MidAmerica Nazarene University is seeking an Assistant Professor/Clinical Education - Athletic Training. Responsibilities include coordination, supervision, and evaluation of all aspects of the clinical education area of the athletic training educational program. The Athletic Training Program (ATP) is accredited by the Commission for Accreditation of Athletic Training Education. During the last site visit, MNU earned a 10-year accreditation. The next site visit will take place in the 2018-2019 academic year. The department of Health and Exercise Science currently offers four majors: Athletic Training, Kinesiology, Physical Education, and Recreation and Leisure Studies. The department is seeking expansive growth in related health science programs.

Candidates for this 10-month position should be able to demonstrate a commitment to education delivered with a Christ-centered worldview, a strong commitment to excellence and be able to successfully perform the following responsibilities:

**Position Description:** Assistant Professor/Clinical Education Coordinator

- Coordination, supervision, and evaluation of all aspects of the clinical education area of the athletic training educational program.
- Provide student leadership through teaching athletic training core courses, supervising internships, advising Athletic Training majors, and recruiting future MNU students.
- Teach in the undergraduate health and exercise science courses.
- Conduct research in areas of interest; present and publish results.
- Participate in assigned department, school, and university committees.
- Provide service to the academic community both internally and externally to MNU.
- Other duties as assigned by the program director, chair or dean

**Desired Qualifications:** Each candidate should meet the following qualifications.

- Master’s degree in a health science related discipline, i.e. athletic training, physical therapy, kinesiology, or a closely related discipline; Doctorate is preferred.
- Hold current BOC athletic training certification and be in good standing with the BOC.
- Minimum of five years of clinical experience as a BOC-certified athletic trainer with eligibility for Kansas state license in Athletic Training.
- Teaching and clinical education experiences in a CAATE accredited program.
- NATA member.
- Demonstrated ability to teach undergraduate students didactically and clinically.
• Involvement in health sciences and/or sports medicine through publications, public speaking, research, and membership in related professional organizations (highly desirable).

Application: Candidates wishing to apply for this position should send the following documentation to Nancy Merimee, Director of Human Resources at hr@mnu.edu
Questions may be addressed to this email address or by telephone to 913-971-3427.
• A cover letter including position sought and reason for interest
• A complete curriculum vita or resume
• All undergraduate and graduate transcripts (unofficial copies of official transcripts are accepted for initial application)
• Statement of faith, including personal faith history and vision for integrating faith and learning. (2 page maximum). Further information regarding a statement of faith can be found at www.mnu.edu/jobs
• Three (3) letters of reference

Mailing address:
Nancy Merimee, Director of Human Resources
MidAmerica Nazarene University
2030 E College Way
Olathe, KS 66062

Review of applications will begin immediately and continue until the position is filled.

MidAmerica is very much interested in reviewing applications from qualified members of traditionally underrepresented groups in America, including women and racial and ethnic minorities.

MidAmerica Nazarene University policy prohibits discrimination on the basis of race, gender, age, color, creed, national or ethnic origin, marital status, or disability in the recruitment and admission of students and in the operation of all university programs, activities, and services. Any concerns regarding discrimination on the basis of gender or disability should be addressed to the Associate Academic Vice President, university coordinator of Section 504 of the Rehabilitation Act of 1973 and Title IX of the Education Amendments of 1972, in the Academic Offices in Lunn Hall, (913) 971-3573.
