

Dr. Jill E. Gonzalez-Bravo

dr.gonzalezbravo@gmail.com

Dr. Jill Gonzalez-Bravo

Kansas State University, Manhattan, KS

Educational Doctorate Educational Leadership, 2015

Kansas State University, Manhattan, KS

K-12 Building Leadership Licensure, 2014

Wichita State University, Wichita, KS

Master of Arts in Curriculum and Instruction, Science and Technology Emphasis

Kansas State University, Manhattan, KS

Bachelor of Science in K-9 Education

Highly Qualified Certification for Biology, General Science, Math, and Reading

Professional Experience

MIDAMERICA NAZARENE UNIVERSITY, Olathe, KS

2010-present

School of Education Unit Head

- Leadership of all functions and matters related to National and State accreditation for all academic programs and support services within the unit
- Management of advisory council(s) and committees, shared governance facilitator
- Leadership related to unit curricula, courses, methods of instruction, assessment, and new program development
- Development of a recruitment and retention programs and community partnerships
- Fiscally responsible for personnel and operating budgets.

Teacher Education Department Chair

- Manager of faculty evaluation processes to support rank, tenure, and promotion
- Coordinated academic advisement and semester scheduling of course offerings.
- Director for FORCE (Forging Opportunity and Recruiting for Careers in Education), a programmatic and marketing effort to increase the number of men of color in education fields.

Student Support Services, First Year Experience Director

- Conducted 'Gen Z', first generation college student, and strategies to support underrepresented populations in higher education to support a redesign of MNU's first year experience
- Restructured Freshman Seminar and developed curriculum and training resources for course instructors and mentors

Director of Clinical and Field-Based Placements

- Established mutually beneficial partnerships with school community leaders to support shared vision
- Developed training modules, policies and protocols to successfully meet state clinical accreditation standards
- Created, valid and reliable assessments, calibration protocol, and bias and inter-reliability training
- Recruited, trained, organized and evaluated mentors and field experiences within diverse clinical settings
- Directed teacher career fair featuring over 40 Kansas and Missouri schools and districts.
- Director of international student teaching experience.

Teacher Education Department Associate Professor

Student Teacher Seminar Course

- Developed bi-weekly seminar sessions to support teachers in obtaining state licensure

Student Teacher University Supervisor

- Served as a liaison and promoted a positive relationship between the university and partnering schools.
- Promoted preservice reflective practice through pre and post observation conferences.
- Individualized observation data gathering tools based on preservice teacher goals.

Technology for Teaching and Learning Course

- Developed a blended learning course to promote the embedded use of technology in K-12 settings.
- Course emphasized the use of technology to redefine learning experiences and promote 21st Century skills.

Curriculum Development and Assessment Course

- Incorporated backward design, data-driven-decision-making, and assessment into senior capstone course
- Supervised teacher candidate field experiences in elementary and high school placements
- Collaborated with AOET-Uganda to integrate a service learning and authentic assessment opportunity

Elementary & Middle Level Math Methods Course

- Developed traditional and online methodology course focused on blending math content and process skills

Dr. Jill E. Gonzalez-Bravo

dr.gonzalezbravo@gmail.com

- Supervised teacher candidate math field experiences

Cultural Diversity in Education Course

- Utilized transformative teaching techniques to explore diversity issues in teaching and learning
- Organized school community visits and cross-cultural speakers

Professional Graduate Studies in Education: Course Development

- Cognitive Coaching Mentoring Strategies
- Accelerated Hybrid Technology for Teaching & Learning
- Accelerated Hybrid STEM Methods and Practicum

CHRIST PREP ACADEMY, Olathe, KS

2009–2012

Science Educator and Accreditation Consultant

- Provided instruction in science courses to support this non-traditional University Model School
- Trained staff in effective unit development and curriculum mapping

MAGDALEN MIDDLE SCHOOL, Wichita, KS

2008–2009

Math Support Teacher and Assessment Specialist

- Evaluated assessment data and developed a remedial math program for grades 6th through 8th
- Employed data-driven-decision making to develop assessment resource materials
- Developed weekly e-newsletter encouraging home-connection ideas and resources
- Conducted teacher training on strategies to enhance students' math computation and assessment preparation

ROSE HILL MIDDLE SCHOOL, Rose Hill, KS

2000–2008

Reading and Math Assessment At-Risk Resource Educator, 2004–2008

- Analyzed data trends to address learning gaps; disaggregated district data to implement MTSS.
- Utilized hands-on activities and online learning strategies targeting math and reading requirements; contributed to acquisition of standard excellence.
- Provided teachers with feedback and training on how to improve instructional content and delivery.
- Created a district-adopted document to communicate student success to teachers in response to “No Child Left Behind” initiative.
- Devised one-on-one laptop learning strategy to increase student motivation in reading; allowed students to record and produce books on CD.
- Instituted accelerated math and Passkey online learning program.
- Developed and submitted grants for after-school book clubs.

8th Grade Science Teacher, 2000–2004

- Served on Curriculum Adoption Committee Member
- Science Department Representative
- Curriculum Mapping and Alignment Committee Member
- Wrote innovative technology embedded hands-on curriculum: Roller Coaster Physics, HoverCrafts in Motion, Environmental Stewardship, Weather Wise

ALCOTT ACADEMY, Wichita, KS

1997–2000

Middle School Science Teacher

- Generated grant funding for several classroom and school projects.
- School technology trainer and educated staff on internet usage.
- Developed science curriculum checklist utilized by science teachers across Wichita Public Schools system.
- Motivated students to participate in local initiative, “Drains to Rivers,” to increase community awareness of drainage systems.
- Middle School Science Curriculum representative
- Human Sexuality and Development and Media Screening and Curriculum Advisory Committee member.

UNITED STATES PEACE CORPS, Dominica, West Indies

1995–1997

Peace Corp Volunteer

- Life Lab Instructor and Teacher Trainer Dominica Ministry of Education
- Conducted Island-wide data analysis evaluating eight-year Life Lab Pilot program;
- Recipient and Administrator of Peace Corps Sustainability Grant to fund Morne Prosper Building Project

Dr. Jill E. Gonzalez-Bravo

dr.gonzalezbravo@gmail.com

- Instructed science methodology course at National Teachers College.
- Collaborated with the director of science and math education to revise Dominica's National Science Curriculum.
- Served as Peace Corps trainer for Cultural Adaptation and Grant Writing
- UNESCO Environmental Camp Coordinator in Roseau, Dominica.

Certifications and Training

- Association for Advancing Quality in Educator Preparation (AAQEP) Accreditation Site Evaluator, Fall, 2019
- Kansas Education Systems Accreditation (KESA) Outside Visitation Team (OVT), Spring, 2017
- National CAEP Site Visitor, Kansas City, MO. Summer, 2016
- Certified Trainer: Concept Based Teaching, San Antonio, TX. Summer, 2015
- Kansas Elementary (K-9) Certification,
- K-12 Kansas Administration Certification
- Highly Qualified status for teaching science, math and reading

Presentations

Gonzalez-Bravo, J. (2019, November). *Using Webb's Depth of Knowledge to Increase Rigor and Innovation*, Christian Educators Conference, Wichita, KS.

Gonzalez-Bravo, J. (2019, November). *Technology; Motivating or Money Pit*, Christian Educators Conference, Wichita, KS.

Gonzalez-Bravo, J. (2019, August, October). *Enhance Experiential Learning Through Off-Site Events*, Faculty Learning Community Presentation, MidAmerica Nazarene University, Olathe, KS.

Gonzalez-Bravo, J. (2019, March). *SAMR Levels of Innovation Integration*, Desoto Public Schools Conference, Desoto, KS.

Gonzalez-Bravo, J. (2019, March). *Media and the Impact of the Teaching Profession*, Johnson County Community College, Introduction to teaching class, Overland Park, KS.

Gonzalez-Bravo, J. (2018, October). *Media and the Impact of the Teaching Profession*, Johnson County Community College, Introduction to teaching class, Overland Park, KS.

Gonzalez-Bravo, J. (2017, October). *From Jeopardy to Shark Tank: Ensuring Depth of Knowledge*, MNU SOE Faculty Development, Olathe, KS.
