Nursing Program Admission Information for Graduation Class of 2019

We are so happy you are applying for the TBSN program at MNU! Application instructions are posted on the Nursing Forum Moodle site. There are three different admission categories. We will review applications in October and February. Guidelines are posted below to help you determine which date your nursing application is due.

The ATI-TEAS exam is scheduled for Wednesday, September 7, 2016 through the MNU library. Please contact Rebecca Hagedorn at 913.971.3387 and schedule your ATI-TEAS with her. This exam score is an important part of your application. Students may purchase the ATI-TEAS Study Manual (6th edition) and practice tests online at www.atitesting.com.

Students applying to MNUs nursing program will only be allowed to take the TEAS twice. It is highly recommended to prepare well for this test. A proficient rating is considered a minimum standard for acceptance into the nursing program. However, scores in the 70th percentile or higher are preferred.

The application/admission process will take into account your GPA and academic performance (with an emphasis on science and math courses), TEAS score, reference letters and personal statement.

EXPEDITED ADMISSION

- First-time freshman who had an ACT score of 25 or above, AND a high school GPA of > 3.5 will have what we consider an expedited admission. If you believe you meet these criteria but have not yet received a letter please contact your faculty advisor to confirm.
- Students receiving expedited admission are **NOT** required to take the TEAS test provided you were able to maintain a GPA ≥ 3.0 your freshman year.
- Please contact Shawnda McLeod (slmcleod@mnu.edu) for an expedited admission application form if you have not yet completed this.
- Does not apply to transfer students.

PRIORITY APPLICATION

- The priority admission application is due on **October 1, 2016**.
- Students who are eligible for priority admission meet the following criteria:
  - Cumulative GPA of ≥ 3.5
  - ATI-TEAS score > 75%
  - All components used for admission considered must be submitted with application ie. TEAS scores, unofficial transcripts, reference letters etc.

TRADITIONAL Application

- All students seeking admission to the nursing class in the fall of 2017 will need to have the TEAS exam and application completed and submitted by **February 1, 2017**.
- Students must have a GPA of 2.6.
- Students must take the ATI-TEAS exam.

Please feel free to contact us with any questions at nursing@mnu.edu. We are looking forward to hearing from you!
