THE GIFT OF TIME................................ 6
THE GIFT OF RELATIONSHIP............... 16
THE GIFT OF SERVICE......................... 20
THE GIFT OF FINANCIAL SUPPORT....... 24
There are many types of gifts. Every gift makes a difference.

Each year is a gift - we truly believe this.

At MNU we recognize the swiftness with which a year passes. Winter thaws giving way to spring, with marathon study sessions and finals. Cheers from the baseball field join with the joyous shouts of seniors at graduation. Summer brings planning, practicing and preparing. We welcome fall with open arms: long days on the campus green, new friends and reunions. Before we know it, we wonder where the year went.

Now we celebrate the many gifts of 2014 and renew our challenge to live out our commitment to be purposeful and our mission to be transformational.

As we reflect on last year, we recognize the gifts of time, relationship, service and financial support that made so much of the “possible” become a reality for MNU students.

We are thankful for the gift of 2014.

OUR MISSION
A transformative university that nurtures Christlike community, pursues academic excellence, and cultivates a passion to serve.

OUR VISION
To impact the world for Jesus Christ through servant leaders recognized for their excellence, integrity, and spiritual vitality.
Recently when considering a purchase I noticed a tag which indicated the product was covered by a “limited warranty.” After closer inspection, and short of a direct meteor hit, the product warranty was so limited it was worthless. Another product included a “lifetime guarantee” and another long list of exceptions which caused me to question the dependability of the product itself.

Contrast this with the words of Psalm 136, “Give thanks to the LORD . . . His love endures forever.” When you read the fine print, the Hebrew word “chesed” is used to describe the infinite expanse of God’s dependable, never failing and faithful love. Forty times this phrase is used in scripture as praise to celebrate the faithfulness of God. Imagine a guarantee that is limitless and extends, not merely for a lifetime, but from generation to generation. In a world of constant change, the love of God is firm, trustworthy, never ending and is not subject to change.

This annual report tells the continuing story of a university that was founded upon the enduring faithfulness of God. Again this year he has blessed MNU through the prayers, sacrifice and generous support of its alumni and friends. To their obedience he has added his “immeasurably more” and we have again witnessed the expanse and magnitude of His love. Once again God has exceeded our expectations, amazed us and overwhelmed us with His provision. With the Psalm writer we too must sing, “Give thanks to the LORD . . . his love endures forever.”

We are grateful to each of those who have contributed time, resources and service again this year. Your faithful support is essential to the work of the University at this very crucial time in our world. God is working in the lives of this generation and because of those who love and support MNU, there will be new stories to share of lives transformed forever through His love.

As you read these stories, you will discover that each has a central theme. Each tells the ongoing story of MNU and also provides evidence of a God who is still at work. If you read between the lines, you will discover God’s unconditional love and the substance of His assurance to all mankind . . . His Love Endures Forever.

“It’s been a privilege working with Dave and seeing how he devotes his time to MNU. It shows something very cool in his character, that he wants to train and help students learn.”

ZACH RELF ('15)
He spends hundreds of hours each year working behind the scenes in Bell Cultural Events Center. It’s perhaps the most behind-the-scenes role one could have. Concerts, theatre productions and recitals. Dave Sapp’s gift of time has literally kept the lights on for these important fine and performing arts productions. An engineer by profession, Dave’s selfless gift of time has been indispensable to the hundreds of students who have spent time on our stage.

“I think it’s important to be aware of opportunities around you. If you are open to new possibilities, you will be able to find new ways to serve God,” says Dave.

As a senior music major, Zach Relf ('15) has performed in dozens of band and choral performances inside the Bell Cultural Events Center. In addition to loving music, Zach enjoys learning about the technical production side of a musical performance. He’s actually volunteered alongside Dave to produce events when he’s not performing.

CAMPUS UPDATE

One of just 10 universities nationwide, MNU is selected by the American Association of Colleges for Teacher Education to participate in their first Networked Improvement Community. MNU is the only faith-based university named to participate in this initiative, aimed at increasing the diversity of the nation’s teacher candidate pool.

Nate Wiens (’00) is named head coach of MNU’s Cross Country and Track & Field teams. After a five-year hiatus, the cross country and track and field program is set to return in 2015.

Students in the Master of Arts in Counseling capstone class journey to northern Uganda in June to teach others about counseling individuals who have suffered traumatic situations.

A group of 12 MNU students, two professors and two sponsors travels to Chu Xiong, China during July to teach English to students at a summer camp.

Alumnus Rachel Hindman, RN, BSN (’06), is recognized for her outstanding care when she receives the Clinical Excellence Award for Nurse as Teacher at Children’s Mercy Hospital.

100% of MNU’s 2014 pre-professional graduates who apply to graduate programs are accepted into master’s programs – many at top universities across the nation.

The School of Nursing and Health Science is approved to form a chapter of the prestigious Sigma Theta Tau International honor society.

The Pioneer football team beats rival Missouri Valley in the first-ever Gridiron Challenge at Arrowhead Stadium.

MNU is awarded a $10 million five-year Title III Department of Education Strengthening Institutions Program grant. The main goal of the grant is to create a Center for Academic and Professional Success to enhance the educational experience of all students in key academic areas.

“My relationship with Selena has been a huge blessing in my life because she has encouraged me to grow in my walk with Christ and helped me become the person I am today.”

MALORRI SEAMON ('11)
Selena Freeman (’97) is a youth pastor at Marshfield First Church of the Nazarene. Recognizing a call to relational ministry, she’s been a formative influence in the lives of dozens of high school students. Many of them – 24 to be exact – have chosen MNU. And most of these students, so influenced by the work of Selena and her husband, have studied ministry and gone on to be ordained.

“Investing in teens and building relationships with students is part of who I am. It’s who God created me to be. They have become a part of my life. It’s neat to watch my students go to MNU and see how they grow. I love that I can encourage students to grow and find out who God has called them to be. I love watching these relationships grow, even as they go away to college,” says Selena.

Malorri Seamon (’11) attended Marshfield Church of the Nazarene in high school, where she met Selena Freeman (’97). She felt called to ministry during her junior year in high school after being significantly impacted by the example of her youth pastor. Malorri earned a degree in ministry from MNU and is now serving as the Middle School Students & Families pastor at Central Church of the Nazarene in Lenexa, Kansas.
MidAmerica Nazarene University has been greatly blessed by alumni and friends who generously contribute support for scholarships, academic and athletic programs, and various capital projects. We commit to manage these resources wisely in order to provide high quality Christian higher education both now and in the future.

The faculty, staff and students of MNU greatly appreciate the generosity of alumni and friends throughout the year.

The University’s financial summary reflects the fiscal year July 1, 2013 – June 30, 2014.
During the past fiscal year, 2,790 contributors gave $4,286,507 to MNU in support of scholarships, building projects and other programs. We are so thankful for each individual, business, church and family who gave generously in support of our University.
the gift of SERVICE

“The Tollefsons gave generously helping to promote the project and even made a trip to see the school at completion. I look up to them so much – they exemplify what it means to live with generosity.”

DYLAN AEBERSOLD ('15)
When their son was a student at MNU, Allen and Madeline Tollefson wanted to invest in the efforts surrounding short and long-term missions. Their goal? To show the next generation that we have a responsibility to serve others. They knew that an experience on the mission field could be life-changing, whether it results in a call to missions or a deepening of personal faith. Over the last 20 years, the Tollefsons have supported many of MNU’s mission trip opportunities. They have traveled with groups, supported the costs associated with travel and lived out this example in their own lives.

“I give because I love the Lord; much has been given, so I want to give back and give to others. There is no greater satisfaction than giving and serving others,” says Allen.

For Dylan Aebersold (’15), building relationships through serving the people of Haiti is his biggest passion. After participating in a trip to Haiti during his freshman year, Dylan felt called to continue to serve the Haitian people. Inspired by the example of the Tollefsons, Dylan led the 2014 Passion to Serve Project which raised $65,000 to build a school in Cascade Pichon, Haiti.
MidAmerica Nazarene University is called to an undertaking of profound significance. We have the immense privilege of preparing and equipping young men and women to understand life as a divine calling — a calling that results in service to our society and the world in the name of Jesus Christ.

This transformative educational experience wouldn’t be possible without the sacrificial support of alumni, friends, churches and companies who help to sustain our important mission. It is our privilege to recognize the generosity and faithfulness of those who are investing in a quality Christian education that impacts both the hearts and minds of our students.

As you review the highlights and the amazing milestones included in this report, I hope you will rejoice in God’s steadfast faithfulness. We bear witness to His mercy that has time and again met our needs, provided breakthroughs and touched the lives of our students.

We are reminded that we alone cannot accomplish this great task. MNU’s enduring mission of educating and preparing servant leaders for the sake of Christ relies on those who will pick up the mantle to pray, sacrifice and contribute. If we do so, God will be faithful to accomplish all that He has planned for MidAmerica Nazarene University in the days ahead.

On behalf of the MNU Foundation, thank you for all the ways you support us through your prayers, partnership and philanthropy.

Endowing the Future of Quality Christian Education

The MidAmerica Nazarene University Foundation exists to assist the education services at MidAmerica Nazarene University. The MNU Foundation’s principle activity is to build the Endowment Fund.

This fund is invested following carefully considered, conservative investment policy to further the University’s mission, and to assure the long-term financial security of the University.
“Terri had the same passion for teaching that I have, and it’s incredible to know that the gift of her teaching is passed on through the gift of scholarship. This scholarship was a huge blessing – it allowed me to pursue my dream of becoming a teacher and share the passion the Lord has given me.”

MADISON DEAL ('15)
Anyone who has lost a loved one knows what it’s like to wonder how they will be remembered. To honor and remember his late wife, Terri, Gary Coulter established an endowed scholarship fund. Terri was an elementary school teacher, and this fund provides ongoing scholarship support for MNU students who study elementary education. Gary notes that Terri was “born to teach”; what a fitting way to honor the legacy of her life and inspire the teachers of tomorrow.

“I believe in Christian higher education. If we do not support it with our dollars, Christian universities will go away. The more we can assist, the better the future will be for our friends and family,” says Gary.

Madison Deal (’15) always knew that she would need to rely on scholarships to help pay for college. She also knew that she wanted to model the example set by many of her junior high and high school teachers by pursuing a career in teaching. In 2014, Madison received a significant education scholarship from the Teresa [Terri] L. Snyder Coulter Scholarship Fund.
