Alabama	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	Through the certificate reciprocity approach to certification, Alabama recognizes valid professional educator certificates issued by other states, the District of Columbia, U.S. Territories, or the Department of Defense Education Activity (DoDEA) as the basis to offer professional certification in Alabama. The certificate(s) presented must be at a degree level, in a teaching field or instructional support area, and at a grade level in which Alabama offers comparable certification.	https://www.alsde.edu/sec/ec/Pages/outofstatecertificates-all.aspx
Alaska	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	If a teacher provides a valid teaching certificate from another state, the teacher is eligible for a one-year certificate. To extend the certificate for up to three years, the teacher would need to provide evidence of satisfying a basic competency exam and completing an approved teacher preparation program within one-year. Within two years, the teacher would need to provide evidence of completing 3 semester hours of an approved Alaska studies course and 3 semester hours of an approved multicultural course.	https://education.alaska.gov/teachercertification/certification/initial#OutOfState
Arizona	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	The Arizona Department of Education Certification Unit may issue a comparable teaching, administrative, or professional non-teaching certificate to an applicant who holds a valid, comparable certificate in another state and is in good standing in that other state. Applicants may also qualify to add additional approved areas or endorsements to existing teaching certificates if they hold a valid, comparable approved area or endorsement in another state.	https://www.azed.gov/educator-certification/forms-and-information/reciprocity/

Colorado	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	If you hold a valid teacher license (not substitute, temporary, emergency, provisional or probationary) issued by another state that carries an identical endorsement (subject matter and grade level(s)) to one issued by Colorado, meet the degree and program requirement for that endorsement, including student teaching and field experience, AND have three years of full-time licensed teaching experience in that state within the past seven years, Colorado will issue a professional license with the identical endorsement requested.	https://www.cde.state.co.us/cdeprof/outofstateteacher
Connecticut	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	Connecticut does not have reciprocity with any other states; however, they do provide pathways to educator certification through the NASDTEC Interstate Agreement. This means that Connecticut will waive the need for specific course work requirements for certification if an applicant has already completed a regionally accredited teacher preparation program in another state or if the applicant has completed at least 30 months as a fully credentialed teacher in another state.	https://portal.ct.gov/SDE/Certification/Out-of-State-Educators
Delaware	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	The educator may demonstrate 4 years of successful teaching experience by submitting documentation of a minimum of 4 years of teaching experience and of having received at least 2 satisfactory evaluations from the jurisdiction that are the equivalent of the two satisfactory summative evaluations that are the equivalent of a Delaware educator.	https://www.doe.k12.de.us/Page/3504

Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	Florida has two reciprocity routes for certified teachers and administrators to qualify for our Professional Certificate. Valid Standard Certificate Issued by a State Other than Florida. The certificate shall be the valid standard educator's certificate issued by that state which is comparable to a Florida Professional Certificate. Be issued in a subject comparable to a Florida certification subject. Require the same or higher level of training required for certification in that subject in Florida. The certificate must be currently valid (not expired or revoked). Certificate Issued by the National Board for Professional Teaching Standards (NBPTS) The NBPTS certificate must be currently valid. The Florida certificate will reflect the Florida subject considered comparable to the NBPTS subject.	http://wwwfldoe.org/teaching/certification/pathways-routes/certified-teacher-or-administrator.shtml
Georgia	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	Georgia offers out-of-state teachers the opportunity to obtain a Clear Renewable Teaching Certification through Interstate Reciprocity. You must either currently hold a Professional Educator Certification issued by a NASDTEC member state or have completed an approved teacher preparation program in another state while fulfilling all other necessary certification requirements.	https://www.gapsc.com/Certification/Home.aspx
Hawaii	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	HTSB offers full reciprocity to teachers licensed in other jurisdictions since July 1, 2006. They only have to submit a Hawaii license application and verify their active license in the home state.	http://www.hawaiipublicschools.org/ConnectWithUs/Employment/LicensureAndCertification/Pages/home.aspx

Idaho	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	If the educator has a clear certification, they will receive a three year Interim Certification in order to complete Idaho state specific requirements. If the educator has already met the Idaho state specific requirements, they would be granted a clear initial five year renewable certification.	https://www.sde.idaho.gov/cert-psc/cert/apply/out-of-state.html
Illinois	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	Illinois does have full reciprocity with other state. We require a bachelor's degree (master's for administration and specific SSP programs) and a valid, comparable license from the other state.	https://www.isbe.net/Pages/Educator-Licensure.aspx

Louisiana	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	Educators with an out-of-jurisdiction license are granted a temporary similar license in the receiving jurisdiction upon successful processing of the receiving jurisdiction's application and academic records. This temporary license is an out-of-state (OS) certificate, valid for a three year period, and is not renewable. It is issued to a teacher who has completed an out-of-state teacher preparation program and either holds or is eligible for a certificate in the state in which the program was completed. The teacher is not initially eligible for a level 1, 2, or 3 Louisiana certificate but meets Louisiana certification requirements with the exception of the Praxis/National Teacher Exam requirements. It provides a transition period that permits the holder to be employed in Louisiana K-12 schools while he/she complies with Louisiana Praxis/NTE requirements or meets Praxis exclusion eligibility requirements. For continued employment as a teacher in a Louisiana school system after the three year period has elapsed, the OS certificate holder must fulfill guidelines for a level 1 or higher-level certificate.	https://www.teachlouisiana.net/Teachers.aspx?PageID=650
Maine	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.	The state of Maine offers current teachers, or those who qualify for teacher certification, in others states to earn teaching certification in Maine through evaluation of out-of-state teacher education programs and examinations.	https://www.maine.gov/doe/cert/
Maryland	MAYBE	BSEEU, MSEEU	Successful completion of the teacher preparation education program at MNU will qualify students to sit for the Kansas Licensure exams. Students with an initial Kansas teaching license should be able to apply for a temporary teaching license in another state. Students should check with the state licensure department in their home state for additional information on how to apply for a license and later convert their temporary teaching license to a professional teaching license.
