MNU RAVE CAMPUS ALERT SYSTEM

- The MidAmerica Nazarene University has established an emergency **Campus Alert System** messaging service for members of our community. This method of notification is a supplement to the University's methods of issuing timely warnings in the event of a security threat on or near our campus. In addition, this messaging service will only be used in the event of an emergency; or to advise of changes in scheduling due to severe weather; or to perform periodic testing of the system.
- Students, staff, and parents can enroll by going to the website link: <https://www.getrave.com/login/mnu>
- Staff can also access it directly from the MNU portal home page at: <https://www.mnu.edu/portal> and clicking on MyMNU Portal, then clicking on RAVE-MNU Sign Up for Emergency Communications.
- Students, staff, and parents are strongly encouraged to enroll their cell phone number, in addition to their email, to receive emergency alert notifications via email and cell phone texts.
- The system will be tested monthly on the 1st Wednesday of every month at 11:00 AM.
