

## Community College Transfer Tuition Discount

MidAmerica Nazarene University’s School of Professional and Graduate Studies offers a community college transfer tuition discount (of select programs) to students who transfer to MNU from a qualifying community college after receiving their degree-posted AA/AAS degree. *Check with your Enrollment Specialist to confirm a qualifying community college, eligibility, and programs included.*

- Transfer tuition discounts will be effective for the first full term following receipt of a completed, signed Transfer Tuition Discount Form in the SPGS Admissions Office and will not be retroactive for prior terms or courses.
- An official degree-posted transcript must be on file in, and degree verified by, the SPGS Admissions office.
- Discounts are not stackable; i.e., students are not eligible to receive multiple discounts during an attendance period.
- Students readmitting to MNU after a full semester break will only be eligible to receive a 10% community college transfer tuition discount. Discount will be effective, as noted above, upon receipt of a newly generated Community College Transfer Tuition Discount form.

To authorize and initiate the discount, this **Community College Transfer Tuition Discount** form must be completed and on file in the MNU School of Professional and Graduate Studies Admissions Office. Forms can be emailed to [pgadmissions@mnu.edu](mailto:pgadmissions@mnu.edu), faxed to 913-971-3008, or delivered to 13563 S. Mur-Len Road, Olathe, KS 66062.
