Nursing Program Admission Information for Class of 2018

We are so happy you are applying for the TBSN program at MNU! Application materials are posted on the Nursing Forum Moodle site. There are three different admission categories. We will review applications in October and February. Guidelines are posted below to help you determine which date your nursing application is due.

The TEAS-V exam is scheduled for Thursday September 17. This exam score is an important part of your application. Students may purchase study materials and practice tests online at www.atitesting.com. Students may take the exam more than once if desired, and are encouraged to do so if they do not achieve a proficient level on the first attempt as this is considered a minimum standard for acceptance into the nursing program.

The application/admission process will take into account your GPA and academic performance, TEAS score, reference letters and personal statement.

EXPEDITED ADMISSION
- First-time freshman who had an ACT score of 25 or above, AND a high school GPA of > 3.5 will have what we consider an expedited admission. If you believe you meet these criteria but have not yet received a letter please contact your faculty advisor to confirm.
- Students receiving expedited admission are NOT required to take the TEAS test provided you were able to maintain a GPA > 3.0 your freshman year.
- Please contact Ammory for an expedited admission application form if you have not yet completed this.

PRIORITY ADMISSION
- The priority admission application is due on October 1, 2015.
- Students who are eligible for priority admission meet the following criteria:
  - Cumulative GPA of >3.5
  - TEAS-V score ≥75%

TRADITIONAL ADMISSION
- All students seeking admission to the nursing class in the fall of 2016 will need to have the TEAS exam and application completed and submitted by February 1, 2016.
- Students must have a GPA of 2.6.
