard to dress and appearance may be found in the Student Handbook, accessible on the MNU webpage.

STUDENT ORGANIZATIONS
Each student is a member of the Associated Student Government (ASG) of MidAmerica Nazarene University.

ASSOCIATED STUDENT GOVERNMENT. The entire student body is recognized as contributing members of the student government association. The affairs of the association are managed by an eight member executive cabinet. The executive cabinet serves the campus community by providing opportunities for spiritual development, leadership development, meaningful social exchange, and services opportunities via student led initiatives.

INTRAMURAL PROGRAM. The intramural program makes an outstanding contribution to the school spirit and campus morale. An important objective of the intramural program is to provide extensive program activities that capture the interest of every student on campus. The various sports and social activities in the intramural program are organized for both men and women. Recognition for outstanding efforts includes awards for individual championships as well as team sports.

Students find outlets for their special interest in the following organizations:

INTERCOLLEGIATE ATHLETICS

MidAmerica Nazarene University includes the following activities in its intercollegiate athletics program: Men's - football, basketball, baseball, soccer; Women's - volleyball, softball, basketball, soccer. MidAmerica Nazarene University is a member of the National Association of Intercollegiate Athletics (NAIA), the National Christian College Athletic Association (NCCAA), and the Heart of America Athletic Conference (HAAC).

CAMPUS SAFETY AND PARKING PERMITS

Campus Safety officers are employed by the University. The purpose of this department is to serve the University community. The safety officers are given full authority to exercise appropriate actions necessary to fulfill their duties. Services we provide include escorts on campus, assistance with dead batteries or flats, property identification, and investigation of campus crimes.

A permit to have and operate any motorized vehicle on the campus is a privilege, not a right. If a student gets excessive parking violations, they may lose their parking privileges. Any fines assessed and collected go into the General Fund of the university. Vehicle regulations are published annually and are available at the Campus Safety Department. The University reserves the right to tow vehicles parked on campus that have lost parking privileges and/or are parked in a place that endangers others; i.e., fire lanes, driveways, and building entrances and exits. Vehicles not normally used for transportation of individuals (e.g., boats, trailers, campers) are not permitted to be parked on university property without special permission from Campus Safety.

Every vehicle brought on the campus must be registered and must properly display a parking permit. There is no cost for the first permit if it is obtained at the time of registration. Additional permits are $3.00.

The State of Kansas requires all vehicles operated in Kansas to have proof of insurance in the vehicle.

HEALTH SERVICES AND INSURANCE

All traditional students are required to provide a completed health history form and proof of two vaccinations for Measles, Mumps, and Rubella and an up-to-date tetanus immunization before enrolling in classes. All students living in student housing must either provide written documentation of the meningitis immunization or sign a waiver to indicate they have been informed about the disease and vaccine and have chosen not to be immunized. International students who have never been immunized against polio need the IVP shot and a TB skin test within the last 12 months in addition to the above listed requirements.

INSURANCE. An accident insurance policy is provided for residential students. The period of protection begins on the date of registration and ends after twelve months for the Fall term and after eight months for the Spring term.

Student sickness/hospitalization insurance is optional. Students who are not insured for sickness protection through any other means, are encouraged to participate in a major medical plan. A brochure outlining the MNU insurance plan may be obtained from the Business Office located in Lunn Hall. Plans are usually available for student and spouse and their children.
FOOD SERVICES AND HOUSING

All unmarried students who do not reside with parents or guardians and who are 21 years of age and younger are required to live in one of the residence halls and eat in the cafeteria unless special arrangement has been made with the Associate Dean for Residential Life. Commuters and physically challenged students are not expected to live on campus. Students have a variety of meal plans from which to choose. Students must have an active ID card to access the cafeteria. Commuter students and other guests may purchase meals per visit or take part in one of many optional plans. Pioneer College Caterers, Inc., a professional organization, which serves many colleges and universities, operates our food service.

In order to assure that all students under 22 years of age have campus housing, older students may be required to apply to live on campus. Application does not guarantee campus housing but will be granted on a space available basis and may not be confirmed for up to two weeks after the date the halls officially open. Students 21 years of age or younger desiring to live off campus must apply with the Associate Dean for Residential Life. Application does not guarantee campus housing but will be granted on a space available basis and may not be confirmed for up to two weeks after the date the halls officially open. Students 21 years of age or younger desiring to live off campus must do so 30 days prior to the beginning of the semester so that housing status is known before that semester’s registration day.

Life in each of the residence halls is under the immediate direction of a Resident Educator (RE) hired by the Office of Community Formation. The Resident Educators are assisted by Resident Assistants (RA).

COUNSELING SERVICES

The University maintains a counseling service to which students may go at no cost either by referral or at their own desire. Two half-time professionals provide needed service or arrange additional counseling as necessary.
Degree Programs

MidAmerica Nazarene University offers the undergraduate degree associate of arts, the bachelor of arts, the bachelor of music education, and the bachelor of science in nursing degrees. Baccalaureate degree completion programs exist in nursing, in management and human relations (MHR), and in public administration (PA). The Master of Arts in Counseling, Master of Arts in Education with a concentration in Special Education, Master of Arts in Organizational Administration, Master of Business Administration, Master of Education, and Master of Science in Nursing degree programs are described in a separate section.

THE ASSOCIATE OF ARTS

To meet the needs of students planning two years of college study, the University offers the Associate of Arts degree. The curriculum leading to the AA degree provides for a minimal general education program in the arts and sciences as well as in approved majors. All credits earned in the AA program are fully applicable to additional study toward the baccalaureate degree.

Degree Requirements
1. A total of 63 semester hours;
2. A minimum of 30 hours (15 hours in the major) in residence;
3. A cumulative GPA of 2.0;
4. Satisfactory achievement in an approved major;
5. Completion of the general education program listed on the following page.

General Education at MidAmerica aims to develop students in the following areas:
1. **Spiritual Development** - Students will develop a clear understanding of the essential thoughts of biblical Christianity which will enable them to live a lifestyle honoring to God.
2. **Self-Understanding** - Students will accept themselves as persons of worth and will develop habits of living that are mentally and physically healthy.
3. **Critical Thinking** - Students will develop the ability to determine validity and reasonableness through an examination of information, argumentation and experience.
4. **Effective Communication** - Students will be able to express their ideas clearly and effectively and accurately interpret communication from others.
5. **Social Responsibility** - Students will become informed, concerned and involved citizens in the world.
6. **Scientific Literacy** - Students will develop an informed perspective and respect for the created order and use the methods of scientific inquiry to explore it.
7. **Aesthetic Literacy** - Students will develop a discerning awareness of the language and literature of diverse art forms and will be able to recognize, interpret, and use creative artistic expressions.

The specific knowledge, values and competencies developed in each of these areas is as follows:

Within the framework of the AA degree, a student may major in the following fields:

- General Business
- Liberal Arts
- Music Ministry

1. General Business

This two-year program is designed to prepare the student to enter the field of business after completing the AA degree. An important advantage of this general program is that its courses are fully applicable to the BA degree in business.

- ACCT 2803 Principles of Financial Accounting
- ACCT 2903 Principles of Managerial Accounting
- ECON 2503 Principles of Macroeconomics
- ECON 2703 Principles of Microeconomics
- MGMT 2603 Computer Applications in Business
- MGMT 3003 Business Communications
- MGMT 3103 Business Law I
- MGMT 3303 Principles of Management
- MKTG 3303 Principles of Marketing
- Electives in business (6 hours)

32 hours plus 31 semester hours of general education (including MATH 1203)

2. Liberal Arts

This two-year program offers a shorter alternative in general studies for students who do not elect to pursue the four-year baccalaureate degree. The degree not only covers a comparable distribution in general education areas but facilitates re-entry into the baccalaureate program. Students will complete all requirements of General Education for the BA degree plus 7-20 elective hours, for a total of 63 hours.

3. Music Ministry

This two-year program provides background and experience for the student desiring to be involved in church-related music programs. These courses will also serve as an excellent foundation for further study toward the BA degree.

- APMU Applied Voice or 2 hours including 1 hour applied voice plus 1 hour orchestral instrument
- CMUS 4183 Music Ministry Practicum
- CMUS 3403 Church Music and Hymnology
- CMUS 4003 Church Music Administration
- MUED 3602 Beginning Conducting
- MUEN Ensemble (minimum of four; one per semester)
- MUTH 2105/2205 Music Theory I and II (10) (concurrent enrollment in Class Piano or private piano is required during the theory sequence)
- MUTH 1102 Fundamentals of Music Theory (as required)

26-28 hours plus 30 semester hours of general education and 4 hours of electives
For those meeting the entrance requirements for the adult degree completion programs, an Associate of Arts degree is offered with the following emphasis areas:

1. general business and
2. liberal arts.

More details are listed in the Innovative Adult Education section of this catalog.

**Degree Requirements**

1. Completion of a minimum of 126 semester hours;
2. A total of 30 hours in residence:
   - with at least 18 of the final 30 hours in residence
   - with at least 15 hours residency in the major;
3. A cumulative GPA of 2.0; 2.5 for education majors;
4. A cumulative GPA of 2.0 in the major; cumulative GPA of 2.5 for education majors. No course with a grade lower than “C-” will be accepted toward the major. Courses in the major are defined as any course required or accepted to meet a requirement of the major. Some majors require a higher minimum GPA in the major and higher minimum grades in courses in the major.
5. Satisfactory achievement in an approved academic major;
6. Forty-eight semester hours in upper-division courses;
7. Satisfactory completion of the general education exam.
8. A passing grade on the senior comprehensive or project in each major;
9. Completion of the general education program listed on the following page.
10. The general education exam and all requirements for each major including senior comprehensive exams must be met while earning a degree and prior to the conferral date of that degree. The residency requirement for the academic major is no less than fifteen hours in the discipline of the major, except where other institutional agreements exist.
11. If, after graduation with a given degree and major(s), a student wishes to earn a second baccalaureate degree and/or major from MidAmerica Nazarene University, he/she must satisfactorily complete all requirements for an additional major and complete a minimum of thirty semester hours in residence. Further, to complete any major in a degree program, the student must fulfill all requirements for that major and that degree program.
The General Education program at MidAmerica Nazarene University exposes students to certain facts, ideas and values in an attempt to awaken them to their potential and to assist them in developing ways of recognizing and expressing truth through the academic disciplines.

**Life Preparation:** The main goal of the General Education experience at MidAmerica is to develop life-long learners who are informed, committed and caring citizens of this world with a deep appreciation for the revelation of God in Jesus Christ.

**First Major:** General Education is the first major of the student. It intends to develop further the broad base of understandings, attitudes and skills which students possess upon entrance into college. It prepares the student to engage a particular area of study with reference to other fields of academia. It should make the student aware of the integration of human knowledge at various levels.

**Seven Outcomes:** The university faculty has identified seven areas in which students need to develop in order to function effectively in a chosen major and to engage their world appropriately.

Through the General Education experience at MidAmerica the student should grow in the following areas:

- **Spiritual Development** - Students will develop a clear understanding of the essential thoughts of biblical Christianity which will enable them to live a lifestyle honoring to God.
- **Self-Understanding** - Students will accept themselves as persons of worth and will develop habits of living that are mentally and physically healthy.
- **Critical Thinking** - Students will develop the ability to determine validity and reasonableness through an examination of information, argumentation and experience.
- **Effective Communication** - Students will be able to express their ideas clearly and effectively and accurately interpret communication from others.
- **Social Responsibility** - Students will become informed, concerned and involved citizens in the world.
- **Scientific Literacy** - Students will develop an informed perspective and respect for the created order and use the methods of scientific inquiry to explore it.
- **Aesthetic Literacy** - Students will develop a discerning awareness of the language and literature of diverse art forms and will be able to recognize, interpret, and use creative artistic expressions.

**Christian Worldview:** The faculty at MidAmerica believes that a Christian worldview provides the most adequate perception of the universe. This worldview understands that rebellion against God is the fundamental problem of humanity. It has alienated people from God, themselves, other humans and the created order. Such alienation affects our abilities to learn and function effectively in our world.

General Education at MidAmerica takes into account this alienation and seeks to address each of these four areas so that the student might be better equipped to live a meaningful and productive life. Spiritual Development deals with reconciliation to God. Self-Understanding and Critical Thinking deal with reconciliation to ourselves. Effective Communication and Social Responsibility deal with reconciliation to others. Scientific Literacy and Aesthetic Literacy deal with reconciliation to the created order.

**Core Classes:** The university faculty has selected a core of 46-56 semester hours of courses to meet the above goals of General Education. The number of hours varies according to levels of knowledge and competence which a student has achieved before entering college. The student must pass classes in each area as prescribed below or show competence in them by some other acceptable measure such as CLEP, Advanced Placement Credit or university departmental exam.
The goals of General Education will be addressed to some level in each General Education class. Yet certain classes are seen as contributing more directly to a specific area than others. Critical Thinking, for example, will be developed across the curriculum, but is given special attention in philosophy and mathematics classes.

The student will take required classes in some areas and will select from a list of options in other areas. The distribution of requirements in each area is as follows:

THE BACHELOR OF MUSIC EDUCATION

Because of its scope and breadth, the Music Education degree is considered to be a professional, baccalaureate degree in music rather than a traditional liberal arts degree. Therefore, the terminology Bachelor of Music Education is used to designate this degree program. The General Education core has been modified to reflect the extensive music and professional education components in the program.

Degree Requirements
Specific requirements for admission to the program are listed in the Fine and Performing Arts section in this Catalog, and a fully-detailed listing may be obtained from the Department of Fine and Performing Arts.

MidAmerica Nazarene University offers a Traditional Program and an Accelerated Program for students to complete requirements for the Bachelor of Science in Nursing degree and eligibility for the Registered Nurse licensing examination. Also offered is an accelerated RN to BSN Program, presented in the format of 5-week modular units, for RNs to complete requirements for the BSN degree. The nursing program was granted approval by the Kansas State Board of Nursing in May 1979, accreditation by the National League for Nursing Accrediting Commission from April 1981 through 2003, and accreditation by the Commission on Collegiate Nursing Education beginning in September 2002. The first class of students graduated in May 1981.

Degree Requirements

The general education outcomes pertaining to the baccalaureate degree are the same for both the BA and the BSN; however, there are some differences in specific general education course requirements for the BSN. Requirements for admission to the nursing program are listed in the Department of Nursing section in this Catalog, and a fully-detailed listing may be obtained from the Department of Nursing.

PRE-PROFESSIONAL PROGRAMS

Students who desire to prepare for professional schools are strongly advised to seek training that is broadly based in the liberal arts. Most professional schools seek individuals with diversity of backgrounds. No single pattern of study is considered as necessary. Aside from meeting the basic requirements for entrance to a professional school, the student is encouraged to concentrate in the subject area of primary interest. A wide range of selective courses provides an opportunity for breadth of training and an exposure to a variety of academic disciplines.

Engineering. Students at MidAmerica Nazarene University may prepare for a career in Engineering by taking the first year or two in residence at MNU. Following the pre-engineering work they would transfer to an accredited engineering school. The student should be familiar with the requirements of the respective engineering school.

Medicine and Dentistry. The requirements for entrance to the different schools of medicine or dentistry vary. All recognize the desirability of a good foundation in the natural sciences (biology, chemistry, mathematics, and physics), communication, social sciences and humanities. The student should be familiar with the requirements of the respective professional school.

After one year of attendance at MidAmerica Nazarene University, an application should be submitted to the Pre-Medical Committee for formal acceptance into the pre-medical program.

The Pre-Medical Committee reviews the application. Approval for continuance in the program is given, provided the following conditions have been met:

1. Completion of one full year of college studies at MidAmerica Nazarene University.
2. A cumulative grade point average of 2.75 for all college work.
3. Satisfactory rating by the Pre-Medical Committee.

In the year prior to anticipated entrance to medical or dental school, the candidate for admission must take the Professional Aptitude Test. The pre-medical student must take the Medical College Admission Test (MCAT) of the Association of American Medical Colleges. The pre-dental student must have the Dental Aptitude Test administered by the American Dental Association. The test must be taken before application is made to the medical or dental school.

The undergraduate major may be chosen from any major in the college curriculum so long as the professional school requirements in biology, math, chemistry, and physics are met.

SENIOR COMPREHENSIVE EXAMINATION

The Senior Comprehensive Examination for the Bachelor of Science in Nursing degree has two components: 1) a passing score on a computerized standardized examination that is preparatory for the NCLEX-RN® licensure examination, and 2) submission of an Outcome Portfolio that includes a professional resume, personal philosophy of nursing, and materials to demonstrate the student's abilities in meeting the divisional outcomes (described in the Nursing section in this catalog). RN to BSN students complete only the Outcome Portfolio component of the Senior Comprehensive Examination.
In general, the standard requirements include the following minimum courses in addition to, or as a part of, those necessary to complete the general education core or the major:

1. **English** 6 hours  
   Facility in composition and expression is desired.

2. **Biological Science** 9-14 hours  
   Should include zoology, microbiology, and comparative vertebrate zoology (cell biology, embryology, genetics, histology, and immunology are additional recommended courses that are available).

3. **Chemistry** 22 hours  
   Courses in general chemistry, organic chemistry and biochemistry are required. Quantitative Analysis is highly recommended.

4. **Physics** 10 hours  
   Knowledge of calculus is required.

5. **Mathematics** 10 hours  
   Requirements vary. Competence through the level of introductory calculus is required.

**Medical Technology.** MidAmerica Nazarene University offers courses meeting the preprofessional requirements for the Registry of Medical Technologists of the American Society of Clinical Pathologists.

This pre-professional program is followed by enrollment in an approved school of medical technology.

An example of a pre-professional curriculum is shown below. However, requirements of medical technology programs vary. The student should be familiar with the requirements of the programs in which they are interested.

1. **Basic Skills**  
   - English Composition I and II 6 hours  
   - Public Speaking 3 hours  
   - College Algebra and Trigonometry 3 hours

2. **Humanities and Fine Arts**  
   - Four courses from three different departments 12 hours

3. **Social and Behavioral Science**  
   - Introductory Psychology 3 hours  
   - Social Science Elective 6 hours

4. **Natural Sciences**  
   - Botany 4 hours  
   - Zoology 4 hours  
   - Microbiology 5 hours  
   - Comparative Chordate Anatomy 5 hours  
   - Physiology 4 hours  
   - Immunology 3 hours  
   - General Chemistry I and II 9 hours  
   - Organic Chemistry I 5 hours  
   - Biochemistry 3 hours
Students may proceed to careers in medical technology by either of two tracks:

1. Completion of all requirements for the BA degree at MNU, including the general education and major requirements. The major may be any of those offered in the University so long as the basic pre-professional science and mathematics requirements are met. This is followed by clinical study in any approved hospital school of medical technology to which the student gains admission.

2. Completion of the pre-professional requirements at MNU followed by admission to a school for completion of a degree in Medical Technology/Clinical Laboratory Scientist.

Pre-Pharmacy. Students may prepare for professional study in pharmacy by taking their two-year pre-pharmacy work at MNU. Although specific requirements may vary, the following should be included in the pre-pharmacy curriculum.

- Analytic Geometry and Calculus I and II: 10
- General Chemistry I and II: 9
- Organic Chemistry I and II: 10
- General Physics I: 5
- Botany: 4
- Zoology: 4
- Microbiology: 5
- English Composition I and II: 6
- Public Speaking: 3
- Electives in Humanities and Social Sciences: 3

COURSE NUMBERING

Course numbers are designed for student, faculty and administrative use in degree programs. The first digit indicates the year in which the course is normally taken. The second and third digits are used by the academic department. The fourth digit usually indicates the relative course value: a "1" designates a one-hour value, a "2" indicates a two-hour value, a "3" means a three-hour value and so on.

Courses beginning with a "0" are considered developmental and do not meet any degree requirements but may be required for continuing further with college-level study.

Courses beginning with a "1" or "2" are considered lower division:
LOWER-DIVISION
1000--primarily open to freshmen
2000--primarily open to sophomores

Courses beginning with a "3" or "4" are considered upper division:
UPPER-DIVISION
3000--primarily open to juniors
4000--open to seniors

Courses beginning with a number of "5" or above are graduate level.
RECOMMENDED SEQUENCE OF COURSES

Many departments offer a suggested course sequence for each of their majors. These are only suggested sequences. Due to the dynamic nature of course scheduling, MNU cannot guarantee that all courses will be offered in the exact printed order. In the event of a scheduling difficulty, plan to work directly with your academic advisor and department chair to resolve the matter.

FRESHMAN STUDIES

FRST 0903 FUNDAMENTALS OF MATHEMATICS
A review of the basic concepts of arithmetic to improve skills in computation and application with an emphasis on fractions, decimals, and percents. Elementary topics from algebra include working with signed numbers and polynomials and solving simple linear equations. Students who receive ACT scores of 18 or below are required to enroll in this class. Grading procedures are A, B, C, NC (No Credit). (Course does not meet graduation requirements including total hours needed to graduate.) Fall and Spring.

FRST 1003 READING/STUDY STRATEGIES
A course designed to help students read more efficiently, quickly, and with better comprehension. Students who receive ACT scores of 18 or below are required to enroll in this class. Grading procedures are A, B, C, NC (No Credit). Fall and Spring.

FRST 1043 ENGLISH AS A SECOND LANGUAGE
An elective course for International Students whose first language is not English (English is their second language). It is designed to improve and enhance the reading, writing, speaking, and listening skills necessary for the International Student's university-level performance in courses of various disciplines. Grading procedures for this class, which meets daily, are CR (Credit) or NC (No Credit). Credits earned for this course do not count as graduation hours. Fall and Spring.

FRST 1101 FRESHMAN SEMINAR
This one semester-hour course provides students with an introduction to the traditions of MidAmerica Nazarene University as well as adjustment to the challenges of the higher educational experience and is required of all first-time freshmen. Freshman Seminar concentrates on essential study skills, time management, the value of liberal arts learning, goal setting, and other activities designed to enhance the student's transition to and success in college.

FRST 1103 WRITING SKILLS
A course designed to review fundamentals of written English. Students who receive ACT scores of 18 or below are required to enroll in this class. Grading procedures are A, B, C, or NC (No Credit). A satisfactory grade must be earned before enrolling in ENGL 1203 English Composition I. Fall and Spring.
A General Studies Major is a special interdisciplinary major designed by an individual student. Each general studies program is unique. A General Studies program is not a random collection of courses. Instead, each General Studies major is a carefully selected group of courses, all of which relate to a central theme. Because a General Studies major cannot be too similar to an existing MNU major, all General Studies majors are interdisciplinary, drawing courses from two or more departments. Students declaring the General Studies major must meet all degree requirements listed in the current Catalog for the Bachelor of Arts degree.

The General Studies major will consist of courses from at least two academic departments and should total a minimum of 48 hours; a minimum of 30 hours must be upper-division courses. In addition to the 48 required hours, the GNST 4903 Senior Study is required during the final 30 hours before graduation.

**GNST 4903 Senior Study.** This capstone course gives the general studies major the opportunity to apply expertise learned in the major and encourages the student to become more actively involved in the major. A significant research paper or similar product is supervised and approved by one of the faculty sponsors in one department represented in the major.

The steps for designing and declaring a General Studies major are as follows:

1. Identify the theme of your major.
2. Obtain the approval of two faculty sponsors from academic departments chosen for study.
3. Write a description of your major.
4. Develop a list of courses that will constitute your major with a minimum of 21 hours in each of two areas. (It is expected that the student will work closely with the faculty sponsors to develop the course list of best fit.)
5. Review the draft of your proposal with the Associate Academic Vice President for Undergraduate Studies.
6. Submit your proposal to the Associate Academic Vice President's office for final approval. Prior to submitting your proposal for approval the following requirements must be met and documented:
   a. Satisfactory Completion of 56 semester hours (Junior standing)
   b. Minimum Cumulative GPA of 2.5
7. Proposal for the capstone course (GNST 4903) must be submitted for approval in its final form at least one semester prior to the semester of graduation. (For a May graduation the course proposal deadline is October 15; for December graduation proposal deadline is March 15.)

**Suggestions for developing themes:** You must select an area in which MNU offers coursework. There are many majors that can be imagined but cannot be completed at MNU. While a theme cannot be so narrow that there are only a few courses available, neither can it be so broad that to cover the topic adequately, you would have to complete advanced coursework in six or eight departments. The major should be designed with courses you have access to. Some courses offered at MNU are restricted to majors only and so would be unavailable, without special permission, for a general studies major. When drawing up the list of classes to include in the major, make sure and note any pre-requisites required for the courses. A collection of courses that you think would be useful in a specific vocation only is
probably not going to be an acceptable major. This is a university, not a vocational school; your General Studies major must have an academic rather than a vocational theme. You must include courses which emphasize the theory, research methods, and history of a field as well as its practical applications.

Role of Associate Academic Vice President and faculty sponsors. The Associate Academic Vice President will review your list of courses and assess the readiness of its submission for approval. The AA VP may make suggestions for altering the proposal: adding courses from departments you may not have been aware of, omitting courses with content duplicated by other courses on the list, suggesting alternates for courses with restricted access, and so on. Once your proposed major has been given final approval and you are authorized to declare the general studies major, you will be required to meet with the Associate Academic Vice President and faculty sponsors on a regular basis. The frequency of these meetings will be determined by the student, faculty sponsors and the AA VP in order to assist you in keeping on track with completing all degree requirements. The faculty sponsor(s) may work with you on the project described for the GNST 4903 Senior Study course.

The faculty sponsors must be from two different departments (majors) represented in your General Studies major. The role of the faculty sponsors is to attest to the intellectual and academic soundness of the proposed major. The sponsors may require you to change your written proposal, perhaps adding courses.

ROTC PROGRAM

Students enrolled at MidAmerica Nazarene University may be enrolled in the army Reserve Officer’s Training Corps (ROTC). MNU’s ROTC program is associated with the host program at the University of Kansas (KU). Beginning in the Fall Semester of 2009, newly enrolled cadets will be able to take all of their ROTC course work at MNU. For additional information contact Captain William Chuber, at wchuber@mnu.edu, or the Behavioral Sciences Department in Metz Hall. In addition to the ROTC courses listed below, students will also have a declared major in the Bachelor of Arts, Bachelor of Science in Nursing, or other approved bachelor degree programs at MNU.

ARMY ROTC

Army ROTC classes may be taken by any MNU student and are available to students at NO ADDITIONAL TUITION COST. For those that contract into the program, the culmination of the ROTC program is a commission as an officer in either the Active Army or in the Army Reserve or National Guard.
For those that choose to seek a commission while participating in ROTC, students pursue an academic degree in any academic major of their choice. ROTC classes are divided into a basic course and an advanced course. All necessary ROTC books and equipment are provided to the student free of charge. Scholarship recipients may be eligible for room and board scholarships as well.

For those interested in scholarship opportunities, Army ROTC awards four-year, three-year, and two-year scholarships on a competitive basis. These scholarships pay tuition, books, university fees, and a $350 - $500 monthly stipend. For detailed scholarship information contact Captain William Chuber, Director of the MNU Army ROTC Program at (785)864-1103 or Major Ted Culbertson, Scholarships and Admissions Officer at (785)864-1113.

**ARMY ROTC COURSE OFFERINGS**

**ARMY 1011 INTRODUCTION TO LEADERSHIP AND PERSONAL DEVELOPMENT**
An examination of army organization, structure, customs and current events concerning the army, as well as an introduction to time management, health and wellness, and an introduction to leadership and management techniques. One hour of lecture and one hour of laboratory per week.

**ARMY 1021 INTRODUCTION TO TACTICAL LEADERSHIP**
An introduction to a variety of skills required of army leaders, including map reading, orienteering techniques, first aid, mountaineering skills, marksmanship, and coverage of more advanced leadership and management techniques. One hour of lecture and one hour of laboratory per week.

**ARMY 2011 BASIC INNOVATIVE TEAM LEADERSHIP**
The course explores dimensions of creative and innovative tactical leadership as well as introduces the development of individual and small group training techniques. Emphasis on small group leadership, vital individual skills needed by leaders, and oral and written communication skills. One hour of lecture and one hour of laboratory per week.

**ARMY 2021 FOUNDATION OF TACTICAL LEADERSHIP**
An analysis of the principles of war and modern tactical doctrine as applied to small unit operations. Provides further study of the Army leadership framework, through the study of dynamic and adaptive military operations. Includes a study of topographic map reading and its application to military operations. One hour of lecture and one hour of laboratory per week.

**ARMY 3013 THEORY AND DYNAMICS OF TACTICAL OPERATIONS**
Small group problem solving through the application of a decision making process and the use of constrained resources, with a focus on conventional tactical operations as the learning enabler. A basic approach to learning the fundamentals of the squad in both offensive and defensive operations to include: mission, organization, principles of war, tactical control measure, troop leading procedures, combat orders, planning and conducting both types of operations, and techniques of patrolling; to include their application in counter insurgency operations and planning. Three hours of lecture and two hours of laboratory per week. Prerequisite: ARMY 2021 or consent of department chairperson.

**ARMY 3023 THEORY AND DYNAMICS OF TACTICAL OPERATIONS II**
Continuation of ARMY 3013. Emphasis is placed on utilizing the knowledge gained in ARMY 3013 in the application to large sized organizations with a focus on Platoon and
Company level operations as the enabler to learning. The use of troop leading procedures in the development point of the manager of limited assets. Three hours of lecture and two hours of laboratory per week. Prerequisite: ARMY 3013.

**ARMY 3031 MILITARY CONDITIONING**
Introduction to the theoretical and practical aspects of developing and executing physical fitness programs for all Army personnel, from the commander or supervisor's perspective. Provides an overview of total fitness, defines physical fitness, outlines the phases of fitness, discusses various types of fitness programs, and presents evaluation criteria.

**ARMY 4013 CONCEPTS OF MILITARY MANAGEMENT**
Introduction to the military management system with special attention to the functions, organizations, and operations of military training, logistics, and administration. The use of standardized staff formats in the development of plans and orders are emphasized from the standpoint of the leader with limited resources. Extensive use of standard staff procedures is emphasized in problem solving scenarios. Three hours of lecture and two hours of laboratory per week. Prerequisite: Permission of Department Chairperson.

**ARMY 4023 THE MILITARY PROFESSION**
A seminar on the military profession as an object of social inquiry. Focus is on the internal structure of the profession, current problems, and interaction with the larger American society. Seminar topics include but are not limited to the following: a historical perspective on the military profession; civil-military relations; social and political impact of military activities; military justice; professionalism versus careerism. Three hours of lecture and two hours of laboratory per week. Prerequisite: Permission of Department Chairperson.

**ARMY 4501 US ARMY'S EXPERIENCE IN WAR**
A historical analysis of the Army's conduct of operations from 1775 to the present. Emphasis placed on analysis of strategic, operational, and tactical problems, as well as on the evolution of warfare, the role of the officer, and on innovation. The student will defend his/her analysis through written and oral presentation. Prerequisite: Permission of Department Chair.

**REQUIREMENTS FOR THE MINOR IN MILITARY LEADERSHIP**
If a student has been accepted into the ROTC program at MNU they may apply the following ROTC courses to a Minor in Military Leadership by adding two additional courses from majors such as Organizational Leadership, Psychology, Criminal Justice, History or Political Science.

To complete the minor, select two courses from one of the following academic departments: Business Administration, Behavioral Sciences, Humanities, or Religion. The two courses must be approved by the department chair and the program director of ROTC.
COLLEGE OF LIBERAL ARTS AND SCIENCES

Dr. Cynthia L. Peterson
Interim Dean

• Department of Behavioral Sciences
• Department of Fine and Performing Arts
• Department of Humanities
• Department of Science and Mathematics

School of Christian Ministry and Formation
• Department of Bible, Theology, and Mission
• Department of Graduate Studies in Practical Theology
The College of Liberal Arts and Sciences (CLAS), established in 2009, is the largest of the schools that make up MidAmerica Nazarene University.

The College has more than 50 faculty members devoted to teaching, scholarly pursuit, and creative performance. Its 33 majors span the breadth of human endeavor and are the heart of the University due to their foundational role in education, arts, and research.

The College of Liberal Arts and Sciences provides academic programs that prepare our students to be knowledgeable citizens of the 21st century and empower them to meet the challenges of a rapidly changing world. Our graduates are well-versed in their chosen field and with the analytical, critical thinking, and communication skills that are essential to success in life and the workplace. The College advances creative endeavor through artistic education and production.

CLAS conducts its activities in, and serves as a model for the MidAmerica signature commitments of Faith, Excellence, Care, Innovation, and Service. We seek to challenge and inspire the next generation of leaders for a life of service to God, the church, the nation, and the world.

Department of Behavioral Sciences

Course Offerings: Criminal Justice, Psychology, and Sociology

Statement of Purpose:
The Department of Behavioral Sciences educates and develops students to be competent in academic disciplines focused on understanding human behavior, mental processes, social functioning and the institutional structures of society. Specifically we seek to produce lifelong learners who:

1. Have a firm grasp of the knowledge base, methods of inquiry, and scientific developments within particular academic disciplines (major)
2. Are competent to pursue a career and/or graduate studies within a broad range of cultural and institutional contexts
3. Are capable of discussing their discipline from a Christian faith perspective; able to clearly articulate relevant points of engagement between their faith and learning
4. Grasp a clear vision of service to humanity through participation in their academic discipline
5. Embrace the multicultural and multiethnic diversity of our nation and world specifically as it impacts learning and practice in their chosen field of study.

Faculty

Earl D. Bland, Chair of the Department of Behavioral Sciences; Professor of Psychology, 1999-

Basil "Bo" R. Cassell, Assistant Professor of Sociology, 2007-

Todd C. Hiestand, Associate Professor of Criminal Justice, 2005-
B.A., MidAmerica Nazarene University, 2002; J.D., University of Nebraska-Lincoln, 2005.

Arvin F. Oke, Research Professor of Psychology, 2000–

Daniel L. Partrich, Associate Professor of Criminal Justice, 1997-
B.S., Central Missouri State University, 1981; M.S., Central Missouri State University, 1982.

Russell R. Reglin, Associate Professor of Psychology, 1990-
B.A., MidAmerica Nazarene University, 1982; M.S., Avila College, 1989.
**Learning Objectives:**

1. Students will demonstrate familiarity with the major concepts, theoretical systems and empirical findings in psychology (current and historic) specifically related to developmental concerns, biological influences, normal and abnormal behavior and mental processes.

2. Students will grasp the importance of research to the field of psychology and demonstrate an applied understanding of basic research methods, including experimental design, data analysis and interpretation.

3. Students will understand and be exposed to the application of psychological principles to personal, professional and social issues.

4. Students will realize the diversity of psychology as a discipline, explain the ethical principles that guide the field and qualify for employment or graduate study.

5. Students will evaluate the field of psychology from a Christian worldview and demonstrate critical thinking skills, tolerance of ambiguity and sensitivity to diversity.

**PSYCHOLOGY SENIOR COMPREHENSIVE**

A comprehensive examination is required to be passed by all senior psychology and business psychology majors before graduation. The comprehensive examination is meant to assess the student’s mastery of basic content areas of the curriculum.

The examination is administered by the Department in early November for psychology majors and in January for business psychology majors. Further details regarding the senior comprehensive in psychology are available from the Behavioral Science Department Chair. There is a $25.00 fee for this exam.

**PSYC 1101 ORIENTATION TO PSYCHOLOGY**

This course is intended for newly declared psychology majors or those who are seriously considering a major in psychology. The course introduces the rich and varied nature of psychological studies. Course emphasis includes: understanding the various career paths or graduate training available in psychology; an introduction to the basic content areas and methods of inquiry used by psychologists including library preparation; an overview of the learning requirements and opportunities available to psychology majors; and a tutorial on APA writing style.

**PSYC 1103 GENERAL PSYCHOLOGY**

Investigates basic concepts and theories related to the field of psychology, including its history and major systems, statistics, social foundations, human development, ethical issues in experimentation, current issues in the field and application to contemporary life. This course is a prerequisite for all psychology courses. Fall and Spring.

**PSYC 2303 UNDERSTANDING MULTICULTURAL BEHAVIOR**

Focuses on ways cultural environment other than one’s own impacts individual behavior, develops personal skills that enhance multicultural insights and understanding, raises self-awareness relative to the impact of sub- and dominate cultures, and studies socio-cultural systems in urban societies. Spring. (cf. SOCI 2303)
PSYC 2403 HUMAN SEXUALITY
The behavioral, psychological, and sociological components of human sexuality. Special care will be taken to present the material within a context of Christian values with emphasis on gender role and generational differences. Prerequisite: PSYC 1103 or PSYC 2503. Spring, alternate years.

PSYC 2503 LIFESPAN DEVELOPMENT I
Students learn the major developmental research and theories from conception through the end of adolescence. From a life cycle perspective the course examines the stages and tasks of development in light of physical, social, affective, and cognitive functions. Fall and Spring.

PSYC 3003 CONCEPTS IN PEER COUNSELING
Various approaches to counseling and their application to human problems. Particular emphasis is given to working with college students in the areas of study skills, and personal-social and career development. This course provides opportunity for students to become familiar with and to gain skills in various aspects of group dynamics and interpersonal relationships. Open to resident assistants only. Summer.

PSYC 3103 HISTORY AND SYSTEMS OF PSYCHOLOGY
Evolution of psychology as a science through a systematic review of the principal scientific and philosophical antecedents of modern psychology, and analysis of the status of the major theoretical schools of thought. Prerequisite: PSYC 1103. Fall.

PSYC 3203 THEORIES OF PERSONALITY
Development, structure, and dynamics of personality with emphasis on the major theories of personality and coordinating concepts. Prerequisite: PSYC 1103 and 2503. Fall.

PSYC 3403 LIFESPAN DEVELOPMENT II
This course examines developmental dynamics from young adulthood through maturity and old age. Specific attention is paid to the life cycle as it relates to the physical, social, cognitive, and affective components of adulthood including the challenges of death and dying. Fall and Spring. Prerequisite: PSYC 1103 and PSYC 2503.

PSYC 3503 BEHAVIORAL SCIENCE STATISTICS
Application of elementary descriptive statistics, statistical inference, and correlation and regression to behavioral science data, with an emphasis on the relationship of theory and method in the research setting. Prerequisites: PSYC 1103 and MATH 1103 or demonstrated Algebra proficiency. Fall and Spring. (cf. MATH 3503, SOCI 3503)

PSYC 3803 ABNORMAL PSYCHOLOGY
A general overview of the etiology and characteristics of abnormal behaviors and the effects of therapeutic interventions on these disorders. Prerequisites: PSYC 1103 and 2503. Fall and Spring. (cf. SOCI 3803)

PSYC 3913 SOCIAL PSYCHOLOGY
Behavior of individuals as influenced by the behavior of others and by the cultural setting. Prerequisite: PSYC 1103 or SOCI 1003. Fall. (cf. SOCI 3913)

PSYC 4003 PSYCHOLOGY AND CHRISTIANITY
This course is designed to deal with the theoretical and practical interface between the discipline of psychology and the Christian faith. Differing perspectives on integration will be explored with an emphasis towards constructing a workable and applicable understanding of how to deal with points of tension and conflict between these two worldviews. Prerequisites: PSYC 1103, PSYC 3303, PSYC 3103 or 3203 and Junior Standing. Fall.
PSYC 4103 PHYSIOLOGICAL PSYCHOLOGY
This course focuses on the interaction between brain and behavior. The basic neuronal mechanisms of information processing is investigated and followed by an exploration into the neurobiological basis of selected behaviors such as sleep, mental illness, sexual behavior, pleasure, pain, and right/left hemispheric functioning. Prerequisites: PSYC 1103 and 2503. Fall.

PSYC 4203 PSYCHOLOGY OF LEARNING
This course examines traditional learning theories from the perspective of behaviorism and cognitive psychology. Prerequisites: Psych 1103 and 2503, plus six hours of upper-division in psychology. Spring.

PSYC 4303 RESEARCH DESIGN AND LAB
This course provides an understanding of the basis of research methodology, both experimental and non-experimental. Methodological principles are applied in the form of each student engaging in a research project provided by the instructor. Methodological application is furthered by critical analysis of selected research journal articles. Prerequisites: PSYC 1103 and 2503, PSYC 3503 and MATH 1103 recommended. Fall. (cf. SOCI 4303)

PSYC 4403 APPLIED RESEARCH AND LAB
Students will be expected to engage in a laboratory research project. The project will have contemporary scientific significance with potential publication value. The understanding of supplementary information related to the project from scientific literature will be expected. A write-up using the APA style will finalize the project. Training will be provided for such techniques as animal stereotoxic brain surgery and the use and preparation of neurotoxic substances. Prerequisites: PSYC 1103 and 2503, PSYC 3503, PSYC 4303 and MATH 1103 recommended. Spring. Instructor approval required.

PSYC 4503 PSYCHOPHARMACOLOGY
Investigates the neuroanatomy and synaptic mechanisms of various neurotransmitter systems. Drugs which are therapeutically effective in the area of mental health such as anxiety, depression, addictions, and schizophrenia will be studied with respect to these systems. Special emphasis will be given to the understanding of contemporary signal transduction mechanisms as it effects brain functioning and becomes a basis for new drug-brain interactions. Prerequisites: PSYC 1103, 2503 and 4103. Spring, alternate years.

PSYC 4603 FUNDAMENTALS OF COUNSELING
Various theoretical approaches and their effects on the counseling relationship. Prerequisites: PSYC 1103, 3103, 3203 and Junior Standing. Spring.

PSYC 4703 PSYCHOLOGICAL TESTING
Introductory course in psychometrics; designed to acquaint the student with a wide range of psychological tests, including training in administering, scoring and interpreting the more commonly used tests of intelligence, personality and aptitudes. Prerequisites: PSYC 1103, 2503, and 3503.

PSYC 4803 COGNITIVE NEUROPSYCHOLOGY
This course is designed to introduce the student to the rapidly expanding field of cognitive neuropsychology. The course will specifically address the brain-behavior link in the area of judgment, planning memory, and language. The course will largely be taught in a seminar format. Prerequisites: PSYC 1103 and 2503, and Junior or Senior standing.

PSYC 4883-4886 PRACTICUM/INTERNSHIP I
The student will be supervised by faculty in a practicum in the following settings: counseling, social case work, teaching, field research, other approved experiential situations. Graded as Pass/Fail. Fall and Spring. (cf. SOCI 4883-4886, CRIM 4883-4886)
PSYC 4903 INDUSTRIAL/ORGANIZATIONAL PSYCHOLOGY
This course is an introduction to the ways psychology is applied to understanding and managing human behavior in the work place. Specifically students will learn principles of individual, group, and organizational behavior and apply this knowledge to solve problems at work. In addition, topics such as selection and placement, employee training and development, organizational development and change, performance measurement and evaluation, quality of work-life, consumer psychology, and engineering psychology will be addressed.

*The American Bar Association does not recommend any specific major or course of study to prepare for a post-graduate legal education. Students are admitted to law school with diverse backgrounds, life experiences, and college degrees. Consequently, the Minor in Legal Studies is not intended to serve as a comprehensive preparation for the rigors of law school. Courses in the Minor in Legal Studies cover such wide-ranging topics as the structure and function of the judicial system, the analysis of contemporary issues through the eyes of the Constitution, and the interaction of business and law.

CAREER ALTERNATIVES IN THE DEPARTMENT OF BEHAVIORAL SCIENCES

Your choice of an academic concentration does not lock you into a limited range of jobs. Your academic concentration will prepare you for an entry-level position in several occupational areas which may be less obvious. It is not the academic area alone that prepares you for employment, but your total range of present skills, behavior patterns and accumulated knowledge. The following job titles represent a sampling of positions which relate directly to Department majors. For further information contact the Department faculty.

Criminal Justice: law enforcement (local, state, federal), court officer/administrator, juvenile justice counselor, corrections officer, court support services, correctional treatment specialist, probation/parole officer, victim services.

Psychology: caseworker, youth services worker, law enforcement officer, psychological technician, probation/parole officer, customer relations, vocational rehabilitation counselor.

Sociology: social casework, child care or youth service, rehabilitation counseling, program evaluation, market research.
DEPARTMENT OF FINE AND PERFORMING ARTS

Statement of Mission:
1. To support the Christian mission of MidAmerica Nazarene University by fostering the development of knowledge and skills necessary to encourage personal and professional creativity within school, church, community and the world by honoring the dignity and worth of all individuals and by encouraging diversity within our faculty and student body.
2. To support the general education program of MidAmerica Nazarene University and thereby further develop all MNU students through class offerings in the arts.
3. To support the educational mission of MidAmerica Nazarene University by offering academically rigorous majors in Music, Music Education, and Theatre.
4. To facilitate the development of broadly educated individuals with specific skills in: artistic expression, use of technology, collaboration, research and creative presentation.

MUSIC

MidAmerica Nazarene University is an accredited institutional member of the National Association of Schools of Music.

Two degree programs are available: the Baccalaureate Degree in Music Education, the Liberal Arts Degree in Music with elective emphasis in music ministry, applied music pedagogy, music performance, and the Liberal Arts Degree in Music Business.
Objectives:
Each of the areas of specialization has as its objective the following:

1. **Music Education.** To qualify students for licensure to teach vocal and instrumental music in all grades, Pre-K to 12, in the public schools in the State of Kansas.

2. **Music.** To provide the student with maximum flexibility in the pursuit of a career in music or in preparation for graduate study in a number of music-related areas.

3. **Music Ministry.** To equip the student with the skills necessary to function effectively as a leader in music and worship in the local church setting in either a full- or part-time capacity.

4. **Applied Music Pedagogy.** To equip the student with the necessary skills and experience to work effectively as a teacher in the private studio setting.

5. **Performance.** To prepare students with superior performance ability for graduate study in the pursuit of a career in performance or college-level teaching. An audition is required, usually at the end of the freshman year, for official admission to this program.

6. **Music Business.** To prepare students for a variety of vocations related to music and business.

MATRICULATION
Formal admission to the music program is based upon the initial audition in the student’s primary performing area(s) and upon passing the music theory placement exam. Students who are not at college level in these areas may be provisionally admitted. Each student’s progress will be evaluated at the end of the first semester. Full admission may be granted at that time, provided adequate progress has been made.

All music students will meet certain requirements in the areas of applied music, music ensemble, piano and attendance at concerts and recitals. These requirements may vary according to the type of concentration and are detailed more specifically in the various music emphasis programs that follow. Each music major will be required to participate for credit, in at least one ensemble every spring and fall semester during his entire program with the exception of the semester of student teaching.

A minimum grade of “C” must be achieved by music majors in every course required for their major. If this minimum is not met, the course must be repeated.

MUSIC/GENERAL EDUCATION
Students pursuing the liberal arts programs (music, pedagogy, performance, music ministry and music business) will be required to meet the general education requirements as well as the requirements for the music major. Students planning to prepare for teacher education (Bachelor of Music Education) will be required to take professional education courses as well as the general education core as specified for this professional degree.

RECITALS
All music programs, except Music Business, require the preparation and presentation of a recital. The recital requirements vary with the major. The student should check with the advisor upon registration for these requirements of the Department.
Students will register for Applied Private 3301 Junior Recital or Applied Private 4301 Senior Recital in lieu of or in addition to the regular applied private credit for that particular semester. Regular applied music fees are charged for these courses. Enrollment in Junior/Senior Recital includes one private lesson per week.

PIANO PROFICIENCY

Completion of the piano proficiency component is accomplished through a basic understanding of the keyboard and demonstrates requirements for performance at the piano. This includes basic four-part reading and ability to accompany and improvise.

All music degree students must enroll in class piano their first semester in college unless they are able to pass piano proficiency at the time of enrollment. Each music degree student must continuously be enrolled in class piano or private piano until completing the piano proficiency requirement. An entry showing successful completion of the proficiency requirements will appear on the transcript of each music degree student. Piano Proficiency must be passed prior to approval for student teaching.

APPLIED MUSIC

Individual lessons are offered in voice, organ, piano, guitar, and orchestral instruments. The applied music requirement for each degree is to be fulfilled in one area and not split between areas. Private lessons in applied music are weekly thirty-minute periods and bi-weekly one-hour studio classes resulting in one semester hour credit. Private lessons in guitar and orchestra instruments are weekly forty-five minute lessons. Two semester hours credit may be received for one-hour (instrumental - one-and-one-half hour) lessons or two one-half hour (instrumental - forty-five minute) lessons taken during fall or spring semesters. The student must practice at least five hours per week for each semester hour of credit earned. Each student with a music emphasis should check carefully with his advisor to assure proper progress from the time of first enrollment in the applied area.

Advanced piano students may be able to take private lessons on first enrollment. However, most beginning college music students will take one or more levels of class piano before entering private piano study. Non-music majors may take private applied lessons with the permission of the department Chair. Private applied lessons will be made available to qualified non-major students according to the amount of instructor time available. Piano classes meet for two hours each week for two semester hours of credit.

PERFORMANCE ATTENDANCE

Students in all concentrations of music are required to attend musical functions and activities. Music degree students are required to attend ten (10) of these activities during each semester of their college enrollment. Students enrolled in APPR 1001-1002 are required to attend five (5) musical functions. Attendance records are kept in the Fine Arts office.

APMU 1502 CLASS PIANO I
For all beginning piano students unless excused by proficiency examination. May be taken up to three times for credit. Meets twice weekly. Fall and Spring.

APMU 1602 CLASS PIANO II
Class and individual work in piano technique and introduction of major piano repertoire and keyboard harmonization. Meets twice weekly. May be taken up to three times for credit. Prerequisite: APMU 1502 or equivalent. Fall and Spring.

APMU 1702 CLASS PIANO III
Continued work on piano technique, piano repertoire, and keyboard harmonization. Meets twice weekly. May be taken up to three times for credit. Prerequisite: APMU 1602 or equivalent. Fall and Spring.

APMU 2502 CLASS PIANO IV
A course designed to help music emphasis persons gain skills necessary to pass the piano proficiency requirement. The class deals with the playing of major and minor scales and chord progressions, patriotic songs, hymns, keyboard harmonization, accompaniment patterns, transposition, sight-reading, improvisation, and repertoire performance. Meets twice weekly. May be taken up to three times for credit. Prerequisite: APMU 1702 or equivalent. Fall and Spring.

APMU 3002 PIANO CLASS FOR CHURCH MUSICIANS
An application of styles of keyboard playing as they relate to music in evangelistic and worship services and in special use (weddings, offertories, etc.). Accompanying, improvising, transposing, arrangements, and modulations will be studied along with technique, harmonization, and sight-reading skills. Prerequisite: APMU 2502 or equivalent. Spring, even numbered years.

MUSIC MINISTRY

CMUS 2001 HANDBELL METHODS
Fundamental instruction in handbells. Methods of organizing and conducting handbell choirs will be considered.

CMUS 3403 CHURCH MUSIC AND HYMNODY
A study of music with its implications for the worship and evangelistic services of the church as well as a study of the historical development of music in the church. Fall, odd years.
CMUS 4003 CHURCH MUSIC ADMINISTRATION
A course designed for church music majors and minors, those who may be involved in
directing choirs, or persons working with music in the church. Graded choir programs will be
studied. Administrative duties of various persons likely to be involved in the total church
program will be included. Spring, even years.

CMUS 4183 MUSIC MINISTRY PRACTICUM
This course gives the students opportunity to work in a local church setting, applying what
they have learned under the supervision of a mentor. Prerequisites: completion of Piano
Proficiency and all music course requirements.

FINE ARTS

FNAR 1103 INTRODUCTION TO FINE ARTS
An introduction to the study of masterpieces in music and art from early Greek to modern
times. Painting, sculpture, architecture and music are covered from each historical period of
art. Works of art, slides and musical recordings are used extensively.

FNAR 1203 MUSIC IN WORLD CULTURES
This course is an introduction to the music of world cultures. The influence of culture upon
music will be examined as music is studied as an expression of culture. Audio and audio-
visual recordings will be used extensively. Students will also perform on instruments from
many of the cultures studied. Fall semester.

FNAR 3202-3203 OPERA WORKSHOP
Includes the study, rehearsal, and performance of selected operas and/or excerpts. Included
will be training in various aspects of opera: staging, lighting, costumes, cosmetics, set design,
etc.

Prerequisite: SPAN 1104 and 1204, two years of high school Spanish or satisfactory achievement on a placement exam. Fall.

SPAN 2204 INTERMEDIATE SPANISH II
A further Spanish language course emphasizing higher level grammar proficiency with an intermediate level progression of the language skills. A dditional study of the history of the Spanish speaking people, as well as an introduction to literature, will be incorporated. A auditory component is required. Tutoring sessions required. Prerequisite: SPAN 1104, 1204 and 2104. Spring.
SPAN 3003 HISPANIC CULTURES
A study of the culture and heritage of indigenous and Hispanic peoples through an understanding of their history, customs, and language. (Course taught in English.) Spring.

SPAN 3103 ADVANCED CONVERSATION
A series of activities designed to increase fluency and facility in the language emphasizing oral proficiency at a minimum of intermediate level. May be taken as a travel course. Prerequisite: SPAN 1104, 1204 and 2104. Fall, even years.

SPAN 3203 ADVANCED GRAMMAR AND COMPOSITION
A course designed to improve the student’s proficiency in writing the target language, while improving grammar skills at the advanced level. Prerequisite: SPAN 2204 or consent of instructor. Spring, even years.

SPAN 3301 LANGUAGE PRACTICUM
A course designed to learn the general, introductory Spanish vocabulary needs in a given occupational field (such as business, communication, education, law enforcement, medicine, ministry, and social work). Prerequisite: SPAN 2204 or consent of instructor. Fall.

SPAN 3303 INTRODUCTION TO LINGUISTICS
A beginning course in the scientific study of language. Areas of study include phonology, morphology, syntax and traditional, structural and transformational grammars. Attention is given to the history and development of the English language, from Old English to present day regional variations. The course meets linguistics requirements for foreign language students (both Spanish and French). (cf. FREN 3303, ENGL 3303) Spring.

SPAN 4112 METHODS OF TEACHING SPANISH
Theory and practice of methodologies in the field. Permission only. Concurrent enrollment in EDUC 3610 and EDUC 3614 is required. Fall and Spring.

SPAN 4403 PENINSULAR LITERATURE
The study of selected examples of masterpieces in Spanish Literature. Emphasizing themes and movements representing various periods, from El Cid through the 20th Century. Prerequisites: SPAN 3103 and SPAN 3203, or consent of the instructor. Fall, odd years.

SPAN 4503 LATIN AMERICAN LITERATURE
A study of the different literary genres featuring representative works from Mexican, Central and South American writers. Prerequisites: SPAN 3103 and SPAN 3203, or consent of the instructor. Fall, even years.

SPAN 4702 ADVANCED LANGUAGE PRACTICUM
An advanced off-campus laboratory course designed for students to apply specific Spanish vocabulary in a given occupational field (such as business, communication, education, law enforcement, medicine, ministry, and social work). Prerequisite: SPAN 3301. Spring.

REQUIREMENTS FOR THE MAJOR IN SPANISH
It is recommended for all Spanish/Modern Languages majors to experience living in the country of the target language for a minimum of three weeks. See Modern Languages faculty for arrangements.
SPANISH SENIOR COMPREHENSIVE

All seniors majoring in Spanish must take the prescribed comprehensive examination prior to their final semester of study. This examination must be passed satisfactorily the first time or the specific area of deficiency must be made up before graduation in consultation with the Spanish faculty.

Spanish education majors must pass or make at least one attempt to pass the Kansas State Content test prior to student teaching.

CAREER ALTERNATIVES IN THE DEPARTMENT OF HUMANITIES

Your choice of an academic concentration does not lock you into a limited range of jobs. Your academic concentration will prepare you for an entry-level position in several occupational areas which may be less obvious. It is not the academic area alone that prepares you for employment, but your total range of present skills, behavior patterns and accumulated knowledge.

The following job titles represent a sampling of positions which relate directly to communication. For further information, contact the MNU Career Development Center.

**English:** Copy editor, proofreader, publicity, free-lance writer, teacher, editor, reporter, speech writer, advertising, research assistant (documents and records).

**Foreign Language:** Translator, language teacher, interpreter, import/export agent, foreign service officer, travel/tour agent, financial officer, realtor, hospitality services, nursing, law enforcement, ministry.

**Communication:** Teacher, advertising, sales, marketing, speech writer, columnist, ministry, announcer, public relations, human relations, reporter, producer.

**Communication/Business:** Personnel assistant, employee/labor relation, employment interviewer, consumer representative, broadcaster, human resources.

**Political Science:** Administrative assistant (federal, state, local government), intelligence specialist (FBI, CIA, military), campaign manager, law enforcement officer, teacher, legislative aide, foreign service officer, research assistant (documents and records).

**History:** Archivist, teacher, author, lawyer, genealogist, curator, archeological assistant, supervisor of historic site, research assistant (documents and records).

**Graphic Design:** Art Director, Product Designer, Corporate In-house Designer, Freelance Designer, Publication Designer, Environmental Designer, Sign System Designer, Print Production Artist, Digital Prepress Technician, Digital Illustrator, Web Site Designer, Web Programmer, Animation Designer, Animation Programmer, Video Graphic Designer, Screen Printer.
DEPARTMENT OF SCIENCE AND MATHEMATICS

**Course Offerings:** Biology, Chemistry, Computer Science, Engineering, Forensic Science, General Science, Mathematics, Physics

**Department Mission Statement:**

The Department of Science and Mathematics seeks to prepare all students for a life of service, learning and responsible living. Therefore, the Department purposes to develop in our students an understanding and appreciation of the strengths and limitation of scientific thought, encourage continual stewardship of the created order, promote a recognition of the value of logic and creativity in critical thought, and accurately present the role of science in contemporary culture. We encourage harmony in the dialogue between scientific study and faith to engender a sense of celebration of the intrinsic beauty of the universe.

**FACULTY**

**RICKEY D. BADLEY,** Chair of the Department of Science and Mathematics; Professor of Chemistry, 1994-
B.S., Southwestern Oklahoma State University, 1984; Ph.D., Oklahoma State University, 1989.

**MARK A. BROWN,** Associate Professor of Mathematics, 2002-
B.A., MidAmerica Nazarene University, 1991; M.S., Wichita State University, 1993.

**STEPHEN L. COLE,** Professor of Biology, 1969-
A.B., Bethany Nazarene College, 1967; M.S., Oklahoma State University, 1971; Ph.D., University of Kansas, 1980.

**LARRY J. HAFFEY,** Professor of Computer Science, 1986-

**SCOTT C. LAIRD,** Associate Professor of Agriculture, 1993-
B.S., MidAmerica Nazarene University, 1986; M.S., Iowa State University, 1994.

**JAMES LEININGER,** Assistant Professor of Mathematics, 2003-

**MICHAEL E. McLANE,** Assistant Professor of Mathematics/Computer Science, 1991-
B.A., MidAmerica Nazarene University, 1977; M.S., Purdue University, 1979.

**WILLIAM W. MORRISON,** Associate Professor of Biology, 1981-

**W. MATTHEW SATTLEY,** Associate Professor of Biology, 2008-

**JUSTIN J. STACE,** Assistant Professor of Chemistry, 2007-
B.S., Western Kentucky University, 1999; M.S., University of Cincinnati, 2003; Doctoral Candidate, University of Cincinnati.
Objectives:
1. To encourage students in developing an understanding of biological principles.
2. To help students learn the methods and skills necessary for effective organization and study of biological information.
3. To develop within students an appreciation for the beauty, design and extent of the living world.
4. To help students contemplate the relationship between biological sciences and the Christian faith.
5. To introduce students to the trends in contemporary biological research.
6. To prepare students for careers in biology and for entrance into preprofessional and graduate schools.
7. To meet the needs of non-major students who desire a broad education or specific courses required for their preprofessional preparation.

**BIOL 1003 PRINCIPLES OF BIOLOGY**
A study of structure and function at the cell, organism, population, and community levels. Designed to meet the needs of the general education student or other non-majors interested in biology. Three class hours per week. Fall, every year, and Spring, even years.

**BIOL 1104 GENERAL ZOOLOGY**
A study of the basic principles of animal structure and function. Focus is on broad issues of organization, mechanisms, homeostasis, behavior, and ecology. The course includes a general survey of the variety of animal life. Three class hours and three hours of laboratory per week. Fall.

**BIOL 1304 BOTANY**
A study of the structure and related function of plants. In the laboratory, experiments will demonstrate the fundamentals of plant anatomy and physiology. Microscopic, preserved and living specimens are used to illustrate tissue and plant structures. Three class hours and three hours of laboratory per week. Spring.

**BIOL 1504 ANATOMY AND PHYSIOLOGY I**
A study of the human body integrating microscopic and gross anatomy with physical and chemical principles of various organ systems. Course designed for nursing students and those with an area concentration in physical education. Not recommended for pre-medical students or those with a major in biology. Three class hours and three hours of laboratory per week. Fall.

**BIOL 1604 ANATOMY AND PHYSIOLOGY II**
A continuation of BIOL 1504. Three class hours and three hours of laboratory per week. Prerequisite: BIOL 1504, and CHEM 1005 or 1104 recommended. Spring.

**BIOL 2005 MICROBIOLOGY**
A study of the morphology and physiology of microorganisms with emphasis upon bacteria. The laboratory provides experience in analytical techniques and pure culture methods. Three class hours and six hours of laboratory per week. Prerequisite: CHEM 1005 or 1104 and one laboratory course in the biological sciences. Fall and Spring. (cf. FRNS 2005)

**BIOL 3003 HUMAN GENETICS**
A consideration of the principles of heredity in human beings with special attention given to
related social, legal and ethical issues. Designed to meet the needs of the general education student or other non-majors interested in genetics. Spring.

**BIOL 3105 COMPARATIVE CHORDATE ANATOMY**
A morphological study of the major organ systems of representative chordate animals. A basic course for students with a major in biology, especially those interested in medicine. Three class hours and six hours laboratory per week. Prerequisite: BIOL 1104. Spring.

**BIOL 3204 GENETICS**
A study of the fundamental principles of inheritance considering the molecular, cytological, and population evidences. Three class hours and three hours of laboratory per week. Prerequisite: one lab course in biology and MATH 1203. Fall, even years. (cf. FRNS 3204)

**BIOL 3303 BIOCHEMISTRY**
A study of the molecular components of cells, catabolism, biosynthesis, and the replication, transcription and translation of genetic information. Prerequisite: CHEM 3103. Spring, even years. (cf. CHEM 3303, FRNS 3303)

**BIOL 3404 VERTEBRATE EMBRYOLOGY**
A study of vertebrate development from gametogenesis through organogenesis. Representative amphibian, avian and mammalian groups are examined. Three class hours and three hours of laboratory per week. BIOL 3105 recommended. Spring, even years.

**BIOL 3503 IMMUNOLOGY**
An introduction to the study of the immune response, covering such areas as immunobiology, immunochernistry, serology, hypersensitivity and autoimmunity. Prerequisite: 1 course in biology and CHEM 3003.

**BIOL 3601-3 BIOLOGY RESEARCH 1**
A laboratory or field research project directed by a faculty member. The student will work with the professor to design, conduct and report a project suitable for publication. The student will be expected to do literature research related to the topic, learn the basic skills associated with the project and report the work in a form consistent with the requirements of publications in the discipline. Prerequisite: Three courses in biology and permission of the instructor.

**BIOL 3702 METHODS OF TEACHING SECONDARY BIOLOGY**
A study of objectives, strategies and methods required for teaching Biology secondary education classes with an emphasis on developing appropriate laboratory preparation techniques and on using current technologies in the classroom. Concurrent enrollment in EDUC 3610 and EDUC 3614 is required. Offered on an ARRANGED basis as needed.

**BIOL 3804 ECOLOGY**
A study of plants and animals in relation to their biotic and abiotic environment. Field work will be part of the laboratory. Three class hours and one three-hour laboratory period per week. Prerequisite: 1 course in biology. Fall, odd years.

**BIOL 4204 PHYSIOLOGY**
A study of the function of the body systems of vertebrate animals with special emphasis on human physiology. Laboratory work is based primarily on animal function as recorded computerized data acquisition systems. Three class hours and one three-hour laboratory period per week. BIOL 3105, CHEM 3003, and BIOL 4403 are recommended. Spring, odd years.

**BIOL 4403 CELL BIOLOGY**
A study of biochemical activities, and the structural and functional characteristics of cells. Prerequisites: One biology course and CHEM 3003. Fall, even years.
**BIOL 4503 HISTOLOGY**
A study of the microanatomy of the tissues and organs of mammals. Prerequisites: BIOL 3105; CHEM 3003 recommended.

**BIOL 4602 ANIMAL BEHAVIOR LAB**
Laboratory and field work in the behavior of animals. Emphasis is on direct observation of what animals do in wild and captive situations. One hour of class meeting and three hours of observation per week. Prerequisite: BIOL 4603 or instructor’s permission. Fall, odd years.

**BIOL 4603 ANIMAL BEHAVIOR**
An examination of the basic principles of animal behavior. Emphasis is placed on perceptual mechanisms and information processing. Three class hours per week. BIOL 3105 recommended. Spring, odd years.

**BIOL 4701-3 BIOLOGY RESEARCH II**
A continuation of Biology Research I. Prerequisite: Permission of the instructor.

**BIOL 4862-4864 SPECIAL TOPICS IN BIOLOGY**
Advanced studies in specialized areas of biology. Prerequisites: Three courses in biology and permission of the instructor.

**BIOL 4901 BIOLOGY SEMINAR**
A course which helps the student to research a topic of current biological interest and present it for group discussion in a manner that demonstrates professional presence and the ability to think critically. Three courses in college biology prerequisite. One class hour per week. Fall.

**BIOL 4971-4973 DIRECTED STUDY**

**BIOL 4991 THE SENIOR YEAR**
A preparation for graduation and an assessment of the student and the Biology Program. The course involves an assessment of biological knowledge, a directed review of areas of identified weakness and taking the Biology Comprehensive Exam. The course is also designed to accomplish certain tasks related to graduation and to program assessment. One class hour per week. Fall.

---

**CHEMISTRY**

**Objectives:**

1. To cultivate the scientific spirit and approach through instruction in the modern methods of pure and applied chemistry.
2. To provide a background for graduate and medical study.
3. To equip students for work in industry and government.
4. To encourage a harmony between science and the Christian faith.

**CHEM 1005 INTRODUCTION TO CHEMISTRY**

An introduction to general, organic and biochemistry. Provides a basis for additional study for health-science oriented students. Four lecture sessions and one laboratory per week. Does not apply to a major in chemistry. Fall.

**CHEM 1104 GENERAL CHEMISTRY I**

The first semester of a year-long course in chemistry for science majors. This course will cover measurement, stoichiometry, aqueous reactions, atomic structure and periodicity, bonding models and the gas laws. This course includes a three-hour laboratory per week. Prerequisite: two years of high school algebra and one year of high school chemistry, or permission of instructor. Fall.
CHEM 2103 GENERAL CHEMISTRY II
The continuation of Chemistry 1104. Topics covered include molecular shape and structure, liquid and solid behavior, thermodynamics, acid/base chemistry, electrochemistry, and chemical kinetics. Prerequisite: CHEM 1104 or permission of instructor. Spring.

CHEM 2202 GENERAL CHEMISTRY II LABORATORY
Practical experiments in liquid and solid behavior, acid/base chemistry, electrochemistry, kinetics and environmental chemistry designed to compliment CHEM 2103. Two three-hour labs per week. Prerequisite: Chem 1104. Corequisite: Enrollment in CHEM 2103. Spring.

CHEM 3003 ORGANIC CHEMISTRY I
An introduction to the structure, reactions, and nomenclature of the compounds of carbon. Prerequisite: CHEM 2103. Fall.

CHEM 3102 ORGANIC CHEMISTRY I LABORATORY
An introduction to procedures for laboratory preparation, purification and identification of organic compounds. Six hours per week. Fall.

CHEM 3103 ORGANIC CHEMISTRY II
A continuation of Chemistry 3003 with emphasis on organic syntheses, reaction mechanisms, and an introduction to biochemistry. Prerequisite: CHEM 3003. Spring.

CHEM 3202 ORGANIC CHEMISTRY II LABORATORY
Problems in synthesis and qualitative analysis of organic compounds. Six hours per week. Prerequisite: CHEM 3003 and 3102. Spring.

CHEM 3205 QUANTITATIVE ANALYSIS
The theory and practice of quantitative analysis. Emphasis is placed on volumetric, gravimetric and other “wet chemistry” methods of analysis. Topics covered: Experimental design and error analysis, complex formation, acid/base chemistry and titrations, complexometric titration, ISE theory, and ionic strength. Spring, even years. (cf. FRNS 3205)

CHEM 3303 BIOCHEMISTRY
A study of the molecular components of cells, catabolism, biosynthesis, and the replication, transcription and translation of genetic information. Prerequisite: CHEM 3103. Spring, even years. (cf. BIOL 3303, FRNS 3303)

CHEM 3403 FORENSIC CHEMISTRY
An introduction to the laboratory techniques and procedures used in forensic chemistry applications. Two hours of lecture and three hours of lab per week. (cf. FRNS 3403)

CHEM 3803 PHYSICAL CHEMISTRY I
An introduction to the basic concepts of physical chemistry: the Laws of Thermodynamics, phase equilibria, reaction equilibria, and ideal solution behavior and its deviations. Prerequisites: CHEM 3103, MATH 1505, or permission of the instructor.

CHEM 4003 INSTRUMENTAL ANALYSIS
An in-depth study of the theory of and practical operation of instrumentation common to forensic and research chemistry laboratories. HPLC, GC/MS, AA, UV-Vis and IR spectroscopy will be covered in detail, with focus on separation and identification of chemical agents. The class will involve several laboratory projects. Prerequisite: CHEM 3103 and CHEM 3205 or permission of the instructor. Three hours of lecture per week. (cf. FRNS 4003)

CHEM 4103 PHYSICAL CHEMISTRY II
An introduction to the laws that govern the fundamental behavior of matter: quantum mechanics and its application to atomic structure and reactivity. The course will also provide
an introduction to chemical kinetics and reaction dynamics. Prerequisites: CHEM 3103, MATH 1505, or permission of the instructor. Fall, odd years.

**CHEM 4203 POLYMER CHEMISTRY**
An introduction to the structure, synthesis, properties, characterization, and processing of synthetic polymers. The course will include a laboratory project. Prerequisite: CHEM 3103 or permission of the instructor.

**CHEM 4303 INORGANIC CHEMISTRY**
A study of the advanced principles of Inorganic Chemistry. Topics include: bonding theories, coordination chemistry, symmetry and group theory, crystal field theory and an introduction to bioinorganic chemistry. Prerequisite: CHEM 3103 or permission of the instructor.

**CHEM 4803 CHEMISTRY RESEARCH**
The student will choose a project related to the overall research goals of the instructor, and conduct literature research and laboratory research on their project. An oral defense, oral update, and journal-style write up of their research are required. Fall.

**CHEM 4901-4903 DIRECTED RESEARCH**
A follow-up to CHEM 4803 for students who would like to do additional chemical research. Prerequisite: CHEM 4803.

**CHEM 4971-4973 DIRECTED STUDY**
**CHEM 4563 SPECIAL TOPICS IN CHEMISTRY**
Topics in advanced analytical, inorganic or organic chemistry. Prerequisite: junior or senior standing and consent of instructor.

COMPUTER SCIENCE

Objectives:

1. Provide each graduating major with depth and breadth in the subject areas of the core requirements. This will include an integrated learning across all course units.
2. Ensure that students have an understanding of the basic cultural, social, legal and ethical issues associated with the discipline of computing.
3. Provide sufficient laboratory and hands-on experience so that students are able to transcend the gap from theory to practice. This will include adequate skill in the use of modern computing equipments (hardware and software).
4. Ensure that students learn to function as team-members, have the ability to read and understand published literature in the field and can competently address technical subjects orally.
5. Prepare students for careers as professionals in the field of computing. Some will begin careers immediately upon graduation while others will attend graduate school.

COMP 1303 COMPUTING FOR THE LIBERAL ARTS
A presentation of the fundamentals of computer-based information systems with emphasis on their use in a multi-disciplined environment. Specific applications will include word-processing, spreadsheeting, integrating software tools, and the INTERNET. (Does not count toward a major or minor in Computer Science or MIS.) Fall and Spring.

COMP 2003 FUNDAMENTALS OF CIRCUIT ANALYSIS FOR DIGITAL DESIGN
An introduction to DC circuit analysis up through and including transistor circuits. The course will also be comprised of a presentation of digital logic gates, and the use of such in implementing combinational logic for digital systems. Closed lab. Spring.

COMP 2104 PROGRAMMING FUNDAMENTALS
A first course in programming with an emphasis on program design, fundamental programming constructs, algorithm design, and problem solving. Prerequisite: prior programming experience or permission of the instructor. Closed lab. Spring.

COMP 2303 VISUAL BASIC PROGRAMMING
An introduction to a programming tool which has become the choice of developers for user-friendly applications in the business world. This is an introduction into the world of development for Windows applications. Prerequisite: COMP 2104 or permission of the instructor. Fall, even years.
COMP 2903 DIGITAL SYSTEMS
This course will follow COMP 2003 to include a study of sequential logic and its applications in digital systems. It will also include a machine level representation of data, an introduction to assembly language programming to understand hardware/software interaction, and digital communication. Closed Lab. Prerequisite: COMP 2003 and COMP 2104. Fall.

COMP 3003 DISCRETE STRUCTURES
A survey of mathematical topics with applications in computer science. Topics include set theory, functions, elementary propositional and predicate logic, proof techniques (including induction and indirect proof techniques), Boolean Algebra, elementary graph theory, and matrices. Prerequisite: MATH 1405 or approval by Math Department evaluation. Spring. (cf. MATH 3003)

COMP 3203 SOCIAL AND PROFESSIONAL ISSUES
This course will include the history of computing, the social context of computing, professional and ethical responsibilities, risks and liabilities of computer-based systems, intellectual property, computer crime, economic issues in computing, and privacy and civil liberties issues. Spring.

COMP 3204 DATA STRUCTURES
Introduction to data structures and their applications; includes stacks, queues, lists, trees as well as sorting and searching techniques. Incorporates elements of the design and study of algorithms. Closed lab. Prerequisite: COMP 2104. Spring.

COMP 3403 COMPUTER ORGANIZATION AND ARCHITECTURE
Principles of computer architecture with an emphasis on systems. Elementary as well as state-of-the-art systems will be presented. Prerequisite: COMP 2903. Spring, even years.

COMP 3503 DATABASE SYSTEMS
Introduction to relational databases and database management systems. Comparison of relational, network and hierarchical models. Programming in SQL will be included. Prerequisite: COMP 1303; and COMP 2104 or permission of the instructor. Fall, odd years.

COMP 3603 COMPUTER GRAPHICS
Fundamentals of computer graphics, including devices, operations and software systems. Prerequisite: COMP 3204, and MATH 1203 or MATH 1405. Fall, even years.

COMP 3903 OPERATING SYSTEMS
An introduction to operating systems, including a brief historical perspective. Fundamental topics include memory management, file management, resource management and multiprogramming. Prerequisite: COMP 2104 and COMP 2903. Fall.

COMP 4103 INTELLIGENT SYSTEMS/ROBOTICS
A course which covers the fundamental issues in intelligent systems, knowledge representation and reasoning, and the foundations of the human-computer interaction. The course will include a closed lab where experiments will be conducted with a student-constructed robot. Closed lab. Prerequisite: COMP 2903 and 3403. Spring, odd years.

COMP 4303 MANAGEMENT INFORMATION SYSTEMS
A history of MIS, system theory and the role of computer-based information systems in the modern organizational setting. Fall.

COMP 4603 NUMERICAL ANALYSIS
Numerical methods are applied to problems in differential equations, integration, matrix inversion, estimation of characteristic roots, successive approximations. Prerequisite: COMP 2104, MATH 1405 and MATH 2003 or MATH 3103. Fall, odd years. (cf. MATH 4603)
COMP 4703 CURRENT PROGRAMMING LANGUAGE
An introduction to programming in a current language of choice. The course will cover the
program process from program development through correct program testing. Prerequisite:
COMP 2104 or permission of the instructor. Spring, odd years.

COMP 4803 THEORY OF COMPUTATION
This course presents the theory of computability, including a study of form of languages,
automata, recursive functions and Turing machines. Prerequisite: COMP 3003. Fall, odd years.

COMP 4881-4883 INTERNSHIP
The student will apply knowledge and skills in Computer Science in a professional
organization under the supervision of faculty. Written reports will be submitted to the
professor by the supervisor of the student in the cooperating organization and by the student.
Consent of the professor is required before enrollment.

COMP 4893 SENIOR SEMINAR

COMP 4961-4963 SPECIAL TOPICS IN COMPUTER SCIENCE
Presentation of current topics in computer science and topics not covered in other courses.
Spring, even years.

ENGINEERING

ENGR 1001 INTRODUCTION TO ENGINEERING I
A survey of the engineering profession. Students will examine the various engineering disciplines, explore educational requirements for the engineering profession, and assess aptitudes which help to determine success in the field. It will include a field trip and visits from practicing engineers.

ENGR 1002 INTRODUCTION TO ENGINEERING II
An introduction to the career of engineering from a practical standpoint. Students will work on representative engineering projects to gain a familiarity with the profession. Prerequisite: ENGR 1001.

FORENSIC SCIENCE

Objectives:
1. To provide a rigorous, science-based program in the forensic sciences.
2. To provide a foundation for graduate studies.
3. To prepare students for a career in forensic science, as well as traditional careers in biology or chemistry.
4. To provide sufficient laboratory and hands-on experience so that students can apply classroom theory to the practice of forensic science.
5. To ensure that students understand the ethical and legal aspects of forensic investigations.

FRNS 2005 MICROBIOLOGY
A study of the morphology and physiology of micro-organisms with emphasis upon bacteria. The laboratory provides experience in analytical techniques and pure culture methods. Three class hours and six hours of laboratory per week. Prerequisite: CHEM 1005 or 1104 and one laboratory course in the biological sciences. Fall and Spring. (cf. BIOL 2005)
FRNS 3204 GENETICS
A study of the fundamental principles of inheritance considering the molecular, cytological, and population evidences. Three class hours and three hours of laboratory per week. Prerequisite: one lab course in biology and MATH 1203. Fall, even years. (cf. BIOL 3204)

FRNS 3205 QUANTITATIVE ANALYSIS
The theory and practice of quantitative analysis. Emphasis is placed on volumetric, gravimetric, and other “wet chemistry” methods of analysis. Topics covered: Experimental design and error analysis, complex formation, acid/base chemistry and titrations, complexometric titration, ISE theory, and ionic strength. Three lectures and two three-hour laboratory periods per week. Prerequisite: CHEM 2103. Spring, even years. (cf. CHEM 3205)

FRNS 3303 BIOCHEMISTRY
A study of the molecular components of cells, catabolism, biosynthesis, and the replication, transcription and translation of genetic information. Prerequisite: CHEM 3103. Spring, even years. (cf. BIOL 3303, CHEM 3303)

FRNS 3403 FORENSIC CHEMISTRY
An introduction to the laboratory techniques and procedures used in forensic chemistry applications. Two hours of lecture and three hours of lab per week.

FRNS 3603 FORENSIC BIOLOGY
An introduction to the laboratory techniques and procedures used in forensic biology applications.

FRNS 3703 PROCEDURAL LAW
The course examines the interaction of constitutional law and law enforcement procedure. Rationales of case law will be explored and discussed within the context of the exclusionary rule, search and seizure, interrogations and confessions, police line-ups, and right to assistance of counsel. Fall. (cf. CRIM 3703)

FRNS 4003 INSTRUMENTAL ANALYSIS
An in-depth study of the theory of and practical operation of instrumentation common to forensic and research chemistry laboratories. HPLC, GC/MS, AA, UV-Vis and IR spectroscopy will be covered in detail, with focus on separation and identification of chemical agents. The class will involve several laboratory projects. Prerequisite: CHEM 3103 and CHEM 3205 or permission of the instructor. Three hours of lecture per week. (cf. CHEM 4003)

FRNS 4805 CRIMINAL FORENSICS
Explores how science and technology can be applied to solve criminal acts. The course provides useful techniques, procedures and suggestions on how to locate, document, collect and process physical evidence associated with criminal acts. Three class hours and two hours laboratory per week. Prerequisite: Permission of instructor. Spring. (cf. CRIM 4805)

FRNS 4883 FORENSIC INTERNSHIP
Participation in a “hands-on” off-campus internship experience under the supervision of faculty. Written reports will be submitted to the professor by the supervisor of the student in the cooperating organization and by the student. The internship must be approved by the professor before enrollment.

GENERAL SCIENCE

GNSC 1001 BIOLOGICAL APPLICATIONS OF PHYSICAL SCIENCE
Relates the principles of earth and space science, chemistry, and physics to an understanding of biological concepts. Prerequisite: Concurrent enrollment in GNSC 1003 or permission of the instructor. Spring, odd years.

GNSC 1003 CONCEPTS IN PHYSICAL SCIENCE
Selected topics are taken from Physics, Chemistry and the Earth and Space Sciences, emphasizing the conceptual structure of science. Fall and Spring.

GNSC 2003 AGRICULTURE AND SUSTAINABLE FOOD SYSTEMS
This course is an introduction to the scientific principles of food production. The integration of soils, plants and animals into sustainable production systems is examined and the environmental impact of agriculture explored. The challenge of feeding the world through agriculture is emphasized and recent developments in agricultural technology are discussed and evaluated.

GNSC 3703 HUMAN NUTRITION
This course provides an introduction to the science of human nutrition. The nutrients, as well as their physiological functions, digestion, absorption, and metabolism are explored. The student will learn to interpret nutritional information, analyze their diet, and relate diet to diseases. The impact of diet throughout the life cycle is addressed.

GNSC 3801 ENVIRONMENTAL STEWARDSHIP
A development of sound principles of stewardship of the created order. The discussion centers on fundamentals of responsible attitude and action in the environment. Student participation in dialog is an important aspect of the course. Each student develops an environmental ethic for personal and corporate action. One class meeting per week. Fall and Spring.

GNSC 3803 ENVIRONMENTAL SCIENCE
An examination of living systems and their functional relationships with their environment. Special emphasis is given to development of sound principles of stewardship of the created order. Student participation in large and small group discussion is an important aspect of the course. Each student develops an environmental ethic for personal and corporate action. Three class meetings per week. Fall and Spring.
Objectives:

1. Students completing the baccalaureate program in Mathematics will have knowledge of calculus, linear algebra, abstract algebra, differential equations, discrete mathematics, statistics, computer programming, and mathematical technology.
2. Students completing the baccalaureate program in Mathematics will be able to think mathematically.
3. Students completing the baccalaureate program in Mathematics will be able to make connections within mathematics and to relate mathematics to other disciplines.
4. Students completing the baccalaureate program in Mathematics will possess professional skills to communicate mathematically in various settings.

MATH 1103 INTERMEDIATE ALGEBRA
A short review of the fundamental laws of algebra followed by a study of exponents, radicals, linear and quadratic equations, inequalities, polynomials, and polynomial functions. (Not counted for major, minor or math education majors.) Prerequisite: FRST 0903 or approval by Math Program evaluation. Fall and Spring.

MATH 1203 COLLEGE ALGEBRA AND TRIGONOMETRY
A study of properties of real numbers, functions, exponential and logarithmic functions, trigonometric functions, complex numbers, sequences and series. (Not counted for major, minor or math education major.) Prerequisite: MATH 1103 or approval by Math Program evaluation. On demand.

MATH 1253 FINITE MATHEMATICS
A study of finite mathematics and related topics including linear equations and inequalities, functions and graphs, the exponential and logarithmic functions, the mathematics of finance, systems of linear equations and matrices, linear inequalities and linear programming concepts. Additional advanced topics may be covered. Prerequisite: Math 1103 or approval by Math Program evaluation.

MATH 1355 PRECALCULUS
This course includes a study of properties of functions: linear, quadratic, polynomial, rational, exponential, logarithmic, trigonometric, and other elementary functions. It also includes the study of systems of equations, systems of inequalities, and conic sections. Significant time will be given to the study of trigonometry. Prerequisite: Math 1103 or approval by Math Program evaluation. Spring.

MATH 1405 ANALYTIC GEOMETRY AND CALCULUS I
An introduction to the differential calculus of elementary functions and its applications, with emphasis on the construction of mathematical models of real-world phenomena. Prerequisite: MATH 1203 or 1355 or approval by Math Program evaluation. Fall.

MATH 1505 ANALYTIC GEOMETRY AND CALCULUS II
This course is a continuation of differential calculus and an introduction to integral calculus and infinite series, with emphasis on the construction of mathematical models of real-world phenomena. Prerequisite: MATH 1405. Spring.
MATH 2003 ANALYTIC GEOMETRY AND CALCULUS III
An extension of differentiation and integration from univariate functions to multivariate functions. Specific topics include partial derivatives, multivariate chain rule, implicit function differentiation, multiple integration, and line integrals. Prerequisite: MATH 1505. Fall.

MATH 2203 MODERN MATH FOR THE ELEMENTARY TEACHER
Covers topics of elementary mathematics to meet the needs of students preparing to teach in the elementary school. Topics include sets, logic, systems of numeration, whole numbers, integers, rational numbers, real numbers, and informal geometry. Prerequisite: MATH 1103 or equivalent. Fall and Spring.

MATH 2503 APPLIED MATHEMATICS WITH STATISTICS
The primary goal of this general education course is to develop the ability to solve problems through inquiry and exploration, logical reasoning, and making and testing conjectures. It includes a study of concepts, methods, and applications of quantitative reasoning including basic descriptive and inferential statistics. The course emphasizes active problem solving and developing connections with other disciplines. (Not counted for a math major, math minor or math education major.) Prerequisite: MATH 1103 or approval by Math Program evaluation.

MATH 3003 DISCRETE MATHEMATICS
A survey of fundamental topics in discrete mathematics. Topics include set theory, functions, elementary propositional and predicate logic, proof techniques (including induction and indirect proof techniques), Boolean Algebra, elementary graph theory, and matrices. Prerequisite: MATH 1405 or approval by Math Program evaluation. (cf. COMP 3003) Spring.

MATH 3103 LINEAR ALGEBRA
A study of vector spaces and linear transformations between vector spaces. Problems are approached first abstractly and then concretely through matrix representations. Includes discussion of Hermite Normal Forms, projection operators, right-inverses and eigenvalue problems. Prerequisite: MATH 1505. Spring.

MATH 3203 MODERN GEOMETRY
The axioms and selected theorems of Euclidean Geometry are compared to corresponding axioms and theorems from non-Euclidean Geometry. Designed as a foundation for teaching high school geometry and to acquaint the student generally with techniques of writing proofs in any area of mathematics. Prerequisite: MATH 1405 and MATH 3003. Fall, even years.

MATH 3303 HISTORY OF MATHEMATICS
A study of the history of mathematics from the development of early number systems to the mid-twentieth century. The historical development of calculus is included. Prerequisite: MATH 1405. Fall, even years.

MATH 3403 DIFFERENTIAL EQUATIONS
The general first order ordinary differential equation is discussed in the cartesian plane. Emphasis is placed on nth order linear differential equations with constant coefficients and their applications. Prerequisite: MATH 2003. Previous or concurrent enrollment in MATH 3103 recommended. Spring, even years.

MATH 3503 PROBABILITY AND STATISTICS
A course in elementary probability theory designed with a core which is common to the interests of students concentrating in biology, business, psychology, education, and sociology. Includes measures of central tendency, standard deviation, sampling theory, and correlation theory. Special problem sets and a term project allow for a particular emphasis in an area of application. This course is also suitable for prospective secondary mathematics teachers. It is not intended for students majoring in mathematics. Such students should take MATH 3703. Prerequisite: MATH 1103 or approval by Math Program evaluation. (cf. PSYC 3503)
MATH 3602 METHODS OF TEACHING SECONDARY MATHEMATICS
A study of strategies and methods for teaching mathematics in middle and secondary schools. Concurrent enrollment in EDUC 3610 and EDUC 3614 is required. Spring.

MATH 3703 STATISTICS
A calculus-based statistics course including probability distributions, discrete random variables, continuous random variables and sampling distributions. Prerequisite: MATH 1505 and MATH 3003. Spring, odd years.

MATH 3803 ABSTRACT ALGEBRA
An introduction to rings, integral domains, fields and groups. Examples of these systems are taken from the integers, rational numbers, real numbers and complex numbers. Prerequisite: MATH 1405 and MATH 3003. Fall, odd years.

MATH 4503 ADVANCED CALCULUS
Topics in real analysis including topology of the real line and R^n, sequences and series, derivatives and the Riemann integral. Interchange of various limit processes in calculus are investigated. Prerequisite: MATH 2003 and MATH 3003. Spring, odd years.

MATH 4603 NUMERICAL ANALYSIS
Numerical methods are applied to problems in solving equations, differentiations, integration, successive approximation, interpolation, and linear algebra. Prerequisite: MATH 1405, MATH 2003 or MATH 3103, and COMP 2104 or permission of instructor. Fall, odd years. (cf. COMP 4603)

MATH 4763 SPECIAL TOPICS IN MATHEMATICS
The presentation of mathematical topics not covered in other courses. Suggested Topics: Statistics II, Complex Variables, Lebesgue Integration, Differential Geometry, Fourier Series. Prerequisite: Junior or senior standing and consent of the instructor. On demand.

CAREER ALTERNATIVES IN THE DEPARTMENT OF SCIENCE AND MATHEMATICS

Your choice of an academic concentration does not lock you into a limited range of jobs. Your academic concentration will prepare you for an entry-level position in several occupational areas which may be less obvious. It is not the academic area alone that prepares you for employment, but your total range of present skills, behavior patterns and accumulated knowledge.

The following job titles represent a sampling of positions which relate directly to science and mathematics. For further information, contact the MNU Career Development Center.

**Biology:** Biology teacher, pharmaceutical sales representative, research assistant, microbiologist, dentist, park ranger, scientific equipment sales representative, forestry aide, medical laboratory technician, physician, forensic scientist, environmental lawyer, forest entomologist, veterinarian, environmental scientist.

**Chemistry:** Agricultural chemistry, analytical chemistry, biochemistry, marketing, chemical technology, colloid and surface chemistry, consulting, consumer products, environmental chemistry, food and flavor chemistry, forensic chemistry, geochemistry, hazardous waste management, inorganic chemistry, materials science, medicinal chemistry, oil and petroleum chemistry, organic chemistry, physical chemistry, polymer chemistry, pulp and paper chemistry, R&D management, science writing, textile chemistry, and water chemistry.

**Computer Science:** Programmer, system analyst, database designer, computer technician, computer field engineer, sales representative, networking specialist, software engineer.

**Mathematics:** Market research analyst, statistician, financial planner, mathematical technician, engineering assistant, actuary, claim adjuster, insurance underwriter.
SCHOOL OF CHRISTIAN MINISTRY AND FORMATION

School Mission Statement:
The mission of the School of Christian Ministry and Formation at MidAmerica Nazarene University is to glorify God by preparing men and women for purposeful, passionate, and innovative ministry in the kingdom of God throughout the world. The School seeks to nurture mutually submissive disciples of Jesus Christ, servant leaders, and lifelong learners for the church by cultivating the knowledge, skills and attitudes needed for effective contextualized ministry from the Wesleyan holiness perspective.

Departments:
The School consists of two departments. The Department of Bible, Theology, and Mission offers undergraduate programs of study and General Education courses. The Department of Graduate Studies in Practical Theology is currently developing graduate level programs and continuing education for practicing ministers and lay leaders. Both departments work in cooperation with the Sullivan Center for Innovative Ministry at MidAmerica Nazarene University to supply resources for leaders throughout the church.

DEPARTMENT OF BIBLE, THEOLOGY, AND MISSION

Course Offerings: Biblical Language, Biblical Literature, Christian Education, Church History, Missions, Philosophy, Practical Theology, Theology, Urban Ministry.

Programs: The Department of Bible, Theology, and Mission offers four majors, four minors, and three certificates.

The four majors include: Ministry, Youth and Family Ministry, Intercultural Studies, and Bible and Theology. The Ministry major prepares students for ministry within a variety of contexts. The Youth and Family Ministry major focuses specifically upon the context of ministry to youth and their families. The Intercultural Studies major equips students to minister within cross-cultural settings, including world missions, urban ministry, and compassionate ministries. The Bible and Theology major prepares students for effective lay ministry or advanced study by focusing upon the disciplines of Bible, theology, church history, and philosophy.
Minors are offered in four areas: Christian Education, Ministry, Intercultural Studies, and Urban Ministry. Certificate programs include: Youth and Family Ministry, Children and Family Ministry, and Bible and Theology.

*Educational requirements for ordination in the Church of the Nazarene can be met through the Ministry major, the Youth and Family Ministry major, and the Intercultural Studies (with Ordination Concentration) major.

FACULTY

RANDALL R. CLOUD, Chair of the Department of Bible, Theology, and Mission; Professor of Biblical Literature, 2003-
B.A., Point Loma Nazarene University, 1977; M.A., Point Loma Nazarene University, 1979; M.Div., Nazarene Theological Seminary, 1982; Ph.D., University of Kansas, 2007.

RANDELL E. BECKUM, Vice President for Community Formation; Chaplain of the University; Professor of Missions, 1995-

JAMES O. EDLIN, Interim Dean of the School of Christian Ministry and Formation; Professor of Biblical Literature and Languages, 1989-

LARRY D. FINE, Professor of Practical Theology, 1969-

MARK A. HAYSE, Chair of the Department of Graduate Studies in Practical Theology; Professor of Christian Education, 2003-
B.A., MidAmerica Nazarene University, 1988; M.R.E., Nazarene Theological Seminary, 1993; Ph.D., Trinity International University, 2009.

LORI H. NILES, Assistant to the President for Church Relations/Director, Sullivan Center; Professor of Christian Education, 2005-
B.A., MidAmerica Nazarene University, 1982; M.A., George Fox Evangelical Seminary, 2002; Ed.D., George Fox University, 2005.

C. BARTH SMITH, Professor of Practical Theology, 1974-
FACULTY (EUROPEAN NAZARENE COLLEGE)

KLAUS ARNOLD, Rector of European Nazarene College, 2005-; Lecturer in Systematic Theology, 1993-
B.A., European Nazarene College, 1985; M.Div., Nazarene Theological Seminary, 1989; Ph.D. Candidate, Ernst-Moritz-Arndt-University of Greifswald, Germany.

DEAN FLEMMING, Lecturer in New Testament, 2000-
B.A., MidAmerica Nazarene University, 1975; M.Div., Nazarene Theological Seminary, 1979; Ph.D., University of Aberdeen, 1988.

JOHN HAINES, Regional Educational Coordinator, Adjunct Lecturer in Practical Theology, 1992-
B.A., Southern Nazarene University, 1976; M.A., Southern Nazarene University, 1977; M.Div., Nazarene Theological Seminary, 1980; Ph.D. Candidate, University of Missouri at Kansas City.

ANTONIE HOLLEMA, Academic Dean of European Nazarene College, 2004-; Lecturer in Bible and Practical Theology, 1996-

WILMA HOLLEMA, Internship Coordinator, Lecturer in Greek, 1996-

SENIOR ASSESSMENT

All students majoring in the Department must pass a Senior Assessment during their senior year in order to graduate. The purpose of this assessment is: (1) to serve as an integrating experience that allows students to pull together the various aspects of the curriculum, (2) to assess specific outcomes in the various majors, and (3) to give an indication of the effectiveness of classroom instruction. The assessment consists of four components: (1) a group retreat, (2) an integrative essay, (3) objective exams, and (4) a portfolio. Students who fail any area of the assessment must do remedial work.

CAREER ALTERNATIVES IN THE DEPARTMENT OF BIBLE, THEOLOGY, AND MISSION

Your choice of an academic major does not lock you into a limited range of jobs. Your
academic focus will prepare you for an entry-level position in several occupational areas
which may be less obvious. It is not the academic area alone that prepares you for
employment, but your total range of present skills, behavior patterns and accumulated
knowledge.

The following job titles represent a sampling of positions which relate directly to
religion and philosophy. Pastor, missionary, chaplain, evangelist, associate pastor,
minister of Christian education, minister of children, minister of youth, minister of
adults.
SCHOOL OF BUSINESS

Dr. Roy Rotz
Interim Dean

• Department of Business Administration
• Department of Innovative Adult Education
• Department of Graduate Studies in Management
The School of Business established in 2009, encompasses a wide variety of student demographics, majors and learning options.

The Department of Business Administration offers traditional undergraduate majors including:

- Accounting
- Business Administration
- Organizational Leadership
- Communications/Business
- Business Psychology
- Marketing

The Department of Innovative Adult Education (IAE) offers non-traditional education for working professionals seeking to obtain a baccalaureate education in a learning environment that is tailored to their needs. Majors are offered in:

- Management and Human Relations
- Public Administration

IAE also provides for a wide variety of courses designed to provide a bridge for those adults who have at least 30 hours of college credit and are seeking admission into one of the adult-education programs at MidAmerica Nazarene University. MidAmerica Accelerated Positioning Program (MAPP) includes, but is not limited to, courses that meet general education requirements. In addition to MAPP, a full menu of short-term courses are available and offered in a wide range of scheduling options and learning environments including face-to-face, online and blended.

The Department of Graduate Studies in Management (GSM) offers a Master of Business Administration (MBA) and the Master of Arts in Organizational Administration (MAOA). Both of these advanced degrees have been designed with the full-time working professional in mind with the schedule of classes customized for their convenience. More detailed information is available in the Graduate Catalog published by MNU.

The backbone of the School of Business is its faculty who blend the best of a strong, personal, Christian commitment and ethic, academic scholarship and real-world experience in the discipline in which they teach.

Consistent with the vision statement of MidAmerica Nazarene University, the School of Business strives to be a part of a Christian institution of higher education that seeks to be a premier University with a global impact.
DEPARTMENT OF BUSINESS ADMINISTRATION

Statement of Mission:
The mission of the Department of Business Administration at MidAmerica Nazarene University is to help students identify life’s call and to equip them to become leaders who can transform the marketplace through the application of Christian values. The department’s programs are designed with the following goals in mind:

1. To support the Christian mission of MidAmerica Nazarene University by fostering the development of sound Christian ethical practices and leadership skills which students can integrate into their professional and personal lives, by honoring the dignity and worth of all individuals and by encouraging diversity within our faculty and student body.

2. To support the general education program of MidAmerica Nazarene University and thereby further develop all MNU students through class offerings in the field of Economics.

3. To support the educational mission of MidAmerica Nazarene University by offering academically challenging fields of preparation in Accounting, Business Administration, Business Psychology, Communications/Business, International Business, Leadership and Marketing.

4. To facilitate the development of broadly educated individuals with specific skills in: problem solving, the use of business technology, delivering business presentations, business writing, teamwork, leadership, working in multicultural environments, and adapting to change.

5. To meet the needs of our stakeholders by encouraging student and faculty involvement with the church, employers and community.

**PRE-LAW MAJOR PROGRAM**

According to The Official Guide to U.S. Law Schools, “there is no recommended set of pre-law courses. Law schools prefer that you reserve your legal study for law school and fill your undergraduate curriculum with broad, diverse, and challenging courses. Pre-law courses that introduce you to broad legal principles may present you with enough information to decide whether you want to continue with a legal education. . .” MNU business students are well prepared for law school and have been admitted into nationally ranked law schools around the country. Many law school courses such as: contract law, products liability law, agency law, corporate law, business organizations, federal tax law, estates and trusts, etc. are business based. In addition to a business degree, business students should consider electives in writing, speaking, literature, American history and criminology. Business students interested in a legal career are encouraged to see the Business Department’s pre-law advisor.

CAREER ALTERNATIVES IN THE DEPARTMENT OF BUSINESS ADMINISTRATION

Your choice of an academic concentration does not lock you into a limited range of jobs. Your academic concentration will prepare you for an entry-level position in several occupational areas which may be less obvious. It is not the academic area alone that prepares you for employment, but your total range of present skills, behavior patterns and accumulated knowledge.

The following job titles represent a sampling of positions which relate directly to business administration. For further information, contact the MNU Career Development Center.

**Accounting:** Auditor, tax accountant, controller, cost accountant, budget and forecast accountant, revenue agent, accounting clerk, bookkeeper.

**Business Administration; Marketing and Management:** Salesperson, retailer, management trainee, bank officer, materials manager, marketing researcher, buyer, real estate broker, job analyst, management consultant.

**General Business:** Management trainee, real estate appraiser, underwriter (insurance), small business owner, real estate broker, teacher.

**Law:** Business graduates are well prepared for law school. The Business Administration Department does an excellent job of placing its graduates in law school programs.

THE BACHELOR OF ARTS IN MANAGEMENT AND HUMAN RELATIONS (MHR)

This field-based, accelerated program is designed for adult learners (23 years and older) who wish to earn a degree while pursuing professional/vocational obligations. Admission to the program requires at least 60 semester hours of transferable classroom coursework with a 2.0 minimum cumulative GPA. A prescribed 32-hour major program is followed by a group of students who pursue the entire program as a single class unit. Classes are taught in a seminar style and focus on organizational behavior, leadership, interpersonal skills, management problems, and a values-oriented management approach. This program allows for the evaluation of prior-learning experience for credit (up to 34 semester hours) beyond the 32-hour major.

MHR GLOBAL OUTCOMES

MHR graduates will demonstrate core competencies in critical thinking skills which will include analytical thinking, collaborative planning and organizing, and problem resolution.

MHR graduates will demonstrate effective communication through writing, interpersonal relations, small group facilitation, and presentation skills.

MHR graduates will demonstrate competence in management through contemporary leadership skills, supervisory skills, and coaching skills.

MHR graduates will demonstrate ethical responsibility through self awareness of a personal value structure.

MHR graduates will demonstrate adaptability through teamwork and work environment.
SEMESTER I

Module 1
MHR 4203 Organizational Behavior
This module is a study of group behavior and how group functioning affects organizational effectiveness. Emphasis is placed on making decisions and resolving conflict in groups. Students develop strategies for efficient and productive group management and determine which tasks are best handled by groups or individuals. The project thesis begins during week three. 3 semester hours.

Module 2
MHR 4103 Adult and Professional Development
This module will focus on understanding adult learning and developmental theory and the career management and planning process. Self-assessment and analysis of the resulting information will be key components to the learning process. Each student will develop a professional Portfolio to review past experiences, assess his or her strengths and weaknesses, identify knowledge and skills acquired, and assemble evidence of those knowledge and skills. 3 semester hours.

Module 3
MHR 4403 Organizational Development
This module focuses on understanding organizational development as a means to increase an organization’s effectiveness and viability. Components include basic behavioral science techniques for facilitating individual, small group, and organizational change, problem solving, system improvement, and changing beliefs and values within an organization. 3 semester hours.

Module 4
MHR 4303 Effective Interpersonal Relations
An investigation of the role of communication and relationships in creating a productive work environment. Effectiveness in personal and social relationships is also covered through readings and exercises concerning such topics as nonverbal communication, constructive feedback, and conflict management. Students develop a model for effective relationships. 3 semester hours.

Module 5
MHR 3603 Biblical Perspectives
The course reflects MNU’s commitment, as a Christian liberal arts university, to nurturing an appreciation for the rich resources of the Scriptures. Cultural, societal, and biblical themes are explored through the study of the literature and history of the Bible. Students study the development of five major themes throughout the Bible and examine biblical concepts as they relate to current professional issues and the integration of faith, learning, and living. 3 semester hours.

SEMESTER II

Module 6
MHR 3505 Statistical Methods and Research in Higher Education
Problem analysis and evaluation techniques are presented. Students are shown methods for defining, researching, analyzing, and evaluating a problem requiring solution within their
work or avocational environment. Specific statistical information covered in the course includes identifying and measuring objectives, collecting data, working with significance levels, analyzing variance, and constructing questionnaires. Each student combines his/her research and practical implementation of theories and concepts to develop a Capstone Project. The project examines a problem in a student’s occupation or avocation. 5 semester hours.

Module 7
MHR 4223 Human Resources Administration
Students explore the values and perceptions of selected groups affecting social and economic life through an analysis of policies and practices regarding recruitment, selection, training, development, and compensation of employees. Special attention is given to Equal Employment Opportunity and Occupational Safety and Health Administration legislation through a series of case studies and simulations. 3 semester hours.

Module 8
MHR 4603 Ethics: Personal and Professional
Students formulate a philosophy of life, providing the base for such concerns as ethics in business, accountability in government, respect for human rights, and a responsible life style in our contemporary world. Ethical theories and personal values are examined through readings, analysis of the workplace, and classroom discussion. 3 semester hours.

Module 9
MHR 4233 Management and Leadership
Students examine motivational theory and its application to individual and group functioning in work and home situations. Leadership styles related to particular circumstances are analyzed. Negotiation is covered through readings and class practice, with an analysis of the effect on productivity. 3 semester hours.

Module 10
MHR 4803 Capstone Project
The student’s Capstone Project is written and orally presented to the instructor and the class. 3 semester hours.

THE ASSOCIATE OF ARTS (ACCELERATED)

This accelerated program is designed for adult learners (21 years and older) who wish to earn a degree while pursuing professional/vocational obligations. An emphasis major can be chosen from general business or liberal arts. Admission to the program requires an individual to meet the age requirement, possess a high school diploma or GED, and meet minimum ACT scores or competency tests in math and writing. Classes are offered in accelerated evening, online, and weekend formats that are taught in a seminar style. A total of 63 hours is required to earn the AA degree--30 hours of general education, 18 hours of major emphasis courses, and 15 hours of elective courses. Transfer credits are accepted from regionally accredited institutions with the stipulation that 16 hours of course work are earned at MidAmerica. A hallmark of this program is the individualized counseling program.
MIDAMERICA ACCELERATED POSITIONING PROGRAM (MAPP)

The Department of Innovative Adult Education has developed a program for adult students who have at least 30 hours of college credit and are seeking to earn a B.A. degree in the adult education programs at MidAmerica Nazarene University. This program includes an organized counseling system with a method of tracking the progress of students enrolled in MAPP classes. A series of classes for the program are developed and include general core courses such as history, English composition, science, fine arts, and additional general elective courses in the business, psychology, sociology, and theology areas. The classes are taught in an accelerated format that include but are not limited to weekend classes, online classes, short-term evening classes, and directed study classes. Please check specific course schedules with the IAE Department.

SHORT-TERM COURSES

The Department of Innovative Adult Education offers several upper division short-term courses each year in weekend and online formats. Courses are set up on a rotation, so not all courses will be offered each year. These courses may be taken by students currently registered in the MHR program or those given special permission who are working towards enrollment in one of the degree programs. Application for registration is made to the department office. Please check specific course schedules with the IAE Department.

Prior-Learning Experience Credit

MidAmerica recognizes that college-level learning occurs in environments in and beyond the classroom. Students may submit documents for evaluation. National standards and faculty review are used to assess and validate prior-learning. Credit may be granted for validated learning (maximum of 34 semester hours) and applied toward graduation requirements.
SCHOOL OF EDUCATION AND COUNSELING

Dr. Linda Alexander

EDUCATION

MISSION STATEMENT
The Education Department seeks to help students develop spiritually and apply their knowledge of human growth and development, learning theories, research, technology, communication, and the world to develop, implement, and assess learning experiences for all students.

THE PURPOSE OF THE PROGRAM
The Department of Teacher Education has identified an integrated approach to its professional education program based on a set of unifying themes designed to develop knowledge, skills, attitudes, beliefs, and methodology. The unifying themes are the building blocks upon which candidates develop skills that, in professional development settings, will enable them to provide appropriate instruction for all students. The School of Education and Counseling has identified the following goals for teacher candidates which encompasses the tenets of the Conceptual Framework (CF).

Conceptual Framework
Goal 1: Teacher candidates have the skills necessary to successfully communicate with students and colleagues in order to grow professionally and to demonstrate leadership in service to their learning communities.

CF 1. Effective and Professional Communication

Goal 2: Teacher candidates have knowledge of content, reading, and writing, which enables them to support learning across content areas.

CF 2. Standards Based Content Expertise

Goal 3: Teacher candidates will demonstrate a commitment to serve and lead in a Christian manner through their interactions with diverse populations of students, colleagues and the community.

CF 3. Leadership and Service

Goal 4: Teacher candidates have the knowledge and skills necessary to plan, implement, and assess curriculum that is meaningful and engaging for all students.

CF 4. Curriculum and Instructional Competence

Goal 5: Teacher candidates have knowledge of diverse student groups and the skills necessary to provide appropriate learning environments that are challenging and respectful of all students.

CF 5. Diversity Competence
PRINCIPLES OF LEARNING AND TEACHING/CONTENT TESTING
Secondary and Elementary Education Majors

All secondary and elementary senior education majors must pass the Principles of Learning and Teaching examination. This is a national exam that is administered in Kansas under the authority of Educational Testing Service. The exam covers the Professional Education courses of each licensure program. Information and registration forms are available on-line at http://www.ets.org. Information is available in the Teacher Education Office.

All secondary and elementary education majors must pass the content test for the major. This is a Kansas exam administered under the authority of Educational Testing Service. LICENSURE PROGRAMS IN TEACHER EDUCATION

The structure and general operation of the Teacher Education Program are designed to meet the regulations and requirements of the Kansas State Department of Education (KSDE) and the National Council for Accreditation of Teacher Education (NCATE).

The operation of the Teacher Education Program is the responsibility of the Department of Teacher Education. The policies, programs, and licensure requirements for both elementary and secondary education are reviewed by the Teacher Education Committee. The MidAmerica Nazarene University Teacher Education Program meets the requirements for licensure in the state of Kansas. Professional licensure varies from state to state. Therefore, students planning to teach in other states are advised to consult State Departments of Education to determine requirements for licensure.

Criteria for Admission to Teacher Education:

For students to be recommended for admission to the Teacher Education Program they must have met the following requirements.

1. "B-" or better in EDUC 1003 Education Seminar and Practicum.
2. Acceptable, formal application to the Teacher Education Program.
3. Two favorable recommendations from full-time faculty members.
4. At least 28 semester hours of college work (exclusive of developmental courses).
5. A cumulative grade-point average of 2.75 in all program stipulated coursework completed at the time of application.*
   *Program stipulated coursework is defined as all coursework specified to meet a state standard. This includes all courses specified in the program except: OT Literature, NT Literature, and Christian Beliefs.
6. "C" or better in MATH 1103 Intermediate Algebra or demonstrated competence as judged by the Math Department.
7. "B-" or better in ENGL 1203 English Composition: Writing and Research
8. "B-" or better in COMM 1303 Public Speaking.
9. No pending disciplinary probation.
10. No record of being convicted of a felony or crime involving dishonesty, a controlled substance, or a crime against a child.
11. Score of 235 or better on the Reading sub-test of the College Base English test.
12. Score of 235 or better on the Writing sub-test of the College Base English test.
13. Score of 235 or better on the Math comprehensive of the College Base Mathematics test.
14. Approval by the Teacher Education Committee.
15. Proof of liability insurance. This proof must be provided each successive semester through student teaching.
16. Completion of 20 hours of community service.

Admission into the Teacher Education Program allows a student to register for upper division coursework in education. Failure to make application or complete entry requirements in a timely manner will result in a delay in the student’s progress. Admission into the Teacher Education Program does not guarantee that the student will be allowed to student teach or be recommended for licensure/endorsement.
A student may not be admitted to Teacher Education and Student Teaching during the same semester. Summer school is not considered a semester.

Criteria for Admission to Student Teaching:
For students to be recommended for admission to the Student Teaching Program they must have met the following requirements.

1. Admission into the Teacher Education Program.
2. Acceptable, formal application to the Student Teaching Program submitted one semester prior to student teaching. The final deadline is September 30 for the following spring or January 30 for the following fall.
3. A cumulative GPA of 2.50 in all college work attempted.
4. A cumulative GPA of 2.75 in the content area major.
5. A cumulative GPA of 2.75 in Professional Ed coursework.
6. Grade of “B-” or better in all Professional Education courses.
7. Grade of “C” or better in all secondary content area courses in the major.
8. Grade of “B-” or better in all elementary content area courses.
9. Take at least 15 semester hours of Professional Education courses at MNU.
10. Take at least 6 semester hours of courses from the content area at MNU.
11. Satisfactory assessment and approval from the faculty of the student’s major and from the Department of Education.
12. Completion of 60 hours of community service (total of 80 hours).
13. Completion of or enrollment in all coursework needed for licensure with the exception of Student Teaching.
14. Approval of the Teacher Education Committee.

Admission into the Student Teaching Program does not guarantee placement for student teaching or recommendation for licensure.

Criteria for Assignment to Student Teaching:
For students to begin their student teaching assignments they must have met the following requirements.

1. Admission into Student Teaching Program (see above).
2. Passing score on Kansas Content test or at least one attempt at successful completion.
3. Completion of appropriate forms for student teaching assignment.
4. Acceptable health certificate signed by a doctor not earlier than 6 months prior to Student Teaching.
5. Fingerprint cards and criminal history record check submitted to KSDE.
6. Completion of all course work prior to Student Teaching.

Completion of Student Teaching does not guarantee recommendation for licensure.

Licensure Requirements
In order to be licensed students must achieve a passing score (161) on the Principles of Learning and Teaching (PLT) Exam. Students are encouraged to take the exam just prior to Student Teaching. Information and registration forms for the exam are available from the Department of Education. Students must complete 20 hours of community service prior to or during student teaching (total of 100 hours). Students must pass the senior comprehensive in their content area if different than the Kansas Content exam for program completion.
Policy on Working Concurrent with Student Teaching and Seminar

Student teaching is a notably intense and demanding experience. Consequently, students are advised to suspend/avoid outside employment during the student teaching semester. In extreme or dire circumstances requiring students to maintain employment during student teaching, that employment must be reported by students to their cooperating teacher and their student teaching supervisor. If a student’s performance during student teaching does not meet expectations, the student will be asked to stop working or to repeat the student teaching experience. Attendance at school faculty meetings, parent teacher nights, performance of other extracurricular duties and attendance at on-campus seminar sessions is expected of all student teachers.

Program Interruption Policy

If there is an interruption in a student’s Teacher Education Program of two semesters or more between the education coursework and student teaching, the student is required to have a screening interview with three faculty members from the Department of Teacher Education. The interview team will make recommendations to the Teacher Education Committee regarding the student’s acceptance into the Student Teaching Program.

Major and Professional Education Grade Requirement

A student must meet the following requirements in order to be placed in a student teaching assignment or be recommended for licensure.

Elementary: A minimum grade of “B-” and a GPA of 2.75 is required for all courses in professional education and the elementary major.

Secondary: A minimum grade of “B-” and a GPA of 2.75 is required for all courses in professional education. A minimum grade of “C” and a GPA of 2.75 for all courses in the secondary major is required.

The Teacher Education Resource Center

A Teacher Education Resource Center is maintained on the second floor of Mabee Library. The center houses school textbooks, trade books, curriculum guides, pamphlets, resource units, and other instructional materials selected especially as resources for students planning to become teachers. These materials are available for examination and use by students, faculty, and off-campus supervisory teachers.

Elementary Education (K-6 Licensure)

Elementary Education majors transferring to MidAmerica Nazarene University from a regionally accredited college or university must complete at least 21 semester hours at MidAmerica before being placed in Student Teaching. Fifteen of these hours must be from the professional education block (exclusive of student teaching) and at least six semester hours must be from the major. MidAmerica Nazarene University does not accept transfer credit for Elementary and Professional Education courses from non-accredited institutions. Persons who have not previously held a Kansas teaching certificate will be required to pass pre-licensure exams prior to issuance of a Kansas license. These examinations include the Principles of Learning and Teaching examination and the Kansas content examination.

PROVISIONAL LICENSURE IN A SECONDARY TEACHING FIELD

Kansas regulations currently permit a person who is licensed for teaching grades K-6, 6-12, or K-12 to be recommended for provisional licensure in additional secondary area(s) if the applicant has met the specified licensure requirements or achieved a passing score on the appropriate Praxis II Content Exam. Contact the Licensure Officer for additional information.

Department of Graduate Studies in Nursing

The programs offered in MNU’s School of Nursing and Health Science combine cooperative education experiences with highly innovative curricula and faculty. The educational experience is student-centered and encourages students to actively pursue answers to relevant problems. The school prepares students to become effective professional practitioners, enter graduate schools, and work in vocations related to health, nursing, athletics and fitness. The School offers two distinct departments, both providing divergent degree options. Each of the programs offered by the School of Nursing and Health Science is accredited and/or approved by the appropriate professional group, including the: Kansas State Department of Education, National Council for Accreditation of Teacher Education, Commission on Accreditation of Athletic Training Education, Kansas State Board of Nursing and Commission on Accreditation of Collegiate Nursing Education.

The Department of Health and Exercise Science offers undergraduate degree majors in Athletic Training, Sports Management, Physical Education, Kinesiology, and a minor in Coaching. This Department strives to prepare highly qualified professionals to serve in areas related to health, athletics, fitness, education and coaching. The Sports Management major has been updated to allow an emphasis in one of three areas: business, communication or fitness. Kinesiology, the Department’s newest major, is designed to prepare students to enter post baccalaureate programs in various areas of allied health, i.e. physical therapy, occupational therapy, chiropractic, etc.

The Department of Nursing offers programs in both undergraduate and graduate nursing education. The Department offers a traditional Bachelor of Science in Nursing (BSN) degree, as well as an accelerated BSN option for those wishing to take a concentrated course of study and complete their degree requirements in an expedient timeframe. Additionally, the Department offers an accelerated RN-BSN program for registered nurses desiring to obtain a BSN degree. This one-year, accelerated RN-BSN program offers 5-week courses, with the convenience of classroom delivery occurring one day/week. Additionally, students may begin the program at the initiation of any 5-week course and attend the program on a part-time basis if needed. The Department of Nursing also offers an accelerated Master of Science in Nursing (MSN) degree (see Graduate Catalog).
DEPARTMENT OF HEALTH AND EXERCISE SCIENCE

Course Offerings: Athletic Training, Health, Physical Education, Kinesiology, Coaching Minor

Statement of Purpose:
The purpose of the Health and Exercise Science Department is to provide the highest quality instruction to produce morally, academically, and professionally qualified students for careers in education, athletic training, athletics, and in the area of health related fitness. Our department strives to produce Christ-centered learners by teaching, mentoring, and serving all students in an academically rigorous environment to produce professionals in their respective fields.

Our department is committed to meeting the needs of diverse learners and to empower all students to sustain lifelong physical activity as a foundation for a healthy, productive, and fulfilling life. Students will demonstrate knowledge of rules, strategies, and appropriate conduct for selected physical activities in the areas of physical education, coaching, athletic training, intramural participation, and health development.

FACULTY

BRAD D. KING, Chair of the Department of Health and Exercise Science; Associate Professor of Physical Education, 1995-
B.A., MidAmerica Nazarene University, 1979; M.Ed., Wichita State University, 1986; Doctoral Candidate, University of Kansas.

JACK C. JONES, Assistant Professor of Physical Education, 2005-
B.S., University of the Ozarks, 1979; M.Ed., Arkansas Technical University, 1996.

CRAYTON L. MOSS, Professor of Athletic Training, 2008-
B.A., MidAmerica Nazarene University, 1976; M.S., University of Central Missouri, 1978; Ed.D., University of Kansas, 1985.
Mission Statement for the Bachelors of Arts in Athletic Training

The MidAmerica Nazarene University Athletic Training degree’s mission is to engage all students in providing the highest level of educational instruction in a Christian environment. Our program is devoted to producing morally, academically, spiritually, and professionally qualified individuals for a career in athletic training, an Allied Health Profession recognized by the America Medical Association (AMA).

Learning Objectives:

Students who successfully complete the Athletic Training Education Program (ATEP) at MidAmerica Nazarene University (MNU) should be able to demonstrate knowledge didactic, clinical proficiency (psychomotor) and professional (affective) entry-level proficiencies (competencies) in the following six domains as described by the National Athletic Trainers Association Board of Certification of injuries to the physically active individual (NATA BOC Role Delineation Study, 5th edition).

1. Prevention
2. Clinical Evaluation and Diagnosis
3. Immediate Care
4. Treatment, Rehabilitation, and Reconditioning
5. Organization and Administration
6. Professional Responsibility

Note: All students are required to have ATA student membership during the year that they are enrolled in the ATR 4302 Senior Seminar course. Additional expenses include laboratory fees (see current MNU Class Schedule Bulletin), Clinical Education travel expenses, liability insurance, and senior comprehensive exam.

ATHLETIC TRAINING SENIOR COMPREHENSIVE

A comprehensive examination is required to be passed by all senior athletic training degree students before graduation from the Athletic Training Education Program (ATEP) at MidAmerica Nazarene University. The comprehensive examination is meant to assess the student’s proficiency of entry-level content areas (six domains listed) of the ATEP curriculum. Further details regarding the senior comprehensive are available from the Director of the Athletic Training Education Program (ATEPD). There is an examination fee for the comprehensive exam.

ADMISSION TO THE ATHLETIC TRAINING EDUCATION PROGRAM (ATEP)

Admission into the ATEP for a Bachelor of Arts in Athletic Training at MidAmerica Nazarene University (MNU) is competitive.

Any student admitted to take classes at MNU may declare Athletic Training as a major. However, enrollment into the six Clinical Education courses requires a separate application and admission into the ATEP at MNU. The Department of Athletic Training reserves the right to defer admission or place students on a waiting list if there are more qualified applicants than the ATEP can accommodate for a particular class. Prerequisites listed for each course...
required for the Athletic Training degree are strictly adhered. Due dates for applying to the ATEP are as follows:

ATEP admittance for the spring semester.
- November 1: Submit formal application with supporting materials (see MNU website).
- December 1: Interview with the ATEP Selection Committee.
- January 1: ATEP admission committee’s decision letter to prospective ATEP Athletic Training Student (ATS).

The following items are required for application and admission to the ATEP:
- Submit formal application to the Program of Athletic Training on the ATEP official application form by November 1 (see MNU website).
- Submit two references to the Program of Athletic Training from qualified persons on the ATEP official application form by November 1 (see MNU website).
- Confirm that official transcripts from all institutions previously attended have been received by MidAmerica’s Registrar’s Office by November 1.
- Attained a minimum grade point average of 2.5 on a 0 to 4.0 scale upon the completion of the application process semester.
- Successful completion of the following courses:
  - BIOL 1504 Anatomy and Physiology I (a letter grade of “C-” or better)
  - HLTH 1301 First Aid/CPR (current official card must be copied and on file by December 15)
  - ATRN 1303 and 1300 Techniques of Athletic Training and Lab (a letter grade of “B” or better)
- Four observation written summaries of two games and two practice sessions from ACI arrival to departure.
- Complete Physical Examination (see MNU website)
- Sign Technical Standards document (see MNU website)
- Hepatitis B Vaccine (HBV) series documentation or signed refusal form (see MNU website)
- Submit two assessment surveys to the Program of Athletic Training (Student Self-Evaluation, MNU ACI Student Evaluation) on the ATEP official survey instrument by November 15. (see MNU website)
- Interview with the ATEP Selection Committee; December.

All applicants will be notified, in writing, of the ATEP admission committee’s decision before the January semester begins.

The following is a list of indicators that the selection committee utilizes to evaluate each applicant:
- GPA 50%
- MNU Approved Clinical Instructor (ACI) Evaluations (averages) 10%
- Observation Written Summary (averages) 10%
- Two Recommendations (averages) 10%
- All supporting materials were turned in on time (averages) 10%
- Exhibit appropriate interpersonal skills and behaviors during the interview (averages) 10%

The ATEP Selection Committee determines the appropriate number of positions available for the upcoming academic year. This number depends upon the current total number of ATEP ATSs. The ATEP adheres to the recommended eight (8) to one (1) students to clinical instructor ratio.
The ATEP Selection Committee consists of the following individuals:
- ATEPD (Committee Chair)
- Head Athletic Trainer at the host institution
- ATEP Faculty Representative
- ACI Representative

RETENTION POLICY

For an Athletic Training Student (ATS) to advance in the Athletic Training Education Program (ATEP), they must maintain the following criterion:
- The ATS is expected to maintain a minimum GPA of 2.5 for each individual semester.
- Upon completion of 24 credit hours the ATS is expected to maintain a minimum cumulative GPA of 2.5 to register for Clinical Education courses II-VI.
- The ATS is required to maintain a 2.7 GPA in the core required ATEP courses. The ATS will be required to re-take any course in which a grade of “D+” or below is earned. See MNU Catalog; academic policy information.
- The ATS will be evaluated each semester by an Approved Clinical Instructor (ACI). These evaluations will be based on academic and clinical performance including assessments regarding satisfactory progress toward the completion of entry-level clinical competencies. All evaluations collected will be discussed with the ATS individually.
- If in any semester, a student’s GPA falls below the minimums stated above, they shall be placed on probationary status. The purpose of probation is to allow the ATS to concentrate on improving grades. While on probation, practice and event coverage will be limited to no more than 10 hours per week. Students shall not be allowed to complete the ATEP degree or be cleared for the NATABOC examination while on probation.
- If at the end of the athletic training probation, if the ATS’s GPA remains below the established minimums, the ATS will be placed on suspension. The purpose of suspension is to allow the ATS to improve their grades without clinical responsibilities. While on suspension, the ATS will not be allowed to complete clinical practice hours the Clinical Education course requires. Suspension will continue until the ATS’s GPA is above the minimum described.
- Students must retain “full-time” status (minimum of 12 hours) unless they are in their final semester or have obtained permission from the ATEP Director.

GRIEVANCE POLICY

The student who has been denied admission into the Athletic Training Education Program (ATEP) has the right to appeal the decision made by the ATEP Selection Committee. The student is required to submit a letter to the ATEP Director within 10 days of receiving notification. The letter should contain the reasons that the student is appealing the decision and why the decision should be reversed. A conference will be held with the ATEP Grievance Committee and the student to discuss the decision and student’s appeal.

The ATEP Grievance Committee consists of the following individuals:
- Health and Exercise Science Department (HES) Chair (Committee Chair)
- MNU Faculty-at-Large Representative
- Student’s Liaison (MNU Faculty, Student’s choice)
ATRN 1282 CLINICAL EDUCATION IN ATHLETIC TRAINING I (first year, second semester)
A supervised, clinical education athletic training experience at the host institution. This is an opportunity for the Athletic Training Student (ATS) to apply principles taught in the classroom and practiced in the lab (didactic, affective and psychomotor) throughout the curriculum under the direct supervision of an Approved Clinical Instructor (ACI). The National Athletic Trainers' Association Education Council (NATAEC) has identified the athletic training education competencies and clinical proficiencies necessary (Role Delineation Study, 5th edition) for effective performance as an entry-level certified athletic trainer (ATC). The Joint Review Committee-Athletic Training (JRC-AT) requires these competencies be used in curriculum development and education of the student enrolled in a Commission on Accreditation of Athletic Training Education (CAATE) entry level Athletic Training Education Programs (ATEP). Students may take no more than two (2) clinical experiences per semester. Prerequisite: BIOL 1504, ATRN 1303, ATRN 1300, HLTH 1301, background check, and formally admitted into the ATEP. All travel to and from the clinical are the student’s responsibility.

ATRN 2182 CLINICAL EDUCATION IN ATHLETIC TRAINING II (second year, first semester)
Continuation of ATRN 1282. Prerequisite: BIOL 1604, ATRN 3203, ATRN 3200, liability insurance, or permission of instructor. All travel to and from the clinical are the student’s responsibility.

ATRN 2282 CLINICAL EDUCATION IN ATHLETIC TRAINING III (second year, second semester)
Continuation of ATRN 2182. Prerequisite: PHED 1102, ATRN 3303, ATRN 3300, or permission of instructor. All travel to and from the clinical are the student’s responsibility.

ATRN 1303 TECHNIQUES OF ATHLETIC TRAINING
The student will be presented with the definition of what an athletic trainer is and does, the “sports medicine team,” legal concerns, environmental considerations, protective equipment selection, fit and proper use, mechanism and types of injury incurred by the physically active, emergency procedures and on-and-off the field acute care of injury with discussion specific to the foot, ankle, lower leg, knee, thigh, hip, pelvis, shoulder, elbow, wrist, hand, fingers, head, and spine. Wrapping and taping techniques will be presented and practiced. Fall and Spring.

ATRN 1300 TECHNIQUES OF ATHLETIC TRAINING LAB
Specific hands-on experience will be demonstrated, practiced, and evaluated according to the didactic ATRN 3103 agenda topics. Corequisite: ATRN 1303, Fall and Spring.

ATRN 3182 CLINICAL EDUCATION IN ATHLETIC TRAINING IV (third year, first semester)
Continuation of ATRN 2282. Prerequisite: ATRN 3403 and ATRN 3400 or permission of instructor. All travel to and from the clinical are the student’s responsibility.

ATRN 3202 MEDICAL TERMINOLOGY
Designed to help the student learn medical terminology so they can effectively communicate with other members of the healthcare team. This course will assist the student in developing a strong foundation in medical terminology and broaden their medical vocabulary. Prerequisite: ATRN 1303 and ATRN 1300. January Term, odd number years.

ATRN 3203 ADVANCED TECHNIQUES OF ATHLETIC TRAINING
A course designed for individuals pursuing a career in the athletic training profession. Specific topics discussed include the characteristics of trauma to the physically active and
tissue response to injury, psychosocial intervention, pharmacology, skin disorders and additional health concerns. Prerequisite: BIOL 1504, HLTH 1301, ATRN 1303 and ATRN 1300, or permission of instructor. Spring.

ATRN 3200 ADVANCED TECHNIQUES OF ATHLETIC TRAINING LAB
Specific hands-on experience will be demonstrated, practiced, and evaluated according to the didactic ATRN 3203 agenda topics. Corequisite: ATRN 3203, Spring.

ATRN 3282 CLINICAL EDUCATION IN ATHLETIC TRAINING V (third year, second semester)
Continuation of ATRN 3182. Prerequisite: PHED 3203, ATRN 4204 and ATRN 4200, or permission of instructor. All travel to and from the clinical are the student’s responsibility.

ATRN 3303 INJURY EVALUATION AND RECOGNITION - UPPER EXTREMIT Y
Initial clinical evaluation of injuries to the upper extremity (head, neck, shoulder, elbow, wrist, hand) commonly sustained by competitive athletes; evaluation of the injury/illness for the primary purposes of administering proper first aid and emergency care and making appropriate referral to physicians for diagnosis and medical treatment. Prerequisite: BIOL 1604, ATRN 3203 and ATRN 3200, or permission of instructor. Fall.

ATRN 3300 INJURY EVALUATION AND RECOGNITION - UPPER EXTREMIT Y LAB
Specific hands-on experience will be demonstrated, practiced, and evaluated according to the didactic ATRN 3303 agenda topics. Corequisite: ATRN 3303. Fall.

ATRN 3403 INJURY EVALUATION AND RECOGNITION - LOWER EXTREMIT Y
Initial clinical evaluation of injuries to the lower extremity (spine, pelvis, hip, thigh, knee, thorax, abdomen, lower leg, ankle, and foot) commonly sustained by competitive athletes; evaluation of the injury/illness for the primary purposes of administering proper first aid and emergency care and making appropriate referral to physicians for diagnosis and medical treatment. Prerequisite: PHED 1102, ATRN 3303 and ATRN 3300, or permission of instructor. Spring.

ATRN 3400 INJURY EVALUATION AND RECOGNITION - LOWER EXTREMIT Y LAB
Specific hands-on experience will be demonstrated, practiced, and evaluated according to the didactic ATRN 3403 agenda topics. Corequisite: ATRN 3403. Spring.

ATRN 3502 ATHLETIC TRAINING ADMINISTRATION
A study of the information necessary to administrate an athletic training program. Topics include: assembling the sports medicine team, facility management, health and liability insurance concerns, financial management, medical records, emergency care planning, facility design, preparticipation examinations and public relations. Prerequisite: ATRN 3203 and ATRN 3200. It is recommended that the student take this class sometime in the last two years of undergraduate education. Spring, odd numbered years.

ATRN 3602 SPORTS AND EXERCISE PHARMACOLOGY
This course is designed to introduce basic pharmacology principles and how they relate to health and illness for the physically active population. Emphasis will be placed upon drugs for neuromuscular blockade and pain; drugs for fluid and electrolyte imbalances; drugs for infection diseases, anti-inflammatory, anti-allergic, and immunologic drugs. Students will investigate information including: generic/trade names and sport and exercise uses; safe administration, evaluation of drug effectiveness, and adverse/toxic effects. January Term, even number years.

ATRN 3802 GENERAL MEDICAL CONDITIONS IN ATHLETIC TRAINING
This course is an overview of non-orthopedic medical conditions that may affect athletes and the physically active. It will include, but is not limited to, respiratory, cardiovascular,
gastrointestinal, genitourinary and gynecological, neurological, systemic, infectious and dermatological disorders that the athletic trainer could be presented with in the work environment. Prerequisite: BIOL 1604, ATRN 3203 and ATRN 3200. It is recommended that the student take this class sometime in the last two years of undergraduate education. Fall, even numbered years.

ATRN 4104 THERAPEUTIC MODALITY TECHNIQUES
A study of the skills needed for the use of therapeutic modalities including cold, heat, ultrasound, electricity, and massage in addition to the procedures, both written and verbal, for their use in treating injuries to the physically active. Prerequisite: ATRN 3303, ATRN 3300, ATRN 3403 and ATRN 3400, or permission of the instructor. Spring.

ATRN 4100 THERAPEUTIC MODALITY TECHNIQUES LAB
Specific hands-on experience will be demonstrated, practiced, and evaluated according to the didactic ATRN 4104 agenda topics. Corequisite: ATRN 4104. Spring.

ATRN 4182 CLINICAL EDUCATION IN ATHLETIC TRAINING VI (fourth year, first semester)
Continuation of ATRN 3282. Prerequisite: ATRN 4104, ATRN 4100 and PHED 4403, or permission of instructor. All travel to and from the clinical are the student’s responsibility.

ATRN 4204 THERAPEUTIC REHABILITATION TECHNIQUES
A study of the basic components of a comprehensive rehabilitation program including the therapeutic goals and objectives, selection of modality and exercise, methods of evaluating and recording rehabilitation progress and development of criteria for progression and return to physical activity. Prerequisite: ATRN 3303, ATRN 3300, ATRN 3403 and ATRN 3400, or permission of instructor. Fall.

ATRN 4200 THERAPEUTIC REHABILITATION TECHNIQUES LAB
Specific hands-on experience will be demonstrated, practiced, and evaluated according to the didactic ATRN 4204 agenda topics. Corequisite: ATRN 4204. Fall.

ATRN 4302 SENIOR SEMINAR
Designed to assist the Athletic Training major (usually in his/her last undergraduate semester) with resume and portfolio preparation, NATABOC examination preparation, employment interview simulation and post-graduate options and preparation. Prerequisite: all academic requirements for the Athletic Training major should have been taken prior to or concurrently with this course. Spring.

A sample four year plan for the Athletic Training Education Program can be found on the MNU website.

### KINESIOLOGY

Students pursuing the Athletic Training major are required to have a minimum of 800 hours of Clinical Education experience during the minimum of two years. At least 75% of the student's clinical experiences must occur under the direct supervision of an ACI or CI who is an ATC.

**Credit by Transfer**

Students desiring to transfer to MidAmerica Nazarene University from other institutions of higher education should follow the MNU admission procedure. The ATEP Director is available to discuss requirements related to transfer credit and determine equivalency.

---

### KINESIOLOGY

The Kinesiology major is designed to prepare students to enter post-bachelor degree programs in the area of Allied Health. The major uses the core of the Athletic Training program and then adds a strong science curriculum to complete the degree.

**Learning Objectives:**

Students who successfully complete the Kinesiology major at MidAmerica Nazarene University (MNU) should be able to demonstrate knowledge didactic, clinical proficiency (psychomotor) and professional (affective) entry-level proficiencies (competencies) in the following six domains:

1. Prevention
2. Clinical Evaluation and Diagnosis
3. Immediate Care

HEALTH

Health courses are offered for General Education and for program requirements in Athletic Training, Education, and Physical Education. This listing of Health course offerings does not constitute a major.

HLTH 3002 CURRENT HEALTH CONCEPTS
To provide students with the knowledge, tools, and motivation they will need to teach wellness-related behavior. Fall, Spring, and Summer.

HLTH 3003 SPORTS AND EXERCISE NUTRITION
This course is designed to help students understand the importance of how nutrition plays a significant role in health and disease. Fall and Summer.

HLTH 1301 FIRST AID/CPR
This course will provide individuals the knowledge and skills necessary to recognize and/or prevent the need for first aid and how to provide basic, first responder care for injuries and sudden illnesses until advanced medical personnel arrive and take over. The student, upon successful completion of the course and the ARC exams (no less than 80% correct on each exam), will acquire their American Red Cross First Aid and CPR cards. No prerequisites. Offered Fall, Spring and Summer.

HLTH 3803 PERSONAL AND COMMUNITY HEALTH
This course is designed to help students understand the scientific principles and facts pertaining to effective, personal health. It is also designed to help students understand the various problems and issues within three areas of community health: political, social (cultural), and economic. Spring and Summer. Also taught in Winter term.

PHYSICAL EDUCATION

Mission Statement for Physical Education:
The MidAmerica Nazarene University Physical Education mission is to help all students develop the highest level of educational training in a Christian environment dedicated to the development in the affective, cognitive, and psychomotor domains. Our program is devoted to teaching and developing our students to assist in enabling them to participate at their optimal level in the field of teaching physical education in an effective teaching environment.

Learning Objectives:
Students who successfully complete the Physical Education program should be able to:
1. Identify the purpose, aims, and objectives of physical education for all students
2. Describe the various teaching models, strategies, assessment tools, and management skills used to teach physical education
3. Perform injury prevention, injury care, and basic life support skills
4. Describe the function of the human organism as it relates to physical activity
5. Plan, implement, and evaluate a physical education program which prepares all students to engage in lifelong sports and physical fitness activities
6. Demonstrate skills in fundamental motor activities
7. Express appreciation for the human body as the temple of the Holy Spirit by making appropriate lifestyle choices
8. Demonstrate the importance of staying in compliance with state standards and knowing when changes occur within the state of Kansas.

**PHYSICAL EDUCATION SENIOR COMPREHENSIVE**
A comprehensive examination (ETS Praxis II) is required to be passed by all senior physical education majors before graduation. The comprehensive examination is meant to assess the student’s mastery of basic content areas of the curriculum.

The examination is administered through the Education Testing Services (ETS). Further details regarding the senior comprehensive are available from the Department Chair of the Health and Exercise Science Department.

**GENERAL EDUCATION ACTIVITY COURSES**
The range of activities offered in the program is planned to meet the physical activity needs of all students. All activity courses will include self-testing activities and will acquaint students with basic knowledge, understanding, and value of physical activities as they relate to healthful living. All students are required to earn two (2) semester hours of credit from one of the following three areas:

**Fitness for Life**

**PHED 1102 LIFETIME FITNESS/WEIGHT TRAINING I**
A study of the various methods, techniques, aims and objectives for reaching a desired level of fitness (aerobic and anaerobic) and to understand the basic scientific principles involved in training. This course will evaluate students to determine their current fitness level. Test will measure heart and lung capacities, body composition, muscle strength, cardiovascular endurance, and flexibility. After learning the basic concepts of life fitness students will demonstrate their knowledge of the strength and weakness of lifetime activities for maintaining fitness. The knowledge and techniques should enable the student to design a conditioning program for a variety of goals and activities. Special emphasis on strength and weight conditioning. Fall and Spring. Also taught in Winter term.

**PHED 1112 BEGINNING AEROBIC CONDITIONING**
A course designed to provide students with comprehensive, detailed, and practical learning experiences that promote adoption of an active lifestyle. Activities include: Fundamentals of self defense, walking, jogging, floor aerobics, step aerobics, stationary cycling, spinning, and strength training. Fall and Spring.
PHED 2202 AQUATICS I
A course designed to increase the students’ ability to demonstrate aquatic skills and relate these activities to healthful living. Lab fee required. Fall.

Activities for Life

PHED 2002 INDIVIDUAL AND DUAL SPORTS
This course is designed to equip students with the skills, techniques, methods, and knowledge to engage in a variety of physical activities (badminton, table tennis, archery, golf, bowling rugby, pickleball, and tennis). Students are also taught how these activities can become a part of their every day lifestyles and how the activities can contribute to better health and wellness. Lab fee required. Fall, Spring and Summer.

PHED 2102 TEAM SPORTS
This course is designed to help each student understand and have knowledge to engage in a variety of team sports activities (basketball, softball, volleyball and soccer). Students are encouraged to learn at their own pace by using steps of progression and to integrate their new skills into the total action of activity. Our goal is to enhance the student’s confidence and comfort level in one or more of these activities so that they can establish and maintain an active lifestyle by participating in a team sport. Fall and Spring.

Wellness / Plus One of the Following Activities
These courses are designed to help each student understand the three key areas related to wellness: (1) fitness for health; (2) nutrition, body composition, and weight management; and (3) behavioral issues and health. Wellness is taught the first seven weeks and the activity is taught the second seven weeks.

PHED 1901 WELLNESS. Fall and Spring.

Activities Courses (one hour activity courses must be taken with Wellness)
PHED 1101 BASKETBALL. Fall.
PHED 1201 BOWLING. Fall.
PHED 1301 GOLF. Spring and Summer.
PHED 1401 BADMINTON. Fall.
PHED 1701 TENNIS. Spring.
PHED 2301 VARSITY SPORTS I. Fall and Spring.
PHED 2302 AQUATICS II. Prerequisite: PHED 2202. Fall.
PHED 2401 VARSITY SPORTS II. Prerequisite: PHED 2301. Fall and Spring.
PHED 2402 AQUATICS III. Prerequisite: PHED 2202 and 2302. Fall.
PHED 2602 KARATE
PHED 3112 INTERMEDIATE AEROBIC CONDITIONING. Prerequisite: PHED 1112. Fall and Spring.
PHED 3301 VARSITY SPORTS III. Prerequisite: PHED 2301 and 2401. Fall and Spring.
PHED 3401 VARSITY SPORTS IV. Prerequisite: PHED 2301, 2401 and 3301. Fall and Spring.
PHED 3413 WATER SAFETY INSTRUCTOR (WSI). Spring
PHED 3702 LIFETIME FITNESS/WEIGHT TRAINING II. Prerequisite: PHED 1102. Fall and Spring. Also taught in Winter term.

PHED 4112 ADVANCED AEROBIC CONDITIONING. Prerequisite: PHED 1102 and 3112. Fall and Spring.

PHED 4212 LIFETIME FITNESS/WEIGHT TRAINING III. Prerequisite: PHED 1102 and 3702. Fall and Spring. Also taught in Winter term.

PROFESSIONAL COURSES IN PHYSICAL EDUCATION

HLTH 1301 FIRST AID/CPR
This course will provide individuals the knowledge and skills necessary to recognize and/or prevent the need for first aid and how to provide basic, first responder care for injuries and sudden illnesses until advanced medical personnel arrive and take over. The student, upon successful completion of the course and the ARC exams (no less than 80% correct on each exam), will acquire their American Red Cross First Aid and CPR cards. No prerequisites. Offered Fall, Spring and Summer.

ATRN 1303 TECHNIQUES OF ATHLETIC TRAINING
The student will be presented with the definition of what an athletic trainer is and does, the “sports medicine team,” legal concerns, environmental considerations, protective equipment selection, fit and proper use, mechanism and types of injury incurred by the physically active, emergency procedures and on-and-off the field acute care of injury with discussion specific to the foot, ankle, lower leg, knee, thigh, hip, pelvis, shoulder, elbow, wrist, hand, fingers, head, and spine. Wrapping and taping techniques will be presented and practiced. Fall and Spring.

ATRN 1300 TECHNIQUES OF ATHLETIC TRAINING LAB
Specific hands-on experience will be demonstrated, practiced, and evaluated according to the didactic ATRN 3103 agenda topics. Corequisite: ATRN 1303, Fall and Spring.

PHED 3003 TECHNIQUES OF TEACHING INDIVIDUAL AND DUAL SPORTS
The selection and application of appropriate materials, methods and techniques of teaching activities such as badminton, table tennis, archery, golf, bowling and tennis. Prerequisite: PHED 3503. Spring.

PHED 3101 METHODS OF TEACHING MOTOR SKILLS AND ELEMENTARY PHYSICAL EDUCATION LAB
This lab is designed to provide Physical Education majors experience in the school setting at the elementary level. Required for all Physical Education majors. Concurrent enrollment in PHED 3102 is required. Fall and Spring.

PHED 3102 METHODS OF TEACHING MOTOR SKILLS AND ELEMENTARY PHYSICAL EDUCATION
Analysis of the value and objectives of a program of physical education for the elementary school student. Various movements applicable to this age group, ranging from simple motor skills to more complex movement and sport skills are explored. Methodology regarding the teaching of fitness, various motor skills, and competitive experiences are emphasized, highlighted by practicum opportunities. Physical Education majors must also have concurrent enrollment in PHED 3101 (Lab). Fall and Spring.
PHED 3103 HISTORY AND PHILOSOPHY OF PHYSICAL EDUCATION AND SPORT
The development of physical education and sport, from ancient times to the present is explored, including the philosophical bases of the status of physical education in various cultures. Emphasis is given to the development of sport and school physical education in the United States, along with an extensive study of the modern Olympic Games. Fall.

PHED 3203 KINESIOLOGY AND LAB
The study of the skeletal and muscular systems, the articulation of joints and muscular analysis involved in daily activities, exercises, rehabilitation and various sports activities. Prerequisites: BIOL 1504. Fall, odd years.

PHED 3303 METHODS OF TEACHING SECONDARY PHYSICAL EDUCATION AND HEALTH
A study of the various methods, techniques, aims, objectives and strategies used in teaching Health and basic activities to physical education and Health classes. An emphasis placed upon recent findings in curriculum development. Fall, odd years.

PHED 3402 ORGANIZATION AND ADMINISTRATION OF PHYSICAL EDUCATION AND ATHLETICS
A course designed to acquaint the student with knowledge and understanding in organizing, planning, administering and evaluating a total program of physical education and athletics. Spring.

PHED 2202 AQUATICS I
A course designed to increase the students’ ability to demonstrate aquatic skills and relate these activities to healthful living. Lab fee required. Fall.

OR
PHED 3413 WATER SAFETY INSTRUCTOR (WSI)
This course is designed to prepare students to teach Red Cross swimming. Lab fee required. Spring.

PHED 3502 TUMBLING AND RHYTHMIC MOVEMENT
Organization, teaching, safety and spotting techniques that are unique in teaching tumbling, along with instruction methods for various rhythmic movements. Lab fee required. Winter term.

PHED 3503 TECHNIQUES OF TEACHING TEAM SPORTS
A course designed to equip students with the skills, techniques, and methods to engage in and teach a wide variety of physical education activities (Basketball, Softball, Volleyball, Soccer, and Team Games). The students will receive information concerning these team activities that relate to specific needs of different age groups in planning physical education programs. Fall.

PHED 3602 PSYCHOLOGY OF SPORT
A study of socio-psychological dimensions of sport and physical activities. Fall and summer.

PHED 4202 ADAPTIVE PHYSICAL EDUCATION
A course designed to develop, through class work as well as outside observations, an understanding of developmental disabilities and provide the instructional process that physical education teachers should provide for their handicapped students in a regular class setting Fall, even years.

PHED 4403 EXERCISE PHYSIOLOGY AND LAB
A study of the effects of muscular activity within the human body with particular reference to the respiratory, circulatory, nervous, endocrine, and digestive systems. Recommended: BIOL 1504 and PHED 3203. Spring.
SPORTS MANAGEMENT

The non-teaching Sports Management degree prepares students for careers in sport and fitness related settings outside the public schools. Depending on emphasis, graduates are prepared to work in fitness and wellness programs or to coach recreational and college sports.

Mission Statement for Sports Management:
The MidAmerica Nazarene University Sports Management mission is to engage all students in providing the highest quality of instruction in a Christian environment. Our goal is to assist in producing morally, academically, spiritually, and professionally qualified individuals for careers in health, lifetime fitness, athletics, and/or sports field environments.

Learning Objectives:
Students who successfully complete the Sports Management program should be able to:
1. Develop class plans for cognitive, psychomotor, and fundamental motor skills for specific sports and activities.
2. Develop a philosophy statement that adheres to the students’ respective field of interest.
3. Describe the roles and responsibilities of the different settings within the sport management profession.
4. Develop the knowledge and skills of professional behavior in order to interact with other professionals and students within the field of sports management.
5. Demonstrate an appreciation and knowledge of wellness and lifelong activities.
6. Demonstrate knowledge of coaching strategies in a variety of sport related events, including basketball, baseball, softball, football, volleyball, and track and field.
7. Demonstrate proficiency in applying theory to practical experiences within the field.
8. Articulate appreciation for the human body as the temple of the Holy Spirit by making appropriate lifestyle choices.
9. Gain and demonstrate knowledge by passing the Sports Management Comprehensive Exam.
10. Develop a resume and portfolio that will assist in securing employment in the Sports Management field upon graduation.

PHED 1001 INTRODUCTION TO SPORTS MANAGEMENT. Fall
PHED 3212 APLIED KINESIOLOGY. Fall, even years
PHED 4302 SPORTS MANAGEMENT SENIOR SEMINAR
This course is designed to help prepare Sports Management majors for graduation. The course includes preparation for the Senior Comprehensive exam, resume and portfolio preparation, preparation for clinical experience internship, employment interview simulation, and post-graduate preparation. Prerequisite: All sport core classes must be complete, with the exception of PHED 4912, 4916, or 4919. Fall and Summer.
PHED 4402 COACHING THEORY OF FOOTBALL
Techniques and strategy of various systems of football. Fall and Summer.

PHED 4412 APPLIED PHYSIOLOGY
Spring, odd years.

PHED 4502 COACHING THEORY OF BASEBALL
Techniques and strategy of various systems of baseball. Spring and Summer.

PHED 4602 COACHING THEORY OF TRACK AND FIELD
Techniques of track and field. Spring.

PHED 4702 COACHING THEORY OF VOLLEYBALL
This course is designed to help prepare students to coach volleyball. Students are taught coaching theories, training schedules, and fundamentals of the sport. Fall.

PHED 4802 COACHING THEORY OF BASKETBALL
Techniques and strategy of various systems of basketball. Fall.

PHED 4902 COACHING THEORY OF SOFTBALL
This course is designed to help prepare students to coach softball. Students are taught coaching theories, training schedules, and fundamentals of the sport. Spring.

PHED 4912 FIELD EXPERIENCE OF SPORTS MANAGEMENT
A supervised, clinical experience at a local fitness center, professional institution, NAIA, recreational center, or training center. Prerequisite: PHED 4302. Fall, Spring and Summer. Student may take for 6 or 9 hours of credit.

Students complete the general education core requirements and a 33-36 hour sport core. Students then complete a specialized core in one of three emphasis.

SPORTS MANAGEMENT SENIOR COMPREHENSIVE
A comprehensive examination is required to be passed by all senior sports management majors before graduation. The comprehensive examination is meant to assess the student’s mastery of basic content areas of the curriculum.

The examination is administered by the Program during the Senior Seminar. Further details regarding the senior comprehensive are available from the Department Chair of the Health and Exercise Science Department.

CAREER ALTERNATIVES IN THE DEPARTMENT OF HEALTH AND EXERCISE SCIENCE
Your choice of an academic concentration does not lock you into a limited range of jobs. Your academic concentration will prepare you for an entry-level position in several occupational areas which may be less obvious. It is not the academic area alone that prepares you for employment, but your total range of present skills, behavior patterns and accumulated knowledge. The following job titles represent a sampling of positions which relate directly to Department majors.

Athletic Training: school district, teacher/athletic trainer, hospital, clinical, and/or high school outreach programs, physical therapy/sports medicine clinic, college/university, corporate/industrial, government/military, professional sports team.

Physical Education: activities director, camp counselor/director, physical education teacher, coach, recreation worker, youth services worker.

Sports Management: non-teaching degree for careers in sport fitness, business, and communications.

Kinesiology: pre-physical therapy, pre-occupational therapy, pre-chiropractic, pre-med, see AMA’s list of allied health fields.
DEPARTMENT OF NURSING

Statement of Mission:
The mission of the Department of Nursing is to build upon the liberal arts foundation offered by MidAmerica Nazarene University to prepare students intellectually, spiritually, and personally for service through the ministry of nursing.

Statement of Purpose:
The purpose of the Christian education offered by the Department of Nursing at MidAmerica Nazarene University is to:

1) prepare professional nurse generalists who are knowledgeable and skillful in the delivery of safe, competent, and creative nursing care;
2) integrate personal, empiric, aesthetic, and ethical ways of knowing (Carper, 1978) as a basis for promoting optimal health;
3) enhance spiritual sensitivity in personal growth and service to others;
4) develop life-long learners who strive for personal and professional growth as individuals who are responsible and accountable members of their profession and society.

Departmental Outcomes:
The nursing program builds upon the general education outcomes of the University to achieve the mission and purpose of the Department of Nursing. Definitions of the outcomes as applied to the nursing program are as follows.

Spiritual Development: the cultivation of a Christian approach to one’s life and professional nursing practice;
Self-Understanding: the self-application of physical, mental, emotional, social and spiritual health promotion practices as the basis of knowledge that will enhance the provision of holistic care to others;
Critical Thinking: the application of current research, theory, professional standards, and ethical codes to influence the ongoing generation and evaluation of creative ideas for the purpose of solving patient, family, and/or community health issues/concerns/problems;
Effective Communication: the ability to clearly interact with individuals and/or groups for the purpose of sharing information, ideas, and/or emotions;
Social Responsibility: the personal involvement of self in nursing’s role and responsibilities to people and society;
Scientific Literacy: the acquisition of nursing’s unique body of knowledge and an understanding of the processes by which that knowledge was achieved and can be developed;
Aesthetic Literacy: the application of caring and creativity in nursing.

Characteristics of each outcome are provided in the Nursing Student Handbook. The outcomes are emphasized in classroom and clinical experiences. Students demonstrate outcome achievement through the senior portfolio, which is completed as a component of the Senior Comprehensive Exam Requirement.

NURSING

COURSE DESCRIPTIONS FOR THE TRADITIONAL BSN PROGRAM

NURS 1003 NURSING PERSPECTIVES
Designed to provide insight into the world of professional nursing through the seven outcomes of the nursing department. The outcomes include: spiritual development, self-
understanding, critical thinking, effective communication, social responsibility, scientific literacy, and aesthetic literacy. A variety of classroom experiences helps students understand how these outcomes are integral to what it means to be a nurse. In addition, each student develops a portfolio demonstrating his/her current degree of proficiency in each of these outcomes listed above. This portfolio is developed further in the upper division major and becomes a requirement for graduation. Level I. Fall, Spring.

**NURS 1022 PRINCIPLES OF HEALTH PROMOTION**
Designed to foster appreciation of the components and the life-long benefits of personal holistic wellness. Specific topics include: gaining an expansive overview of health, from historical, present day, and future-oriented perspectives; assessment of strengths and weaknesses related to personal wellbeing; progressive strategies to support holistic wellness, including knowledge of health promotion theories; practical applications and tools for personal wellness, including spiritual formation; and analysis of current research regarding wellness-related issues. Personal holistic wellness is viewed as the foundation from which to promote health in the individuals and populations served through professional nursing practice. Level I. Spring.

**NURS 2182 BASIC NURSING SKILLS I**
Designed to provide understanding and development of basic nursing skills necessary to provide health maintenance. Learning experiences are provided in the University's nursing lab. Prerequisite: BIOL 1504 and 1604, or consent of the instructor. Level I. Fall.

**NURS 2083 BASIC NURSING SKILLS II**
A study of evidence-based nursing care regarding fundamental nursing interventions and practice. The knowledge and skills necessary to perform procedures relating to therapeutic interventions are presented, and students demonstrate their understanding of these interventions through tests and graded return demonstrations. Special emphasis is given to the delivery of relationship-centered care within a holistic framework as it applies to proficient psychomotor skills of professional nursing practice, as well as competency with drug calculation and safe medication administration. This course builds on nursing interventions learned in Basic Nursing Skills I. Open only to students preparing to begin the clinical portion of the program in the current year’s summer or fall class. Level I. Prerequisite: MATH 1103 or equivalent, NURS 2182. Spring.

**NURS 2002 HEALTH ASSESSMENT FOR NURSES**
Provides an opportunity for students to develop clinical competence in health assessment of an individual client. Students will develop skills in history taking and holistic assessment, which includes: physical assessment, role assessment, developmental assessment, psycho-social assessment, spiritual assessment, and risk assessment (genetics, environment, nutrition, exercise, stress, economics, and abuse). Prerequisite: BIOL 1504, 1604. Level I. Spring.

**NURS 3202 PATHOPHYSIOLOGY I**
Part one of a two-part series that is designed to help students understand disruptions in health (i.e., pathophysiological disease processes). With a thorough understanding of disease processes, students will be able to apply scientific rationale in their nursing practice. This course will explore the clinical presentation of selected diseases, i.e., symptoms, and diagnostic findings. Additionally, basic prevention and/or treatment measures will be presented. General content to be covered in this course includes pathophysiology related to: cellular adaptation, injury, death, and wound healing; fluid balance; genetics; inflammatory and immune responses; cancer; hematology and hemodynamic responses; and gastrointestinal and hepatobiliary function(s). This course is part one of a two-part course series, to run consecutively from the fall semester (part one) to the spring semester (part two). Prerequisite: Admission to the major or consent of the instructor, BIOL 1504, 1604. Level II. Fall.
NURS 3302 PATHOPHYSIOLOGY II
Part two of a two-part series that is designed to help students understand disruptions in health (i.e., pathophysiological disease processes). This understanding will assist students in applying scientific rationale in the provision of quality healthcare. There will be exploration of the clinical presentation of selected diseases, i.e., signs, symptoms, and diagnostic findings. Additionally, basic prevention and/or treatment measures will be presented. This course will build upon the knowledge gained in NURS 3202 Pathophysiology I. General content to be covered in this course includes pathophysiology as related to alterations in: GI and hepatobiliary function, renal function; cardiovascular and respiratory functions; endocrinology; and neurology. This course is part two of a two-part series, to run consecutively from the fall semester (part one) to the spring semester (part two). Prerequisite: Admission to the major or consent of the instructor; NURS 3202. Level II. Spring.

NURS 3002 PHARMACOLOGY I
Part one of a two-part series that is designed to introduce basic pharmacology principles and how they relate to health and illness. Emphasis will be placed upon drugs for anesthesia, neuromuscular blockade, and pain; drugs for fluid and electrolyte imbalances; drugs for infectious diseases; drugs for anemia and hematopoietic and thrombopoietic growth factors; drugs that affect the gastrointestinal system; chemotherapeutic agents; anti-inflammatory, anti-allergic, and immunologic drugs. For these drugs, students will be challenged to investigate, process, and apply information, including: generic/trade names and clinical uses; basic mechanisms of action(s), side effects, contraindications, and interactions; parameters for safe administration, and evaluation of drug effectiveness and adverse/toxic effects. This course is part one of a two-part course series, to run consecutively from the fall semester (part one) to the spring semester (part two). Prerequisite: Admission to the nursing major or consent of instructor. Level II. Fall.

NURS 3102 PHARMACOLOGY II
Part two of a two-part series that is designed to extend and reinforce concepts introduced in NURS 3002 Pharmacology I and how they related to health and illness. Emphasis will be placed upon drugs that affect the following systems: cardiovascular (including critical care), renal, respiratory, endocrine, and central nervous system (including psychopharmacology drugs). For these drugs, students will be challenged to investigate, process, and apply information, including: generic/trade names and clinical uses; basic mechanisms of action(s), side effects, contraindications, and interactions; parameters for safe administration, and evaluation of drug effectiveness and adverse/toxic effects. This course is part two of a two-part course series, to run consecutively from the fall semester (part one) to the spring semester (part two). Prerequisites: Admission to the nursing major or consent of the instructor. NURS 3002. Level II. Spring.

NURS 3088 HEALTH RESTORATION I
Part one of a two-part series that focuses on the care of individuals of all ages experiencing acute illness, exacerbation of a chronic condition, and/or surgery. Emphasis will be on development of students’ knowledge and skills in dealing with problems related to pain, immune function, integument, dentition, nutrition, physical activity, hearing, vision, speech, language, digestion-hydration, bowel function, genitourinary function, sleep/rest patterns, spirituality, emotional needs, and learning needs. The health care system related to acute care will be introduced. Students will receive clinical experience in acute care facilities. This course is part one of a two-part course series, to run consecutively from the fall semester (part one) to the spring semester (part two) (or for accelerated students, the course runs consecutively during the summer). Prerequisite: Admission to the major, pre and/or co-requisite with NURS 3202, 3002. Level II. Fall, Summer.
NURS 3188 HEALTH RESTORATION II
Part two of a two-part series and builds upon knowledge gained in NURS 3088 Health Restoration I. Focuses on the care of individuals of all ages experiencing acute illness, exacerbation of a chronic condition, and/or surgery. Emphasis will be on development of students’ knowledge and skills in caring for patients with problems related to cardiovascular, respiratory, renal, genitourinary, endocrine, integument, musculoskeletal, and neurologic functions. In addition to caring for the physical needs of the patient, students will be encouraged to consider the patient’s spiritual, emotional, and learning needs. Students will continue to develop testing skills based upon the structure and format of the most recent NCLEX-RN® test plan. Health care delivery will occur in the acute care setting. This course is part two of a two-part course series, to run consecutively from the fall semester (part one) to the spring semester (part two) (or for accelerated students, the course runs consecutively during the summer). Prerequisite: NURS 3088, 3002 and 3202 and concurrent with NURS 3102, 3302. Level II. Spring, Summer.

NURS 3783 PEDIATRIC NURSING
A study of evidence-based nursing care of children and their families. Special emphasis is given to the delivery of relationship-centered care within a holistic framework as it applies to health promotion, maintenance, and restoration of children. Cultural values and health needs specific to the pediatric lifespan are explored. Hospital and community-based settings provide theory to practice application. Prerequisites: NURS 3002, 3202, and 3088. Level II. Spring.

NURS 4101 SPECIAL TOPICS IN NURSING
Offers advanced study in a specialized area of nursing. The special topic may be tied to the clinical setting utilized in NURS 4285. Students must take a minimum of one credit hour of special topics. Fall, Spring, Summer.

NURS 4302 PATIENT CARE MANAGEMENT
A study of evidence-based practices for patient care management via human patient simulators and clinical case scenarios. A safe environment is provided for students to practice critical thinking and decision-making skills, demonstrating competency through patient care management of selected scenarios. Emphasis is placed on the management of prototype scenarios that require effective clinical assessment, judgment, teamwork, interdisciplinary communication, and efficient resource management. Level III. Fall.

NURS 4083 MATERNAL AND WOMEN’S HEALTH NURSING
A study of evidence-based nursing care of childbearing families and women. Special emphasis is given to the delivery of relationship-centered care within a holistic framework as it applies to health promotion, maintenance, and restoration of child-bearing families and women. Cultural values and women’s health needs specific to the lifespan are presented. Hospital and community-based settings provide theory to practice application. Level III. Fall.

NURS 4502 GERONTOLOGICAL NURSING
A study of evidence-based nursing care of older adults. The major concepts of the course include demographics of the aging population; common physiological, psychological, sociological, and spiritual issues affecting the health of older adults; health promotion interventions for older adults; options in the continuum of care of older adults; and death as a final developmental process. Level III. Spring.

NURS 4283 MENTAL HEALTH NURSING
A study of evidence-based nursing care of patients with mental illness. Developmental, socio-cultural, psychological, and situational aspects of life that impact the mental health of individuals, families, and communities are explored. Special emphasis is given to the delivery
of relationship-centered care within a holistic framework as it applies to mental health promotion, maintenance, and restoration. Principles of communication as an intervention to develop therapeutic relationships are emphasized. Acute care and community-based settings provide theory to practice application. Level III. Fall.

**NURS 4383 COMMUNITY HEALTH NURSING**
A study of evidence-based nursing care of populations. Special emphasis is given to the delivery of relationship-centered care within a holistic framework as it applies to health promotion, maintenance, and restoration of complex systems and aggregates in the community, state, nation, and world. Included are concepts of epidemiology, health promotion (primary, secondary, and tertiary levels), disease prevention, health policy, healthcare delivery systems, and the Healthy People Initiatives. Selected environmental components affecting community health to be explored include historical, political, economic, social, and cultural influences. The role of the healthcare provider in advocating for healthy communities is presented. A community assessment is required. Level III. Fall.

**NURS 4103 NURSING RESEARCH / INFORMATICS**
Designed to develop students’ knowledge of the research process; to increase their appreciation of the significance of nursing research in developing sound nursing practice; to help them develop skills to become astute consumers of nursing research; and to apply their knowledge of the research process in nursing practice. Students will be introduced to computer applications that facilitate the research process such as in literature reviews and data analysis. Level III. Fall.

**NURS 4212 SENIOR SEMINAR: TRANSITION INTO NURSING PRACTICE**
Designed to prepare senior nursing students for the challenges of transition from pre-licensure nursing education to the practice of professional nursing. Students will gain understanding of their relationship with the State Board of Nursing and professional licensure requirements. Additionally, students will be challenged to prepare for the NCLEX-RN® examination with a content review based upon the current NCLEX-RN® Test Plan. Classroom activities to develop critical thinking and successful test taking skills will be presented. Completion of the senior portfolio will be a product of this course. Prerequisite: successful completion of all fall Level III courses. Spring.

**NURS 4403 ROLE DEVELOPMENT**
Focuses on students’ development as leaders, designers/managers/coordinators of care, and as members of the nursing profession. The concepts of interdisciplinary team management and collaboration are also presented. Emphasis is on enabling students to shape a preferred future in health care situations. Level III. Spring.

**NURS 4285 NURSING INTERNSHIP**
This clinical course is designed to help students develop skills of patient care management. Acute care settings will be used to provide coordination of care to an appropriate patient caseload. Additionally, students may be asked to participate in hospital unit meetings, projects, etc., as suggested by the student’s clinical preceptor. Prerequisite: All fall Level III courses. Spring.

**CURRICULUM**
Three tracks to obtaining a Bachelor of Science in Nursing degree (BSN) are offered. All three tracks are centered with the same philosophy and program outcomes.

The **Traditional BSN Nursing Program** is the plan used by most students. It allows students to achieve a BSN degree in four years. During the first two years, students take lower division nursing courses, along with meeting prerequisite and general education
requirements. The final two years of education place a heavy emphasis on the upper division nursing curriculum, including 2-3 days/week of clinical experiences in a variety of health care settings.

The **Accelerated BSN Nursing Program** is designed for individuals who may have a previous degree, life experiences related to health care, or those with a desire to complete their nursing education more quickly.

The **Accelerated RN to BSN Program** is designed to integrate and build upon the nursing knowledge and experience of the RN student. The curriculum is designed to provide educational experiences that enhance knowledge, competencies, and professional behaviors. Classes are offered one day per week, in the format of five-week modular units. This provides the opportunity for RN students to join the program at any time during the year.

Each of these programs is explained on the following pages.

**SUGGESTED CURRICULUM PLAN FOR TRADITIONAL BSN NURSING STUDENTS**

**LEVEL I - FRESHMAN YEAR**

**Fall:**
- FRST 1101 Freshman Seminar
- BLIT 1103 Old Testament Literature
- BIOL 1504 Anatomy and Physiology I
- ENGL 1203 English Composition I: Writing and Research
- NURS 1003 Nursing Perspectives
- MATH 1103 Intermediate Algebra

**Spring:**
- BLIT 1203 New Testament Literature
- BIOL 1604 Anatomy and Physiology II
- COMM 1303 Public Speaking
- NURS 1022 Principles of Health Promotion
- FNAR 1103 Intro to Fine Arts

**SOPHOMORE YEAR**

**Fall:**
- NURS 2182 Basic Nursing Skills I
- CHEM 1005 Introduction to Chemistry
- PSYC 2503 Lifespan Development I
- THEO 2003 Christian Beliefs
- Elective Philosophy (Ethics preferred)
  History, Social Science, Economics, or Criminal Justice

**Spring:**
- BIOL 2005 Microbiology
- NURS 2083 Basic Nursing Skills II
- NURS 2002 Health Assessment for Nurses
- GNSC 3703 Human Nutrition
- MATH 3503 Probability & Statistics
LEVEL II - JUNIOR YEAR

Fall:
- NURS 3002 Pharmacology I
- NURS 3202 Pathophysiology I
- NURS 3088 Health Restoration I
- NURS 4101 Special Topics in Nursing* (optional)

Spring:
- NURS 3102 Pharmacology II
- NURS 3302 Pathophysiology II
- NURS 3188 Health Restoration II
- NURS 3783 Pediatric Nursing
- NURS 4101 Special Topics in Nursing* (optional)

LEVEL III - SENIOR YEAR

Fall:
- NURS 4083 Maternal and Women’s Health Nursing
- NURS 4103 Nursing Research/Informatics
- NURS 4283 Mental Health Nursing
- NURS 4383 Community Health Nursing
- NURS 4302 Patient Care Management
- NURS 4101 Special Topics in Nursing* (optional)

Spring:
- NURS 4403 Role Development
- NURS 4285 Nursing Internship
- NURS 4212 Senior Seminar: Transition into Nursing Practice
- NURS 3402 Gerontological Nursing
- NURS 4101 Special Topics in Nursing* (optional)

*All students must complete one special topics course (one credit hour minimum) to meet graduation requirements for the BSN degree.

Contact the Department of Nursing for a complete listing of the admission and progression criteria, time frames involved, and other specific information about the Traditional BSN Nursing Program.

ACCELERATED BSN NURSING PROGRAM CURRICULUM

A newly revised accelerated BSN curriculum is forthcoming and will be implemented in January of 2011.

ADMISSION TO THE TRADITIONAL BSN NURSING PROGRAM

Any freshman or sophomore student may declare nursing as a major. However, application to the upper division (junior year) nursing major is a separate process. The Department of Nursing admission committee reserves the right to defer admission or place students on a
waiting list if there are more qualified applicants than the Department can accommodate for a particular class. Conditional acceptance into the nursing major is specified for a particular class and program. It does not imply a blanket acceptance to any class or program of the student’s choosing. Due dates for applying to the nursing program area are as follows:

**Traditional Program:** Due dates for nursing applications to the Traditional Program are:

- **October 1:** for applicants seeking admission to the fall program of the following calendar year.
- **February 1:** for applicants seeking late admission to the fall program of the current calendar year. These applications will be accepted only on a space-available basis.

For “early” admission to the following calendar year’s class:

- **February 1:** for applicants enrolled at MidAmerica during the previous fall semester who are seeking “early” admission to the nursing program.

The following items are required for application to the nursing program:

1. Submit formal application to the Department of Nursing on official application form by October 1 or February 1.
2. Submit two references to the Department of Nursing from qualified persons on official forms by October 1 or February 1.
3. Confirm that official transcripts from all institutions previously attended have been received by MidAmerica’s Registrar’s Office by October 1 or February 1.
4. Attain a minimum grade point average of 2.60 on a 0 to 4.0 scale in the cumulative GPA or a GPA calculated on the courses prerequisite to the nursing major.
5. Exhibit appropriate interpersonal skills and behaviors.
6. Complete the Test of Essential Academic Skills (TEAS®) prior to the admission deadline. Since admission to the nursing program is competitive, preference is given to students with higher scores.
7. English Language Requirements: All applicants to the MNU nursing major whose native language is not English must demonstrate an established level of English language proficiency through the TOEFL iBT exam. TOEFL scores are required as follows: TOEFL iBT:
   - Overall score of 80 (minimum)
   - All sub-scores (Writing, Speaking, Reading, Listening) of 20 (minimum)

Waiving the TOEFL iBT Requirements: The Associate Academic Vice President may grant exceptions to the minimum English proficiency requirements on a case-by-case basis.

All applicants will be notified, in writing, of the nursing admission committee’s decision as soon as possible after the admission committee meeting.

Other requirements for beginning upper division nursing courses include:

1. health and hospitalization insurance coverage;
2. a complete health assessment exam and immunization update;
3. Health Care Provider (CPR) certification from the American Heart Association;
4. a criminal background check (approximate fee $65.00). If a student does not pass the criminal background check, he/she may not be allowed access to clinical agencies. In this case a student would not be able to meet course requirements, resulting in a failing grade for the course. These requirements are stipulated by clinical agencies before students are permitted to begin clinical experiences.
Students who have been conditionally accepted into the nursing major will be allowed to begin their upper division nursing courses provided:

1. they meet all the above-stated admission criteria and requirements;
2. their grade point average is at or above a 2.6; and
3. All prerequisite general education courses (or their equivalent) listed below are completed with a grade of C- or better, while all nursing courses (courses with a NURS prefix) must be passed with a C (73%) or better.

**Sciences**
- Minimum of 19 credit hours
- BIOL 1504 Anatomy and Physiology I (required)
- BIOL 1604 Anatomy and Physiology II (required)
- GNSC 3703 Human Nutrition (required)

**Electives:**
- BIOL 2005 Microbiology (preferred)
- BIOL 3003 Human Genetics (preferred)
- CHEM 1005 Introduction to Chemistry (preferred)
- COMM 1303 Public Speaking (preferred)
- ENGL 1203 English Composition I: Writing and Research
- FRST 1102 Freshman Seminar
- MATH 1103 Intermediate Algebra
- NURS 2182 Basic Nursing Skills I
- NURS 1003 Nursing Perspectives
- NURS 2002 Health Assessment for Nurses
- NURS 1022 Principles of Health Promotion
- NURS 2083 Basic Nursing Skills II
- PSYC 2503 Lifespan Development I

Students who do not meet these requirements by the stated time will forfeit their position in the designated class to which they’ve been admitted. Admission into one nursing class does not confer extended admission into future nursing classes.

Contact the Department of Nursing for an official listing of the admission criteria and time frames involved in the admission process.

**RETENTION IN THE TRADITIONAL BSN NURSING PROGRAM**

Following completion of each nursing course, students are evaluated by nursing faculty in terms of both scholastic and clinical nursing performance.

1. The Department of Nursing requires the attainment of a grade ≥ C or 73% in all courses of the major.
2. The Department of Nursing requires the attainment of a grade ≥ C or 73% on the testing portion of the course grade for all nursing courses. The test average will be calculated in one of two ways: (1) as an overall test average, or (2) a weighted test average, as determined by individual instructors and described in each course syllabus.
3. Any nursing course may be taken only a total of two times, including withdrawing with a failing grade. Any nursing course taken at MidAmerica must be repeated at MidAmerica. A student who fails (or withdraws while failing) two nursing courses (lower division and/or upper division) or fails the same course twice is automatically dismissed from, and/or ineligible for admission to, the nursing program. In addition, this student may not enroll for any further nursing courses at MidAmerica.
Please note: Graduation from MidAmerica’s nursing program prepares individuals to take the NCLEX-RN® licensure exam in any state. Students taking the examination in Kansas will be notified about application procedures and deadlines. Students taking the NCLEX-RN® examination in other states must assume individual responsibility for contacting the appropriate State Board of Nursing for licensure application requirements and procedures.

Since individual State Boards of Nursing have different regulations, it is the student’s responsibility to make sure he/she has met all eligibility requirements. For example, individuals who have been convicted of a felony or certain misdemeanors may or may not be eligible for RN licensure in a given state.

Other reasons why a license to practice as an RN may be denied, revoked, limited, or suspended in the state of Kansas are also listed in the Kansas Nurse Practice Act. The entire nurse practice act may be accessed at http://www.ksbn.org/npa/npa.htm.

RN TO BSN ACCELERATED PROGRAM FOR REGISTERED NURSES

The nursing curriculum for the accelerated RN to BSN Program includes similar General Core requirements as the traditional BSN program. The number of hours required will vary depending on the number of hours transferred or the credit achieved through examination. See admission criteria for a list of requirements. Flexibility in the sequence of courses is allowed. All the nursing courses for this program are offered one day a week and are presented in a format of five-week modular units. The entire program may be completed in one calendar year.

COURSE DESCRIPTIONS FOR THE ACCELERATED RN TO BSN PROGRAM

NURS 3403 WELLNESS AND SPIRITUALITY IN NURSING
Designed to foster appreciation of the components and life-long benefits of personal holistic wellness. Specific topics include: gaining an expansive overview of health, from historical, present day, and future-oriented perspectives; assessment of strengths and weaknesses related to personal wellbeing; progressive strategies to support holistic wellness, including knowledge of health promotion theories; practical applications and tools for personal spiritual formation; and analysis of current research regarding wellness-related issues. Personal holistic wellness is viewed as the foundation from which to promote health in the people and populations served through professional nursing practice.

NURS 3203 NURSING THEORIES AND CONCEPTS
Introduces the RN to BSN student to the theoretical bases of professional nursing and the nursing theory-research-practice connection. The seven student outcomes of the Department of Nursing are explored: Spiritual Development, Self-Understanding, Critical Thinking, Effective Communication, Social Responsibility, Scientific Literacy, and Aesthetic Literacy. The student begins a portfolio demonstrating his/her current level of proficiency in each of these outcomes. This portfolio is developed further in the following semesters and becomes a requirement for graduation.

NURS 3103 PHARMACOLOGY
**May take challenge exam and demonstrate proficiency.
Designed to reinforce basic pharmacology principles and how they relate to health and illness.
Students will be challenged to investigate, process, and apply information including: therapeutic category, generic/trade names and clinical uses; basic mechanisms of actions, side effects, contraindications, and interactions; parameters for safe administration, and evaluation of drug effectiveness and adverse/toxic effects.

**NURS 3803 BIBLICAL PERSPECTIVES**
Reflects MidAmerica Nazarene University’s commitment, as a Christian liberal arts university, to nurturing an appreciation for the rich resources of the Scriptures. Cultural, societal, and biblical themes are explored through the study of the literature and history of the Bible. Students study the development of five major themes throughout the Bible and examine biblical concepts as they relate to current professional issues and the integration of faith, learning, and living.

**NURS 3503 PROBABILITY AND STATISTICS**
Presents elementary probability theory designed with a core that is common to the interests of RN to BSN students. Includes measures of central tendency, standard deviation, sampling theory, correlation theory, and data interpretation.

**NURS 4603 HEALTH ASSESSMENT FOR NURSES**
**May take challenge exam and demonstrate proficiency.**
Provides an opportunity for students to develop clinical competence in health assessment of an individual client. Students will develop skills in history taking and holistic assessment, including: physical assessment, role assessment, developmental assessment, psycho-social assessment, spiritual assessment, and risk assessment (genetics, environment, nutrition, exercise, stress, economics, and abuse).

**NURS 3303 PATHOPHYSIOLOGY**
**May take challenge exam and demonstrate proficiency.**
Designed to help the student understand disruptions in health (i.e. pathophysiological disease processes). This understanding will assist students in applying scientific rationale in the provision of quality healthcare. There will be exploration of the clinical presentation of selected diseases, i.e. signs, symptoms, and diagnostic findings, its pathophysiological basis, as well as prevention and/or treatment measures.

**NURS 4085 HEALTH PROMOTION FOR THE INDIVIDUAL/FAMILY/COMMUNITY**
Investigates the health promotional aspects of nursing care across the lifespan. Students will develop knowledge and skills in helping clients and families make responsible decisions to promote optimal physical, psychosocial, and spiritual wellness. The health care system related to community-based care will be introduced. Students will complete an assessment and develop a program plan to meet the actual or potential health problems for the community they select. Through the science of epidemiology, students will examine world health problems. Health care systems in developed and underdeveloped countries will be examined (3 hours lecture per week plus 4 hours per week community service=20 hours plus 1 hour per week to complete community assessment).

**NURS 4185 ROLE DEVELOPMENT**
Focuses on students’ development as leaders/designers/managers/coordinators of care, and as members of the nursing profession. Emphasis is on enabling students to shape a preferred future in health care situations. Current issues in health care and in the nursing profession are discussed (3 hours lecture per week plus 1 credit hour clinical work time on developing skills and 4 hours per week of time with preceptor on role development/project).
NURS 4203 HEALTHCARE ECONOMICS
Designed to provide a foundation for the analysis of the current state of health care organizations, financing, and delivery of services. Emphasis is on examining national and global health care needs and social justice in relationship to health care systems and policy. The utilization of informatics to manage and communicate data, information, and knowledge to support clients, nurses, and other health care providers also is addressed.

NURS 4703 NURSING RESEARCH/INFORMATICS
Designed to develop students’ knowledge of the research process; to increase their appreciation of the significance of nursing research and evidence based practice; in developing sound nursing practice; to help them develop skills to become astute consumers of nursing research; and to apply their knowledge of the research process in nursing practice. Students will be introduced to computer applications that facilitate the research process such as in literature reviews and data analysis.

NURS 4903 SPECIAL TOPICS IN NURSING
Offers advanced study in a specialized area of nursing of the student’s choice.

NURS 4303 ETHICAL ISSUES IN HEALTHCARE
Explores the theories, models, and principles that serve as guides for ethically sound decision making and behavior of the professional nurse. The role that values, beliefs systems, and moral awareness play in bioethical decision making will be discussed.

ADMISSION TO THE RN TO BSN NURSING PROGRAM

Qualifications for Admission to the BSN Program

To be admitted to the RN to BSN Program, the RN student must be a graduate of an accredited associate degree nursing program or a state-approved diploma program, have current licensure as an RN, and successfully complete (“C-” or better) the prerequisite courses.

The criteria for admission to the Department of Nursing accelerated RN to BSN program are:

1. Acceptance to MidAmerica Nazarene University.
2. Official transcripts from all institutions previously attended must be submitted to MidAmerica Nazarene University Registrar.
3. Transcripts must document a minimum grade point average of 2.5 on a 0-4 scale in the GPA calculated on the courses required for the nursing major.
4. Submit application to the Nursing Department for acceptance into the RN to BSN Program.
5. Submit validation of RN license and health insurance (or sign waiver for health insurance).
6. Submit two references to the Nursing Department from qualified persons on official forms.
7. Submit Health Care Provider (CPR) certification.
8. Student is responsible for criminal background check costs if required by the facility of clinical participation.

Contact the Department of Nursing for other specific information about the accelerated RN to BSN Program.

PRIOR LEARNING ASSESSMENT FOR ALL NURSING STUDENTS

CREDIT BY TRANSFER

Students desiring to transfer to MidAmerica Nazarene University from other institutions of higher education should follow the MidAmerica Nazarene University admission procedures. Nursing advisors are available to discuss requirements related to transfer credit. Generally speaking, upper division nursing courses are not accepted in transfer from other colleges or universities.

CREDIT BY EXAMINATION

CLEP and Proficiency Examinations:
Information concerning which CLEP exams and/or proficiency exams may be used to meet General Core requirements is found elsewhere in this Catalog.

Nursing Challenge Exams:
LPNs with three or more years of current, full-time nursing experience will be allowed to obtain credit by validation for Pathophysiology and Pharmacology courses by passing challenge exams. LPNs with less work experience may petition the Student Admissions and Policies Committee to take one or both of these tests.

RN to BSN (Bridge) Students:
Students may obtain credit by validation (via challenge exams) for Pathophysiology, Pharmacology, and Health Assessment. Successful completion of an exam will result in placement of the appropriate credit hours on the transcript, after payment of a “Credit by Examination” fee has been paid. If the challenge exam is unsuccessful, additional attempts are allowed (pending payment of additional testing fees).

All challenges to the Pathophysiology and Pharmacology courses should be completed prior to the semester and/or module where the course(s) would normally be taken so that the student may enroll for the course(s), if necessary. Students should contact the RN to BSN Coordinator for information about fees and arrangements for taking challenge exams.

CREDIT BY VALIDATION

Licensed Practical Nurses
Licensed Practical Nurses may be awarded credit for two lower-division nursing courses as follows:

NURS 2182 BASIC NURSING SKILLS I
LPN students may be awarded credit by validation for this course. Successful completion of the NCLEX-PN® exam demonstrates proficiency.

NURS 2083 BASIC NURSING SKILLS II
LPN students with three or more years of current, full-time nursing experience will be given the opportunity to validate their skills that are taught in NURS 2083 Basic Nursing Skills II. LPNs with less work experience may petition the Student Admissions and Policies Committee to be allowed to validate their skills in this course. Whether LPNs will be required to take NURS 2083 Basic Nursing Skills II will be determined by two factors:

1. LPNs will take the drug calculation competency exam that is taken by all upper division nursing students. If this test is passed successfully, credit will be given for the drug calculations part of NURS 2083 Basic
Nursing Skills II. If the drug calculations test is not passed successfully, the student must enroll for the drug calculations part of the Basic Nursing Skills II course.

2. A review of the LPN student’s skills will be made by the appropriate nursing faculty. A determination of whether credit will be given for the non-drug calculations part of Basic Nursing Skills II or not will be made after that review.

Accelerated RN to BSN Students

RN to BSN students have the opportunity to document prior learning and to receive up to a maximum of 34 hours for validated prior learning. Credit is validated through review by faculty in the subject area, with the application of national standards. For further information about prior learning assessment, contact the RN to BSN Coordinator.

CLINICAL AFFILIATIONS

The Department has contractual agreements with numerous hospitals and health care agencies that have agreed to provide clinical learning opportunities for nursing students. These agencies are located in the greater KC metropolitan area (~60 mile radius of the MNU campus). Students involved in direct patient care learning experiences will be under the supervision of MNU faculty. Nursing students in their junior and senior years can expect to spend approximately two to three days per week in off-campus clinical learning experiences. Examples of clinical affiliations include:

- Children’s Mercy Hospital, Kansas City, MO
- Children’s Mercy South, Overland Park, KS
- Cristo Rey Kansas City, Kansas City, MO
- Duchesne Clinic, Kansas City, KS
- Guatemala Widows and Orphans Program, Guatemala
- Health Partnership of Johnson County, Overland Park, KS
- Kansas City Rescue Mission, Kansas City, MO
- Menorah Medical Center, Overland Park, KS

CAREER ALTERNATIVES IN THE DEPARTMENT OF NURSING

With a degree in nursing, you have unlimited possibilities regarding future employment. Your academic concentration will prepare you for entry-level positions in a variety of professional nursing practice settings. It is not the academic area alone that prepares you for employment, but your total range of skills, behavior patterns, and accumulated knowledge. The following job titles represent a sampling of positions that relate directly to nursing.

Nursing: hospital staff nurse, home health nurse, mental health nurse, community health nurse, school nurse, medical office nurse, long-term care nurse, rehabilitation nurse, flight nurse, quality assurance review agent, genetic counselor, and occupational health nurse. Masters and doctoral preparation in nursing opens many opportunities for advanced nursing practice roles, research, and nursing education.
Personnel

MidAmerica Nazarene University is an institution of the Church of the Nazarene. The official organization of the University is composed of several groups of interrelated personnel: a board of trustees, the officers of administration, the committees of administration and faculty, the faculty of instruction, the staff, and the student body.

BOARD OF TRUSTEES

The permanent control of MidAmerica Nazarene University is vested in a board of trustees elected by the districts of the University region: Dakota/Minnesota, Iowa, Joplin, Kansas, Kansas City, Missouri, and Nebraska. The Board meets twice a year and upon call by the University president or by the chairman of the Board.

Between the official sessions of the Board of Trustees, the Executive Committee, elected by the Trustees, acts as an advisory and procedural group.

ALMA MATER

I.

On a Kansas hill were planted
Dreams of hope from Heaven's Light;
Pioneers' undaunted spirits
Kept the vision burning bright.

Now it stands with sure foundation.
God directs its destiny
Like the eagle soaring higher:
Ever stronger, ever free.

II.

MidAmerica we laud you,
Lift our praise to Heaven above.
Stately pillars oft remind us
Of the hallowed halls we love.

Keep the torch for freedom burning,
Fuel'd with passion for the right!
Grant us faith that ever reaches
To the Source of Truth and Light.
