 EasyText Course Materials, Summer 2024

Discounted digital course materials can be accessed through this link via MNU’s inclusive access program, EasyText. Your MNU student account has been billed for the displayed price. You have unlimited access until the displayed opt-out date for this course. If you choose to opt-out of these materials your student account will be refunded, and you will be responsible for acquiring the material from another source. Those who remain opted-in will continue to receive access to the material through this link.

If your instructor is using courseware, such as Connect, MindTap, or MyLabs, there may be an additional link for access.

 EasyText Course Materials, Summer 2024

Discounted digital course materials can be accessed through this link via MNU’s inclusive access program, EasyText. Your MNU student account has been billed for the displayed price. You have unlimited access until the displayed opt-out date for this course. If you choose to opt-out of these materials your student account will be refunded, and you will be responsible for acquiring the material from another source. Those who remain opted-in will continue to receive access to the material through this link.

EasyText – Description

- EasyText is MNU’s name for the national Inclusive Access program
- EasyText offers students required materials at a discounted rate, compared to the publishers asking price when purchased individually.
- MNU’s EasyText could be eBooks or Courseware.
- EasyText prices are included in the class fee, and visible through their student account report.

eBooks

- Required materials the instructor has requested in this format, for the commodity and accessibility of the class.
- Deliver through VitalSource Bookshelf.
- If students find, borrow, or purchase their books at cheaper prices, they can opt out of EasyText. Always double check with your instructor before opting out. (see details at “Opt Out Guide”)

Courseware

- Required materials requested by the instructors in the publisher’s platforms with interactive tools. Book, assignments, quizzes, and/or projects are available in the same place. Necessary to pass the class.
- Deliver through each publisher's platform. Instructors link assignments in Moodle that redirect the student to that platform.
- Puzzle piece icon shows details (such as access codes, price, and title). Indicates that it is part of EasyText discount rate.
- Cannot opt out, unless the class has been dropped.
