

GENERATION

BLUE

ACTIVITY BOOK

We are glad to offer this activity book, design specifically for future Pioneers – or, as we call them, “Generation Blue.” Allow your children to get creative with the Pioneer Pete coloring page, get acquainted with the lexicon of Homecoming at MNU, and get familiar with a central map of the campus by directing Pioneer Pete through a maze from Mabee Learning Commons to Campus Center in time for dinner. Feel free to post your student’s artwork on the MNU Alumni & Friends Facebook page and our online community will select three (3) finalists for a great Homecoming prize

Pioneer Pete finished studying and is hungry! Help him get from Mabee Library to Campus Center by crossing the campus mall.

The image features a large rectangular maze with a central circular cutout. The cutout contains a brown-toned illustration of a woman in a long dress standing next to a man in a hat and coat who is kneeling. To the left of the maze is a brown icon of a building with a pointed roof, labeled 'Mabee Library'. To the right is a brown icon of a building with a flat roof and a chimney, labeled 'Campus Center'. The maze is composed of black lines on a white background, forming a complex path that winds from the library area, through the cutout, and towards the campus center.
