Do you have students that would like explore God’s Calling on their life? Do they need to set aside time to hear from God and learn how to prepare for the life God has created them for? The North Central Region YES conference can help them do just that! The Conference will be held at MidAmerica Nazarene University, Friday and Saturday, January 24 – 25. Because of gracious support from MNU the cost of the Conference is only $25 per student and $10 for adult sponsors which includes a t-shirt, lodging, training, and meals while at MNU.

YES Conference is for all students (9th -12th grade) who would like to explore God’s Call into life long ministry. The weekend will provide information about MidAmerica and the Ministry majors they offer. The training sessions will address the following areas.

Session 1: HEAR God’s Call  
Session 2: EXPLORE God’s Call  
Session 3-5: PREPARE for God’s Call  
Session 6: EMBRACE God’s Call  

Students and adults attending the YES Conference will be housed on campus at MNU. Students and adult sponsors will be housed in vacant dorm rooms unless they request to be housed with a specific MNU student. Adult sponsors are asked to stay on the campus of MNU for the duration of the conference and help supervise students at appropriate times throughout the conference.

This information packet includes a flyer (please share with your youth), conference schedule, youth registration form, and adult sponsor registration form. All forms are DUE JANUARY 7. If you have questions or need additional information please feel free to contact me. What a privilege it is for each of us to help equip students to Hear, Explore, Prepare for, and Embrace the Calling of God upon their lives!

Sincerely,

Selena Freeman  
Regional YES Coordinator
