We are so pleased to know you are considering applying to the traditional bachelor of science in nursing (TBSN) program at MNU! The traditional undergraduate application is online at MNU.edu/apply and contains within it all nursing application questions. Current students should complete the application at MNU.edu/tbsn-apply instead.

APPLICATION DEADLINES
Students are considered under three different admission categories. The Nursing department will review applications in October and monthly starting in November until the program is filled. The guidelines below will help you to determine which date your nursing application is due. Classes begin each fall. For information on the accelerated bachelor of science in nursing (ABS) program, please see MNU.edu/nursing.

The application and admissions process will take into account your GPA and academic performance (with an emphasis on science and math courses), ATI-TEAS score, reference letters and questionnaire.

THE ATI-TEAS EXAM
The ATI-TEAS exam can be taken at multiple locations but is offered at MNU (contact testing@mnu.edu to schedule a time to take the TEAS at MNU). This exam is an important part of your application. Students may purchase the ATI-TEAS Study Manual and practice tests online at atitesting.com.

MNU's Nursing office will only accept the first two TEAS scores taken. It is highly recommended that you prepare yourself well for this test. A proficient rating is considered a minimum standard for acceptance into the nursing program. However, scores in the 70th percentile or higher are preferred.

ADMISSIONS CONSIDERATION CATEGORIES
Expedited Admission—for freshmen only
- First-time freshmen with an ACT score of 25 or above AND a high school GPA of ≥ 3.5 will be admitted through expedited admission. If you believe you meet these criteria but have not yet received a letter of acceptance, please contact your faculty advisor to confirm.
- Students receiving expedited admission are NOT required to take the ATI-TEAS test provided they maintain a GPA ≥ 3.0 during the freshman year.
- Please contact the nursing office for an expedited admission application form.

Priority Admission Application—Consideration begins October 1, approx. 11 months before the program
- The priority admission application consideration begins on October 1 the fall before beginning the program. Applications are considered monthly.
- Students who are eligible for priority admission must meet the following criteria:
  i. Cumulative GPA of ≥ 3.5
  ii. ATI-TEAS score ≥ 75%
  iii. Have submitted application, references, unofficial transcripts and questionnaire by the deadline.

Traditional Admission Application—Consideration begins February 1, approx. 7 months before the program
- All students not meeting the priority admission requirements will be considered beginning February 1 the spring before beginning the program. Applications are considered monthly.
- Students who are eligible for traditional admission must meet the following criteria:
  i. Cumulative GPA of ≥ 2.6
  ii. Submitted ATI-TEAS score
  iii. Have submitted application, references, unofficial transcripts and questionnaire by the deadline.

Please contact nursing@mnu.edu with any questions about the nursing application process. We look forward to hearing from you.
