HOW TO USE THIS JOURNAL

In times like these, it's easy to get lost in the day-to-day shuffle of to-do lists, responsibilities, and making sure we're physically taking care of ourselves. We want to help you nourish your mindset, to find little ways or little pockets of joy to brighten your day, and of course, to bring you back to campus for a moment.

Flip to a random page here whenever you'd like. Find what's resonating for you, and dig in.

PEOPLE I REMEMBER

You may not remember everyone you meet—but every person can teach you something about yourself. People propel you forward in subtle and obvious ways. Use these pages to note people who have inspired you and helped you become who you are, people you admire and appreciate. Make a plan to stay connected.
